Pack Of Cards And Other Stories:

Readings and writings in America. *The frozen deep, and other stories* William Wilkie Collins, 1874 *Queen of Spades and Other Stories* Alexander Pushkin, 2018-01-01 This collection of Pushkin's stories begins with *The Queen of Spades* perhaps the most celebrated short story in Russian literature The young Hermann while watching some friends gambling hears a rumour of how an officer's grandmother is always able to predict the three winning cards in a game He becomes obsessed with the woman and her seemingly mystical powers and seeks to extract the secret from her at any cost This volume part of a new series of the complete works of Pushkin in English also includes *Dubrovsky* the story of a man's desire to avenge himself after his land is unjustly taken from him by an aristocrat *The Negro of Peter the Great* a tale inspired by Pushkin's maternal grandfather and the unfinished story *Egyptian Nights* a meditation on poetry and the poet Together they represent some of the most striking and enduring pieces of Pushkin's prose fiction **The Frozen Deep and Other Stories** Wilkie Collins, 1874 **The red-hot dollar, and other stories from the Black Cat** Herman Daniel Umbstaetter, Jack London, 2025-01-22 It lacked three minutes of five by the big clock in the tower when the east bound Chicago express rumbled into the station at Buffalo The train had not yet come to a standstill when a hatless man jumped from the platform of the rear sleeping car and ran across the tracks into the depot restaurant A few minutes later he reappeared carrying a cup of coffee in one hand and a small paper bag in the other With these he hurriedly made his way back to the car through a straggling procession of drowsy tourists who were taking advantage of the train's five minutes stop to breathe the crisp morning air The last of these had already resumed his seat when the man without a hat again appeared at the lunch counter returned the borrowed dishes and ordered coffee for himself He had just picked up the cup and was raising it to his lips when the conductor's *All aboard* rang through the station *The Box Social and Other Stories* James Reaney, 1996 *The Box Social* Other Stories gathers together nine of James Reaney's short fictions written in the 40s and early 50s and never previously collected in book form The collection takes its title from a short piece the author originally published in the *University College Undergrad* and which provoked a firestorm of eight hundred angry letters from subscribers when it was republished nationally in the *New Liberty* in the late 40s It also thwarted the young author's designs on the editorship of the *Undergrad* because of his clear moral unsuitability for such an august position This is doubtful because the *Undergrad* eventually came to be edited thirty years later by PQL publisher Tim Inkster *The Box Social* is remarkable not only that it introduced the theme of date rape to Canadian literature some thirty years before the phrase was coined but also that it is told from Sylvia's point of view and yet again that it ends with one of the quietest lines of literary vitriol imaginable I hated you so much she said softly If Alice Munro has put the sexually awakening female under glass in *Lives of Girls and Women* then *The Box Social* could just as easily have been titled *Lives of Boys and Men* In *The Bully* the brutality of what passes for etiquette in secondary school is contrasted with the simpler life of the farm personified in Noreen who drops grain in the shape of letters

to feed her chickens so that when the hens ate the grain they were forced to spell out Noreen's initials or to form a cross and circle. There were just enough hens to make this rather an interesting game. Sometimes I know Noreen spelled out whole sentences in this way a letter or two each night and I often wondered to whom she was writing up in the sky. The Bully was included in *The New Oxford Book of Canadian Short Stories* edited by Margaret Atwood and Robert Weaver. The young Margaret Atwood first encountered *The Bully* as an undergraduate. She read the story oddly enough in an anthology edited by Robert Weaver and the experience was apparently seminal to her own development as a writer of fiction. **Father Goriot, and other stories** Honoré de Balzac, 1901
