Philosophical and Theoretical Perspectives for Advanced Nursing Practice

William K. Cody, Cody, 2006-02-08 An excellent resource for graduate nursing students in master's and doctoral programs *Philosophical and Theoretical Perspectives for Advanced Nursing Practice* focuses on the theoretical and philosophical perspectives necessary to guide advanced nursing practice. The expertly written chapters are diverse in content and emphasize evidence-based practice values, person-centered care, and global perspectives and explores the interrelationships between theory, practice, and research.

Situation Specific Theories: Development, Utilization, and Evaluation in Nursing Eun-Ok Im, Afaf I. Meleis, 2021-02-05 This book fills the gap in the literature on nursing theories by presenting the background information on situation-specific theories such as philosophical bases and current status of situation-specific theories and providing a collection of situation-specific theories that have been developed. It provides specific guidelines for nursing research and practice essentials for PhD and DNP students to complete the requirements for their degrees, e.g., dissertation, QI project. In addition, this book can be used in theory courses in other graduate nursing programs that require theoretical bases for their comprehensive exam or scholarly project, e.g., MSN, NP. Throughout nursing history, nursing theories have evolved within the contexts of changing and emerging theoretical needs of the nursing discipline. Subsequently, several different types of nursing theories have been proposed, developed, and used in nursing education, research, and practice. Situation-specific theories could be easily adopted and used in nursing practice and research due to their foci on specific populations or particular fields. Since situation-specific theories were first proposed in the 1990s, they became a major part of nursing theories in the past two decades, making this book appealing to all levels of nursing students.

Policy and Politics in Nursing and Healthcare - Revised Reprint Diana J. Mason, Judith K. Leavitt, Mary W. Chaffee, 2013-09-23 Featuring analysis of healthcare issues and first-person stories, *Policy and Politics in Nursing and Health Care* helps you develop skills in influencing policy in today's changing health care environment. 145 expert contributors present a wide range of topics in policies and politics, providing a more complete background than can be found in any other policy textbook on the market. Discussions include the latest updates on conflict management, health economics, lobbying, the use of media, and working with communities for change. The revised reprint includes a new appendix with coverage of the new Affordable Care Act. With these insights and strategies, you'll be prepared to play a leadership role in the four spheres in which nurses are politically active: the workplace, government, professional organizations, and the community. Up-to-date coverage on the Affordable Care Act in an Appendix, new to the revised reprint. Comprehensive coverage of healthcare policies and politics provides a broader understanding of nursing leadership and political activism, as well as complex business and financial issues. Expert authors make up a virtual Nursing Who's Who in healthcare, policy, sharing information and personal perspectives gained in the crafting of healthcare policy. Taking Action essays include personal accounts of how nurses have participated in politics and what they have accomplished. Winner of several American Journal of Nursing Book of the Year awards. A new Appendix on the Affordable Care Act, its implementation as of mid-2013, and the implications for nursing is included in the revised reprint. 18

new chapters ensure that you have the most up to date information on policy and politics The latest information and perspectives are provided by nursing leaders who influenced health care reform with the Patient Protection and Affordable Care Act of 2010

Nursing Profession Tomorrow And Beyond: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Nursing Profession Tomorrow And Beyond : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
