Pagans In My Blood:

The Pagan Stone Nora Roberts, 2019-08-20 1 New York Times bestselling author Nora Roberts electrifying trilogy comes to an end as three men and three women join forces and hearts to battle the ultimate evil Years ago after their blood brother ritual Gage Fox and Caleb each emerged from the woods with a piece of bloodstone Now it will become their weapon in the final fight against the demon they awakened Winner take all Shared nightmares visions of blood and fire and random violence begin to plague the longtime friends and the women bound to them by fate None of them can ignore the fact that this year the demon has grown stronger feeding off of the terror it creates But now the three pieces of the bloodstone have been fused back together If only they could figure out how to use it A gambling man like Gage has no trouble betting on his crew to find a way And though he and Cybil share the gift of seeing the future that s all they share But Gage knows that a woman like Cybil with her brains and strength and devastating beauty can only bring him luck Good or bad has yet to be determined and could mean the difference between absolute destruction or an end to Hawkins Hollow s nightmare Don t miss the other books in the Sign of Seven Trilogy *Blood Brothers* *The Hollow*

Jewish Martyrs in the Pagan and Christian Worlds Shmuel Shepkaru, 2006 This book presents a linear history of Jewish martyrdom from the Hellenistic period to the high Middle Ages Following the chronology of sources the study challenges the general consensus that martyrdom was an original Hellenistic Jewish idea Instead Jews like Philo and Josephus internalized the idealized Roman concept of voluntary death and presented it as an old Jewish practice The centrality of self sacrifice in Christianity further stimulated the development of rabbinic martyrology and the talmudic guidelines for passive martyrdom However when forced to choosed between death and conversion in medieval Christendom Ashkenazic Jews went beyond these guidelines sacrificing themselves and loved ones Through death not only did they attempt to prove their religiosity but also to disprove the religious legitimacy of their Christian persecutors While martyrs and martyrologies intended to show how Judaisim differed from Christianity they in fact reveal a common mindset

Crafting Contemporary Pagan Identities in a Catholic Society Kathryn Rountree, 2016-05-13 Contemporary western Paganism is now a global religious phenomenon with Pagans in many parts of the world sharing much in common from a nature revering worldview and lifestyle to a host of chants invocations ritual tools and magical practices But there are also locally specific differences Local religious contexts landscapes histories traditions politics values and norms all impact on local Paganisms

This is nowhere more evident than in a strongly Catholic society where religion and culture are deeply entwined Taking the Mediterranean society of Malta as a case study this book invites readers inside the world of a small hidden sub culture Showing what it is like being Pagan in a society where the vast majority of the population is Roman Catholic and Catholicism permeates every sphere of public and domestic social and political life Rountree reveals that Paganism here is a unique brew of indigenous and global influences Pagans employ both creativity and borrowing in constructing identities within a cultural context characterized by antagonism as well as continuity This book explores the intersections of religious and cultural identity the global and local Paganism and Christianity with insights grounded in rich ethnographic detail based on long term fieldwork Rountree makes invaluable comparisons with other studies of modern Pagans and their various worlds *Pagan Tribes of the Nilotic Sudan* C.
