**Weblinks**     [Clinical Placement Manual For Enrolled Nurses](#) Catherine Joustra, Ali Moloney, 2018-12-01 Clinical Placement for the Diploma of Nursing is an exciting new resource that facilitates easier delivery of learning for HLT54115. A practical manual it incorporates both knowledge evidence and performance evidence supported by learning material. Written to the training package, all learning objectives and clinical skills are covered, and activities, assessments, and materials you need are provided for each unit. Educators and clinical facilitators now have transparency for mapping course delivery and streamlined placement. Textbook layout suits course progression and clinical placement blocks as the order of coverage follows block delivery. Opening vignettes and real life case studies and tips from nurses and students in clinical settings give context to the theory and assist the student before placement to identify key knowledge elements which are applied to a practical setting. Cross referencing is included, and Clinical Placement for Diploma of Nursing can be value packed with Tollefson's Essential Clinical Skills and Clarke Gray's Foundations of Nursing to create a complete reference package for trainees.
