Pagan Of Days Celebrating Festivals And Sacred Days Through The Millenium:

Romance 101 Gregory J. P. Godek,1993 Women love its message men like its irreverent attitude The phenomenal success of Godek s first two books 1001 Ways To Be Romantic and 1001 More Ways ensures the success of his third a perfect combination of information and inspiration *Heretic Queen* Susan Ronald,2012-08-07 Acclaimed biographer Susan Ronald delivers a stunning account of Elizabeth I that focuses on her role in the Wars on Religion the battle between Protestantism and Catholicism that tore apart Europe in the 16th Century Elizabeth s 1558 coronation procession was met with an extravagant outpouring of love Only twenty five years old the young queen saw herself as their Protestant savior aiming to provide the nation with new hope prosperity and independence from the foreign influence that had plagued her sister Mary s reign Given the scars of the Reformation Elizabeth would need all of the powers of diplomacy and tact she could summon Extravagant witty and hot tempered Elizabeth was the ultimate tyrant Yet at the outset in religious matters she was unfathomably tolerant for her day There is only one Christ Jesus one faith Elizabeth once proclaimed All else is a dispute over trifles *Heretic Queen* is the highly personal untold story of how Queen Elizabeth I secured the future of England as a world power Susan Ronald paints the queen as a complex character whose apparent indecision was really a political tool that she wielded with great aplomb

Historical Dictionary of the Friends (Quakers) Margery Post Abbott,2012 The modern reputation of Friends in the United States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from

war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the Historical Dictionary of the Friends Quakers relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful

Augustine and the Jews Paula Fredriksen, 2010-10-12 Now in paperback with a new postscript this updated edition of Paula Fredriksen's critically acclaimed *Augustine and the Jews* traces the social and intellectual forces that led to the development of Christian anti Judaism and shows how and why Augustine challenged this tradition Drawing us into the life times and thought of Augustine of Hippo 396-430 Fredriksen focuses on the period of astounding creativity that led to his new understanding of Paul and to his great classic *The Confessions* She shows how Augustine's struggle to read the Bible led him to a new theological vision one that countered the anti Judaism not only of his Manichaean opponents but also of his own church The Christian Empire Augustine held was right to ban paganism and to coerce heretics But the source of ancient Jewish scripture and current Jewish practice he argued was the very same as that of the New Testament and of the church namely God himself Accordingly he urged Jews were to be left alone Conceived as a vividly original way to defend Christian ideas about Jesus and about the Old Testament Augustine's theological innovation survived the collapse of the Western Roman Empire and it ultimately served to protect Jewish lives against the brutality of medieval crusades *Augustine and the Jews* sheds new light on the origins of Christian anti Semitism and through Augustine opens a path toward better understanding between two of the world's great religions

Jews, Christians, and Muslims in Conflict and Competition, Volume II F. E.
