Pagan Origins Of The Christ Myth John G. Jackson, 1989-12

Christian Mythology Philippe Walter, 2014-11-20 Reveals how Christian mythology has more to do with long standing pagan traditions than the Bible Explains how the church fathers knowingly incorporated pagan elements into the Christian faith to ease the transition to the new religion Identifies pagan deities that were incorporated into each of the saints Shows how all the major holidays in the Christian calendar are modeled on pagan rituals and myths including Easter and Christmas In this extensive study of the Christian mythology that animated Europe in the Middle Ages author Philippe Walter reveals how these stories and the holiday traditions connected with them are based on long standing pagan rituals and myths and have very little connection to the Bible The author explains how the church fathers knowingly incorporated pagan elements into the Christian faith to ease the transition to the new religion Rather than tear down the pagan temples in Britain Pope Gregory the Great advised Saint Augustine of Canterbury to add the pagan rituals into the mix of Christian practices and transform the pagan temples into churches Instead of religious conversion it was simply a matter of convincing the populace to include Jesus in their current religious practices Providing extensive documentation Walter shows which major calendar days of the Christian year are founded on pagan rituals and myths including the high holidays of Easter and Christmas Examining hagiographic accounts of the saints he reveals the origin of these symbolic figures in the deities worshipped in pagan Europe for centuries He also explores how the identities of saints and pagan figures became so intermingled that some saints were transformed into pagan incarnations such as Mary Magdalene's conversion into one of the Celtic Ladies of the Lake In revealing the pagan roots of many Christian figures stories and rituals Walter provides a new understanding of the evolution of religious belief

The Greatest Story Ever Forged (Curse of the Christ Myth) David Hernandez, 2009-09 Is God fact

or fiction This is the question that has been the subject of debate for millennia oftentimes leading to violence as we have seen in the countless religious wars throughout the course of history including the Islamic and Christian wars of today The Greatest Story Ever Forged discusses this question and outlines the fabrications giving birth to these monotheistic religions their early developments and how they have tyrannized the West and Middle East for these many centuries Though there have been many defenders of the faith David Hernandez shows how these religions have infinitely caused more damage to man than any good they have ever been credited for having done This is what he calls the Curse of the Christ Myth which derives from the big lie as propounded by the inventors of the Christ Myth who battled as fiercely among themselves as they did against their detractors or non believers These include everyone from the Jews to the Pagans to the Gnostics to the heretics and any form of infidels in an effort to establish their true religions

Shattering the Christ Myth James Patrick Holding, 2008-06 How To Get Rid of Jesus Prove He Didn't Exist A popular question posed by Christians today asks WWJD which stands for What Would Jesus Do For more and more Skeptics of Christianity however the answer to this question is JDNE which stands for Jesus did not exist In this volume edited by prominent Internet apologist James Patrick Holding a team of Christian authors provide a series of essays giving detailed answers to those who argue for the Christ myth Though rejected by mainstream scholars this theory continues to grow in popularity among popular writers and Internet antagonists The need for Christians to be ready to give an answer to it will only become more urgent Here's a clear and compelling rebuttal to fallacious claims that keep resurfacing in books and on the Internet It's well researched expertly presented and ultimately convincing Lee Strobel author The Case for the Real Jesus

Jesus: Evidence and Argument or Mythicist Myths? Maurice Casey, 2014-01-16 Did Jesus exist In recent years there has been a massive upsurge in public discussion of the view that Jesus did not exist This view first found a voice in the 19th century when Christian views were no longer taken for granted Some way into the 20th century this school of thought was largely thought to have been utterly refuted by the results of respectable critical scholarship from both secular and religious scholars Now many unprofessional scholars and bloggers mythicists are gaining an increasingly large following for a view many think to be unsupportable It is starting to influence the academy more than that it is starting to influence the views of the public about a crucial historical figure Maurice Casey one of the most important Historical Jesus scholars of his generation takes the mythicists to task in this landmark publication Casey argues neither from a religious perspective nor from that of a committed atheist Rather he seeks to provide a clear view of what can be said about Jesus and of what can't

Jesus Never Lived! Laurence Dalton, Shirley Dalton, 2013-04-20 Jesus Never Lived Volume 1 Jesus Christ A Pagan Myth 3rd Revised and Expanded Edition Over 225 pages have been added to the previous edition Jesus Christ A Pagan Myth explores the pagan origins of Christianity and shows that Jesus Christ never lived This book is for doubting Christians x believers atheists agnostics and those who are just plain curious about whether a man could walk on water We have focused on the evidence of the Roman Empire in the first and

early second centuries CE Part 1 is a 170 page detailed analysis of the Gospel of Mark It shows that the religious beliefs of Mark were derived from the pagan world The Gospel is a pagan myth in Jewish dress as Bruno Bauer pointed out more than 100 years ago Our analysis deals with questions like Why does Mark share anti Jewish beliefs like those of the pagan historian Tacitus Why are the last words of Jesus dying on the cross Why have you God abandoned me Why does Jesus feel he is dying a failure that he has been abandoned by God Part 2 Who Created Jesus Paul was a member of a mystery religion otherwise why is there a striking similarity between the religion of Paul and the pagan mystery religions which surrounded him The 225 pages of Part 2 provide a detailed analysis which shows that the Paulinists followers of Paul created the Jesus of the Gospel of Mark or at least proto Mark The reader may wonder if the followers of Paul created the Markan Jesus how do we deal with the following questions Why does Paul s cosmic savior the triumphant divine Christ not appear in the Markan Gospel but rather Jesus a human failure dying in despair on the cross Why were Jesus and his disciples spiritually defective Jesus s lack of faith of Jesus on the cross Peter s three denials of Jesus Why does Paul know nothing about the historical Jesus Christ of Mark s Gospel Paul does not know that Jesus was born in Bethlehem performed miracles taught people was tried by Pilate and died in Jerusalem etc How was it that Paul s savior offered salvation to all at least to non Jews whereas the mission of Mark s historical Jesus was only to Jews Why does the human Jesus become semi divine in the birth scenes in Matthew and Luke and totally divine in John s Gospel Jesus Never Lived Volume 1 Jesus Christ A Pagan Myth answers all of the questions listed above and more The 400 pages provide much evidence to show that Jesus is a pagan myth in Jewish dress Jesus never existed For more see the Look Inside feature for the Table of Contents etc Also see Jesus Never Lived Volume 2 Jesus and Plato on Hell is a supplemental volume which examines the Pagan views on how one is saved and on the afterlife as found in Plato and the Stoic writings of Seneca These pagan views are compared with the Christian views found in the Gospel of Mark and the letters of Paul Our conclusion is that the Christian views on salvation and the nature of the afterlife were derived from the pagan world thus providing more evidence for the mythical Jesus Jesus Christ never lived Jesus is a pagan myth Christ is a literary fiction Jesus Never Lived Volume 3 The Pagan Morals of Jesus Christ provides supplementary evidence that Jesus is a pagan myth by showing that Christian ethics were derived from the pagan world particularly from the Roman Stoics

Black Christology and the Quest for Authenticity John H. McClendon III, 2019-05-03 Black Christology and the Quest for Authenticity A Philosophical Appraisal constitutes a philosophical inquiry on Black Theology and its attendant Black Christology Explicitly the philosophical examination of Black Theology conceptually maps its quest for establishing Black Christology as an authentic form within Christian theology This text critically expounds on the methodologies and arguments which guide how Black Theology specifically affirms Black Christology as the definitive paradigm for authentic Christianity Significantly the racialized character of Black Theology immediately sets this discourse within the context of philosophy of race Clearly the philosophy of race in terms of its substance and scope is continually expanding Notably the philosophy of

religion in its conceptual association with the African American experience considerably enriches the content of the philosophy of race Therefore Black Christology and the Quest for Authenticity A Philosophical Appraisal stands as a unique contribution to philosophy of race Summarily while this book tackles the formidable problem of Christian theological subject matter nonetheless the reader must be aware that this is not a work executed methodologically in any theological manner inclusive of Christian theology Subsequently while the object of our investigation substantively remains theological in character the method of investigation is guided by philosophical inquiry which is based on secular principles Furthermore although most mainstream works in philosophy of religion along with theology neglect to exam African American theologians and philosophers the subject matter of Black Christology substantially facilitates in filling this intellectual void
