Pacifists Progress Norman Thomas And The Decline Of American Socialism

G Orfield

Pacifists Progress Norman Thomas And The Decline Of American Socialism:

Pacifist's Progress Bernard K. Johnpoll,1970 Critical evaluation of the role of Norman Thomas as a prime shaper of American socialist thought and a leader of the Socialist Party Norman Thomas Raymond F. Gregory,2008 Autographed photograph America Norman Mattoon Thomas November 20 1884 December 19 1968 was an American Presbyterian minister who achieved fame as a socialist pacifist and six time presidential candidate for the Socialist Party of America Thomas was initially as outspoken in opposing the Second World War as he was with regard to the First World War Upon returning from a European tour in 1937 he formed the Keep America Out of War Congress and spoke against war thereby sharing a platform with the America First Committee However after the United States was attacked by the Japanese at Pearl Harbor his stance changed to support for US involvement and later wrote self critically for having overemphasized both the sense in which it was a continuance of World War I and the capacity of nonfascist Europe to resist the Nazis Thomas was one of the few public figures to oppose President Franklin Roosevelt s internment of Japanese Americans following the attack on Pearl Harbor Thomas accused the ACLU of dereliction of duty when the organization supported the internment Thomas also campaigned against racial segregation environmental depletion anti labor laws and practices and in favor of opening the United States to Jewish victims of Nazi persecution in the 1930s Thomas was an early proponent of birth control He also deplored the secular objection to birth control because it originated from racial and national group think Thomas was also very critical of Zionism and of Israel s policies towards the Arabs in the postwar years especially after the Suez Crisis and often collaborated with the American Council for Judaism , **The Strangest Dream** Robbie Lieberman,2010-07-01 originally published by Syracuse University Press May 2000 Drawing on extensive archival material and oral history Robbie Lieberman illustrates how grassroots peace activism in the United States became associated with Communist subversion after World War II This association gave proponents of the Cold War a powerful weapon with which to try to silence the opposition This weapon anti communism was extremely effective until the early 1960s and its effects linger even today The persecution of peace activists as subversives dates back to the colonial era but the specific link between communism and peace developed out of the unique conditions of the Cold War Communist agitation for peace American notions of national security and freedom that rested on containing communism at all costs Not until peace organizations challenged external and internal anti Communist attacks were they able to achieve a new level of respectability The end of the Cold War enabled scholars to take a fresh look at the peace movement in the early part of that era and how it was affected by fears about communism whether imagined or real With this book Lieberman seeks to clarify American attitudes about peace and the fate of the peace movement in ways that previous studies have overlooked or avoided The Socialist Party of America Jack Ross,2015-04-15 A complete history of the Socialist Party of America beginning with the roots of American Marxism in the nineteenth century **Democrats and Progressives** Allen Yarnell,2023-11-15 Democrats and Progressives The 1948 Presidential Election as a Test of Postwar

Liberalism examines the role and influence of the 1948 Progressive Party led by Henry A Wallace on the Democratic Party during one of the most pivotal elections in American history Third parties have historically shaped U S politics by drawing attention to critical issues but the Progressive Party s focus on foreign policy set it apart Wallace s campaign which criticized U S foreign actions faced accusations of being un American and soft on Communism undermining its broader appeal Despite claims by Wallace and his supporters that their efforts forced President Truman to adopt progressive policies the evidence suggests otherwise Historical analyses including Truman s own accounts indicate that the Progressive Party s presence did not shift the Democrats policies leftward Instead it may have bolstered Truman s position by allowing him to adopt firm foreign policy stances ultimately contributing to his victory While some historians like Rexford Tugwell and Curtis MacDougall argue for the Progressives impact others counter that the Democrats strategy was already aligned with centrist and pragmatic goals before the Wallace movement gained traction This study challenges the notion that third parties always influence major parties positively suggesting that in 1948 the Progressives served more as a foil than a catalyst for Democratic success This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1974

Voices of Protest Alan Brinkley, 1983-08-12 The study of two great demagogues in American history Huey P Long a first term United States Senator from the red clay piney woods country of northern Louisiana and Charles E Coughlin a Catholic priest from an industrial suburb near Detroit Award winning historian Alan Brinkley describes their modest origins and their parallel rise together in the early years of the Great Depression to become the two most successful leaders of national political dissidence of their era Winner of the American Book Award for History

The Romance of History Scott L. Bills, E. Timothy Smith, 1997 A collection of articles and essays reflecting the varied professional interests of diplomatic historian Lawrence Kaplan Drawn largely from Kaplan s former students now scholars in their own right there are also contributions from senior colleagues

Conscience Louisa Thomas, 2011-06-02 Norman Thomas and his brothers upbringing prepared them for a life of service but their calls to conscience threatened to tear them apart Conscience is Louisa Thomas s beautifully written account of the remarkable Thomas brothers at the turn of the twentieth century At a time of trial each brother struggled to understand his obligation to his country family and faith Centered around the story of the eldest Norman Thomas later the six time Socialist candidate for president the book explores the difficult decisions the four brothers faced with the advent of World War I Sons of a Presbyterian minister and grandsons of missionaries they shared a rigorous moral upbringing a Princeton education and a faith in the era s spirit of hope Two became soldiers Ralph enlisted right away heeding President Woodrow Wilson s call to fight for freedom A captain in the Army Corps of Engineers he was ultimately wounded in France Arthur the youngest was less certain about the righteousness

of the cause but sensitive to his obligation as a citizen and like so many men eager to have a chance to prove himself The other two were pacifists Evan became a conscientious objector protesting conscription when the truce was signed on November 11 1918 he was in solitary confinement Norman left his ministry in the tenements of East Harlem New York and began down the course he would follow for the rest of his life fighting for civil liberties social justice and greater equality and against violence as a method of change Conscience reveals the tension among responsibilities beliefs and desires between ideas and actions and sometimes between brothers Conscience moves from the gothic buildings of Princeton to the tenements of New York City from the West Wing of the White House to the battlefields of France tracking how four young men navigated a period of great uncertainty and upheaval A Thomas family member herself Norman was Louisa's great grandfather Thomas proposes that there is something we might recover from the brothers' debates about conscience a way of talking about personal liberty and social obligation about being true to oneself and to one another

The Politics of Nonassimilation David Verbeeten, 2017-05-15 Over the course of the twentieth century Eastern European Jews in the United States developed a left wing political tradition Their political preferences went against a fairly broad correlation between upward mobility and increased conservatism or Republican partisanship Many scholars have sought to explain this phenomenon by invoking antisemitism an early working class experience or a desire to integrate into a universal social order In this original study David Verbeeten instead focuses on the ways in which left wing ideologies and movements helped to mediate and preserve Jewish identity in the context of modern tendencies toward bourgeois assimilation and ethnic dissolution Verbeeten pursues this line of inquiry through case studies that highlight the political activities and aspirations of three generations of American Jews The life of Alexander Bittelman provides a lens to examine the first generation Born in Ukraine in 1892 Bittelman moved to New York City in 1912 and went on to become a founder of the American Communist Party after World War I Verbeeten explores the second generation by way of the American Jewish Congress which came together in 1918 and launched significant campaigns against discrimination within civil society before and especially after World War II Finally he considers the third generation in relation to the activist group New Jewish Agenda which operated from 1980 to 1992 and was known for its advocacy of progressive causes and its criticism of particular Israeli governments and policies By focusing on individuals and organizations that have not previously been subjects of extensive investigation Verbeeten contributes original research to the fields of American Jewish intellectual and radical history His insightful study will appeal to specialists and general readers interested in those areas

Unveiling the Power of Verbal Artistry: An Emotional Sojourn through **Pacifists Progress Norman Thomas And The Decline Of American Socialism**

In a world inundated with monitors and the cacophony of fast transmission, the profound energy and emotional resonance of verbal art frequently diminish into obscurity, eclipsed by the regular onslaught of sound and distractions.
