Once Upon a Time J. Randy Taraborrelli, 2003-04-01 From master storyteller J Randy Taraborrelli comes the powerful and moving story of one of royalty's most secretive families Grace Kelly was swept away when the handsome Prince Rainier a man she barely knew asked for her hand in marriage After a series of relationships with married co stars she was exhausted by the show business lifestyle If she married Rainier she would be more than just a movie star she would be Her Serene Royal Highness Princess Grace Once in the palace however Grace found herself trapped in a fairy tale of her own making Forced to make sacrifices that cut deeply into the core of who she was as a woman she would then surrender her desires and ambitions for her spouse and her children Grace and Rainier may have been royalty but they were also husband and wife and parents and as such just as vulnerable to the conflicts that can contaminate any household Drawing upon hundreds of exclusive interviews with family and friends ONCE UPON A TIME portrays its subjects with passion and sympathy revealing Grace Rainier Caroline Albert and Stephanie in ways both startling and compelling

Great Survivors Peter Conradi, 2018-01-01 In this riveting and extensively researched account Peter Conradi the celebrated author of The King's Speech offers an uncompromising portrayal of Europe's royals and reveals the scandals excesses conflicts and interests hidden behind the pomp of ceremonial garb and the grandeur of official functions At a time when Western society appears to be demanding more equality and democracy people's fascination with monarchies shows no signs of waning Taking the reader on a journey between past and present into a world populated by great celebrities such as Wallis Simpson Grace Kelly and Princess Diana as well as lesser known and slightly murkier aristocratic figures The Great Survivors analyses the reasons behind this apparent paradox by looking at the history of the main European dynasties including the Windsors and their predecessors and providing a glimpse into their world their lives and their secrets

Bobby and Jackie C. David Heymann, 2009-07-14 From the New York Times bestselling author of A Woman Named Jackie comes this in depth and well researched look at the complex relationship that existed between Bobby Kennedy and Jacqueline Kennedy Onassis 50 b w photos throughout

American Legacy C. David Heymann, 2007-07-10 From the moment of their births John and Caroline Kennedy occupied a central position in what is generally regarded as the most famous family in the United States if not the world Even as young children growing up in the White House their most subtle gestures and actions made headlines Yet until now they have not been the subject of a dual biography In that sense this volume represents a first In American Legacy 1 New York Times

bestselling author C David Heymann draws upon a voluminous archive of personal interviews to present a telling portrait of John and Caroline Kennedy. A longtime biographer of various members of the Kennedy clan including Jackie and Robert Kennedy, Heymann covers John's and Caroline's childhood in the White House, the dark aftermath of their father's assassination, their uneasy adolescence, and the many challenges they faced as adults, all under the glaring eye of the media. He reveals John's and Caroline's loving but at times trying relationship with their larger-than-life mother, as well as Jackie's own emotional struggles, romantic relationships, and financial concerns following JFK's death. Other revelations brought to light for the first time in *American Legacy* include the assassination attempt made on Jackie just before she gave birth to John Jr., JFK Jr.'s romantic escapades prior to marrying Carolyn Bessette, and accounts of the predominantly happy marriage they shared despite criticisms from questionable sources, the shocking report of the autopsy performed on John following the tragic plane crash that killed him, Carolyn and her sister Lauren Caroline's rise to become one of the wealthiest women in America, and her life now as the sole keeper of her family's magnificently complex legacy. Utterly compelling and full of new and fascinating details, *American Legacy* overturns much of what we thought we knew about two of the most talked-about members of the Kennedy family.
