**Stephen Roth, Stephen Roth Institute**

## **Pacified Zone:**

*National Integration and Contested Autonomy* Luciano Baracco, 2011 The indigenous and Afro descendant peoples along Nicaragua's Caribbean Coast once colonized by the British have long sought to establish their autonomy vis a vis the dominant Spanish influenced regions of the Pacific coast The book provides a wide overview of the autonomy process by looking at the historical background of autonomy claims to land and language rights and land demarcation and communal forestry projects

*Antisemitism Worldwide, 2000/1* Stephen Roth, Stephen Roth Institute, 2002-09-01 The annual publication *Antisemitism Worldwide* is compiled by the Stephen Roth Institute for the Study of Contemporary Antisemitism and Racism at Tel Aviv University Unique in scope structure and variety of sources this volume is an analysis of antisemitism in 2000 and early 2001 It includes scholarly articles and book reviews as well as country by country surveys In 2000 the number of major violent acts of antisemitism more than doubled from 1999 and other acts of violence increased by over 50 percent *Antisemitism Worldwide* is based on information systematically collected by the institute throughout the world in many languages then summarized and computerized in its database in English The source materials come from individuals and institutes all forms of media ministries and committees as well as Jewish communities and organizations

**Handbook for Morocco** American University (Washington, D.C.). Foreign Areas Studies Division, 1965

*What Is China?* Zhaoguang Ge, 2018-03-26 Ge Zhaoguang addresses sensitive questions of identity that shape the politics of the world's most populous country This insider's account teases out nuances of China's encounter with the contemporary world using its past to explain its present and to provide insight into paths the nation might follow as the current century unfolds

**The New Larned History for Ready Reference, Reading and Research** Josephus Nelson Larned, 1923

**Modern Insurgencies and Counterinsurgencies** Kaushik Roy, 2022-08-25 This book provides a historical study of the theory and praxis of modern insurgencies and counterinsurgencies COIN Modern Insurgencies and Counterinsurgencies A Global History shows that the insurgents can wage a variety of conflicts at times conventional war which lies at the high end of their spectrum and terrorism which is located at the lowest end of their scale When insurgencies reach a certain critical threshold the insurgents shift their strategy from guerrilla irregular war to conventional regular war and at that point the level of conflict escalates to the level of civil war When the insurgents face intense state repression they revert to terrorist activities When the insurgents wage guerrilla war they can be called guerrillas The variety of wars conducted by the insurgents is termed as unconventional war This volume demonstrates that the insurgents in the modern world had been motivated by a trinity greed grievances and ideology Kaushik Roy traces the origin of modern insurgencies and COIN from the sixteenth century by focusing on regions outside Western Eurasia He also touches on the twin interrelated phenomena of modern insurgencies and COIN metastasising into something new at the beginning of the Information Revolution at the end of the twentieth century This volume will be of interest to researchers and research students of history British Empire imperial studies Asian studies
