Painted Hero:

The Haunting of Hero's Bay Amanda Block, 2025-10-09 The sea doesn't forget. It knows all of this has happened before and will happen again. 1840. As a vast ship loses its way in the night time mist shattering against the cliffs of Crescombe North Devon a daring young artist dives into the murky sea. But it's not for heroism he is risking all something or someone is drawing him into those dark perilous waters. By dawn only his legacy will survive. Now When Finley arrives in Crescombe for the summer he suspects he's not alone in his attic bedroom. Before long he is uncovering secrets the remote seaside town has kept for almost two centuries about ghosts and curses about a ruthless old smuggling family and about the young women whose bodies have washed up along the town's rocky shoreline just below his porthole window. Yet the more Finley learns the further he's bonded to those who have gone before him and the closer he comes to meeting the same watery end. But this is not just a story about death. It's about love. It's about fate. And how ultimately the past can pull you under. Praise for *The Lost Storyteller*. A powerful novel about how stories connect us all. Jenny Colgan. A warm immersive read that weaves folklore through a story of self discovery. Kate Sawyer. A moving story and vivid characters. But it also has that special indefinable something. One of my books of the year. Tracy Rees. *The Fun Factory* Rob King, 2008-12-10 From its founding in 1912 the short lived Keystone Film Company home of the frantic bumbling Kops and Mack Sennett's *Bathing Beauties* made an indelible mark on American popular culture with its high energy comic shorts. Even as Keystone brought lowbrow comic traditions to the screen the studio played a key role in reformulating those traditions for a new cross class audience. In *The Fun Factory* Rob King explores the dimensions of that process arguing for a new understanding of working class cultural practices within early cinematic mass culture. He shows how Keystone fashioned a style of film comedy from the roughhouse humor of cheap theater pioneering modes of representation that satirized film industry attempts at uplift. Interdisciplinary in its approach *The Fun Factory* offers a unique studio history that views the changing politics of early film culture through the sociology of laughter. *My Name's Friday* Michael J. Hayde, 2001 A history of the police drama *Dragnet* and its creator and producer Jack Webb from its beginnings as a successful radio show to its acclaimed run on television in the 1950s and later color version in the 1960s. Icon: A Hero's Welcome Dwayne McDuffie, 1996-11-19 The flagship character from Milestone Comics is back in this new printing of the classic title collecting *ICON* 1-8. This is the title that introduced Augustus Freeman a successful lawyer who covertly uses his alien super powers to help those in need. But when a teenaged girl from the streets convinces him to use his abilities to inspire his people and becomes his sidekick Rocket the affluent Augustus embraces his true destiny and becomes Icon the hero of Dakota.
