dead man or the cause of his death At the inquest the jury rules it a Death from Natural Causes But even if they are correct how did this unfortunate stranger meet his end in Harold s home Determined to uncover the whole truth Harold seeks the help of Dr Lancelot Priestley A retired professor of applied mathematics Dr Priestley employs a simple but unusual method of logical reasoning to shed light on what proves to be a dark and exceedingly curious affair

Paddington to Birkenhead

Michael H C Baker,2025-03-30 One of the most diverse complex and thus most interesting railway routes in the land It set out as part of Brunel s Great Western Railway plan to cover the country in Broad Gauge tracks but faced with competition from its great rival the London and North Western Railway the Broad Gauge never got beyond Wolverhampton and eventually succumbed to the four feet eight and a half inches proponents However by then the GWR had established itself as the principal provider of passenger and freight trains between London and Birkenhead on the west bank of the Mersey facing and on occasions snarling at the LNWR opposite Its most powerful locomotives the Kings powered its expresses from 1927 until the end of steam as far as Birmingham and Wolverhampton whilst Stanier Pacifics worked those between Euston and Liverpool Lime Street The route passes through the manicured fields and hunting country of the Chilterns then plunges into that was once the deeply industrial polluted but still productive Black Country before emerging into Shropshire now essentially rural but where the Industrial Revolution may be said to have originated As the line approaches the important junction of picturesque Shrewsbury possessor of a station built out over the River Severn and the largest traditionally worked signal box in the world the Welsh mountains appear on the western horizon The line then enters the Principality before returning to England at Chester and the final stretch along the banks of the Mersey to journey s end
