Hans Holbein the Younger Maria Tsaneva, 2014-12-28 This Art Book with Foreword by Maria Tsaneva contains 101 selected annotated reproductions of engravings paintings and drawings from Hans Holbein the Younger Hans Holbein the Younger was German painter draftsman and designer who worked in a Northern Renaissance style renowned for the precise rendering of his drawings and the compelling realism of his portraits Holbein was one of the greatest portraitists and most exquisite draftsmen of all time It is the artist's record of the court of King Henry VIII of England as well as the taste that he virtually imposed upon that court that was his most remarkable achievement He also produced religious art satire and made a significant contribution to the history of book design He is called the Younger to distinguish him from his father Hans Holbein the Elder an accomplished painter of the Late Gothic School Holbein has also been described as a great one off of art history since he founded no school After his death some of his work was lost but much was collected and by the 19th century Holbein was recognized among the great portrait masters

Hans Holbein the Younger Erika Michael, 1997 Addressing the critical reception of painter Hans Holbein the Younger 1497-98-1543 this volume consists of two parts The first section comprises a series of short essays reflecting responses to Holbein throughout history which forged his critical and popular reputation This section also includes overviews of the most important monographs and exhibitions as well as a selection of research published since 1980 The second much larger part is an annotated bibliography containing some 2 500 entries on a range of subjects including books essays in scholarly journals and articles published in the popular media Annotation copyrighted by Book News Inc Portland OR

Hans Holbein Mark W. Roskill, John Oliver Hand, 2001 This study brings together leading scholars from Europe and the United States to consider the art of Hans Holbein the Younger 1497-98-1543 from a variety of perspectives and disciplines Generously illustrated and based on the most up to date research the book is essential reading for anyone with an interest in Holbein the Younger and his magnificent art In chapters relating to artistic exchange the contributors discuss what Holbein knew of French and Italian art and how he utilized this knowledge Conservation and technical chapters examine the materials and techniques in the painting The Ambassadors and documentary evidence on a series of festival paintings on canvas Two contributors examine the artist's woodcuts particularly Dance of Death in the light of contemporary political and theological issues In addition the historical and theoretical circumstances and contexts of Holbein's portraits are investigated notably their associations with

classical antiquity and its revival in humanist thought The book also considers the impact of the first scholarly monograph on Holbein's reception and how German Romantic literary art criticism of the early nineteenth century shaped an image of his life and art

Hans Holbein Pascal Griener, Oskar Bätschmann, 2013-10-15 Hans Holbein the Younger was the leading artist of the Northern Renaissance yet his life and work are not nearly as well documented as those of his contemporaries Leonardo da Vinci or Michelangelo That omission has been remedied with this acclaimed study by Oskar Bätschmann and Pascal Griener Hans Holbein chronicles the life and oeuvre of Holbein 1497-1543 as Bätschmann and Griener apply their considerable knowledge to explore the full range of cultural and social influences that affected him and his work The artist's friendships with leading thinkers such as Erasmus and Thomas More the development of his painting style and the cultural influences on his work are all discussed here in this unparalleled and in depth biography that will be essential to the bookshelf of every art lover This second edition includes an expanded introduction and additional images
