Pushkins Button:

Pushkin's Button Serena Vitale, 2000 Pushkin's Button is an astonishing tour de force a riveting narrative about the four months of Pushkin's life leading up to his death on January 27 1837 At the same time the book is an astute original assessment of Pushkin's literary and national importance a luminous homage to a tragic genius that sparkles with Pushkin's own genial wit The rich international yet very Russian world of St Petersburg in the 1830s comes wonderfully to life with its imperial balls political and literary gossip and beautiful women notable among them Natalya Pushkin the poet's wife Serena Vitale adds yet another level to the narrative with absorbing references to her own archival detective work and exciting discoveries

Pushkin's Button Serena Vitale, 1999-03 *Extravagances* Cristina Giorcelli, Paula Rabinowitz, 2015-12-01 This final volume in the four volume series *Habits of Being* shows how the dialectic between everyday appearance and outrageous acts is mediated through clothing and accessories It considers how clothing and accessories can move quickly from the ordinary to the extravagant Employing many different approaches these essays explore how wearing an object a crown a flower an earring a corsage a veil even a length of material can stray beyond the bounds of the body on which it is placed into the discrepant territory of flagrantly excessive public signs of love status honor prestige power desire and display The varied contributions of scholars historians ethnographers literary and film critics and artists photographers sculptors writers weavers and embroiderers take up the threads of these forays into history psyche and aesthetics in surprising and useful ways With examples from around the world contributors address how the simple action of ornamenting the body even with something as common as a button are open to elaborate interpretations which themselves offer new understandings of human behavior and artistic endeavor When our habits of being receive close scrutiny they seem anything but habitual Contributors Mariapia Bobbioli Camilla Cattarulla U of Rome Three Paola Colaiacomo Sapienza U of Rome Maria Damon Pratt Institute of Art Joanne B Eicher U of Minnesota Maria Giulia Fabi U of Ferrara Margherita di Fazio Adeena Karasick Fordham U Tarrah Krajnak Pitzer College Charlotte Nekola William Paterson U Victoria R Pass Maryland Institute College of Art Amanda Salvioni U of Macerata Maria Anita Stefanelli U of Rome Three

Pushkin's Ode to Liberty M.A. DuVernet, 2014-12-26 Alexander Pushkin is Russia's most beloved poet Pushkin is a decedent of a noble family on his father's side and on his mother's side the great grandson of Peter the Great's Blackamoor slave who was presented with his freedom and became a general in the tsar's Navy Pushkin's poem Ode to Liberty brought hope to the Russian people during a time when other countries were defining their democracy He is considered to be the Shakespeare of Russian

literature having inspired many other writers to follow him He was revered for his masterpiece Eugene Onegin and like the hero in his masterpiece became changed by the woman he loved As a poet he was also known as the patron saint of dueling having fought many duels during his short life often over a matter of words or women His last duel was surrounded with mystery involving an anonymous letter accusing his wife of being unfaithful He fought this duel to defend his wife's honor and the mystery of the anonymous letter was never solved until now Explore the poetry and letters of Pushkin and read about his fascination with dueling issues with religion his struggles with censorship the years he spent in exile while still serving the autocracy his tribute to his comrades who fought in the Decembrist Uprising and his search for happiness as he finds and marries the most beautiful woman in all of Russia Author M A DuVernet tells a captivating story of a black poet in Russia during the 1800 s a man who believed in himself and became a legend in spite of the powerful few who hated him Two Hundred Years of Pushkin, Volume I ,2021-12-28 From his earliest publications onwards Pushkin has been the source of inspiration and imitation for other writers as well as composers painters and more recently film makers This book seeks to explore the different relationship his followers have sought with the founding father of modern Russian culture Pushkin's Secret Russian Writers Reread and Rewrite Pushkin takes a variety of approaches Some contributors to the collection trace the way Pushkin's works provided the template for the characters and stories which were produced in the first decades after his untimely death in 1837 Others reveal the impact the myths surrounding Pushkin's tragic life were used and abused by followers as well as governments of various hues Yet other studies explore the very precise ways Pushkin's successors used his texts as source material for their own works Pushkin's Secret Russian Writers Reread and Rewrite Pushkin offers a series of fascinating insights into the impact that Alexander Pushkin has had on Russian culture over the last 200 years Pushkin's Secret Russian Writers Reread and Rewrite Pushkin will be followed by two further volumes devoted to Pushkin within the SSLP series Pushkin Myth and Monument and Pushkin's Legacy *The Cambridge Companion to Pushkin* Andrew Kahn,2006-12-21 Alexander Pushkin stands in a unique position as the founding father of Russian literature In this Companion leading scholars discuss Pushkin's work in its political literary social and intellectual contexts In the first part of the book individual chapters analyse his poetry his theatrical works his narrative poetry and historical writings The second section explains and samples Pushkin's impact on broader Russian culture by looking at his enduring legacy in music and film from his own day to the present Special attention is given to the reinvention of Pushkin as a cultural icon during the Soviet period No other volume available brings together such a range of material and such comprehensive coverage of all Pushkin's major and minor writings The contributions represent state of the art scholarship that is innovative and accessible and are complemented by a chronology and a guide to further reading Selected Poetry Alexander Pushkin,2020-04-23 WINNER OF THE READ RUSSIA PRIZE 2020 Alexander Pushkin established what we know as Russian literature This collection includes his strongly personal lyric verse which springs spontaneously from his everyday life his numerous loves

his exile his hectic life in St Petersburg while the narrative poems here from exotic Southern tales to comic parodies and fairy tales of enchanted tsars display his endless ability to surprise His landmark work The Bronze Horseman with its ghostly central figure of Peter the Great holds the meaning of all Russian history Antony Wood s translations reveal the variety inventiveness and perfection of Pushkin s verse **Homosexual Desire in Revolutionary Russia** Dan Healey,2012-04-26

The first full length study of same sex love in any period of Russian or Soviet history Homosexual Desire in Revolutionary Russia investigates the private worlds of sexual dissidents during the pivotal decades before and after the 1917 Bolshevik Revolution Using records and archives available to researchers only since the fall of Communism Dan Healey revisits the rich homosexual subcultures of St Petersburg and Moscow illustrating the ambiguous attitude of the late Tsarist regime and revolutionary rulers toward gay men and lesbians Homosexual Desire in Revolutionary Russia reveals a world of ordinary Russians who lived extraordinary lives and records the voices of a long silenced minority **Uncommon Readers**

Christopher J. Knight,2003-01-01 Impressive in scope and erudition Christopher Knight s Uncommon Readers focuses on three critics whose voices mixing eloquence with pugnacity stand out as among the most notable independent critics working during the last half century The critics are Denis Donoghue Frank Kermode and George Steiner and their independence a striking characteristic in a time of corporate criticism is reflective of both their backgrounds Donoghue s Catholic upbringing in Protestant ruled Northern Ireland Kermode s Manx beginnings and Steiner s Jewish upbringing in pre Holocaust Europe and their temperaments Each represents a party of one a fact that has on the one hand made them the object of the occasional vituperative dismissal and on the other contributed to their influence and remarkable longevity Since the 1950s Steiner Donoghue and Kermode have each maintained a highly public profile regularly contributing to such influential publications as Encounter New Yorker New York Review of Books Times Literary Supplement and the London Review of Books This aspect of their work receives particular attention in Uncommon Readers for it illustrates a renewed interest in the role of the public critic especially in relation to the genre of the literary review essay and signals a sustained conversation with an educated public namely the common reader Knight makes the argument for the review essay as a serious and still viable genre and he examines the three critics in light of this assumption He expounds upon the critics separate interests Kermode s identification with discussions of canonicity Steiner s with cultural politics and Donoghue s with the persistent claims of the imagination while also revealing the ways in which their work often reflects theological interests Lastly he attempts to adjudicate some of the conflicts that have arisen between these critics and other literary theorists especially the post structuralists and to discuss the question of whether it is still possible for critics to work independently Original and deliberative Uncommon Readers presents a renewed defense of the tradition of the common reader **The Wounds of Possibility** Ricardo Gil Soeiro,2013-01-04 Bringing together writers translators poets and leading scholars of cultural theory literary theory comparative literature philosophy history political science music studies and education The Wounds of

Possibility aims to offer an in depth and wide ranging study of George Steiner s imposing body of work This book is a timely volume of important essays on one of the most provocative thinkers critics and philosophers now writing During an era in which the question of the ethical and of the status of the work of art and its relation to the theological dimension has returned with renewed urgency Steiner s work provides rich resources for reflection and it is hoped that the volume will stand on its own as a rich nuanced accompaniment to the reading of Steiner s work With their broad range of thematic foci theoretical approaches and stunning constellations of quoted material from different backgrounds all the essays in the book try to reflect upon the relation between human identity and language ethics and literature philosophy and art and they all offer what we regard as being the most comprehensive engagement with Steiner s work to date **Lanthanum** Henry Gould,2012 LANTHANUM is a long poem which emerged out of an unusual dream featuring the Gateway Arch Monument in St Louis Missouri Vladimir Nabokov and the Art of Moral Acts Dana Dragunoiu,2021-09-15 Winner 2022 Brian Boyd Prize for Best Second Book on Nabokov This book shows how ethics and aesthetics interact in the works of one of the most celebrated literary stylists of the twentieth century the Russian American novelist Vladimir Nabokov Dana Dragunoiu reads Nabokov s fictional worlds as battlegrounds between an autonomous will and heteronomous passions demonstrating Nabokov s insistence that genuinely moral acts occur when the will triumphs over the passions by answering the call of duty Dragunoiu puts Nabokov s novels into dialogue with the work of writers such as Alexander Pushkin William Shakespeare Leo Tolstoy and Marcel Proust with Kantian moral philosophy with the institution of the modern duel of honor and with the European traditions of chivalric literature that Nabokov studied as an undergraduate at Cambridge University This configuration of literary influences and philosophical contexts allows Dragunoiu to advance an original and provocative argument about the formation career and legacies of an author who viewed moral activity as an art and for whom artistic and moral acts served as testaments to the freedom of the will **Catherine the Great & Potemkin** Simon Sebag Montefiore,2021-08-04 A widely acclaimed biography from the bestselling author of The Romanovs One of the great love stories of history The Economist between Catherine the Great and the wildly flamboyant and talented Prince Potemkin Captures the genius of two extraordinary Enlightenment figures and of the age as well The Wall Street Journal Catherine the Great was a woman of notorious passion and imperial ambition Prince Potemkin was the love of her life and her co ruler Together they seized Ukraine and Crimea territories that define the Russian sphere of influence to this day Their affair was so tumultuous that they negotiated an arrangement to share power leaving each of them free to take younger lovers But these twin souls never stopped loving each other Drawing on the pair s intimate letters and on vast research Simon Sebag Montefiore restores these imperial partners to their rightful place as titans of their age Biography in the grand tradition Riveting The author is a gifted storyteller The Washington Post **Picturing Russia's Men** Allison Leigh,2020-09-17 Winner of the Heldt Prize for Best Book in Slavic East European and Eurasian Women s and Gender Studies 2021 There was

a discontent among Russian men in the nineteenth century that sometimes did not stem from poverty loss or the threat of war but instead arose from trying to negotiate the paradoxical prescriptions for masculinity which characterized the era *Picturing Russia's Men* takes a vital new approach to this topic within masculinity and art historical studies by investigating the dissatisfaction that developed from the breakdown in prevailing conceptions of manhood outside of the usual Western European and American contexts By exploring how Russian painters depicted gender norms as they were evolving over the course of the century each chapter shows how artworks provide unique insight into not only those qualities that were supposed to predominate but actually did in lived practice Drawing on a wide variety of source material including previously untranslated letters journals and contemporary criticism the book explores the deep structures of masculinity to reveal the conflicting desires and aspirations of men in the period In so doing readers are introduced to Russian artists such as Karl Briullov Pavel Fedotov Alexander Ivanov Ivan Kramskoi and Ilya Repin all of whom produced masterpieces of realist art in dialogue with paintings made in Western European artistic centers The result is a more culturally discursive account of art making in the nineteenth century one that challenges some of the enduring myths of masculinity and provides a fresh interpretive history of what constitutes modernism in the history of art **Anna of All the Russias** Elaine

Feinstein, 2007-12-18 In this definitive biography of the legendary Russian poet Elaine Feinstein draws on a wealth of newly available material including memoirs letters journals and interviews with surviving friends and family to produce a revelatory portrait of both the artist and the woman Anna Akhmatova rose to fame in the years before World War I but she would pay a heavy price for the political and personal passions that informed her brilliant poetry In *Anna of All the Russias* we see Akhmatova's work banned from 1925 until 1940 and again after World War II We see her steadfast opposition to Stalin even while her son was held in the Gulag We see her abiding loyalty to such friends as Mandelstam Shostakovich and Pasternak as they faced Stalinist oppression And we see how through everything Akhmatova continued to write her poetry giving voice to the Russian people by whom she was and still is deeply loved *Silent Love* Gerard Vries, 2019-08-28

The Real Life of Sebastian Knight is one of Vladimir Nabokov's most autobiographical novels and it has often been observed that Sebastian's passionate affair with the femme fatale Nina Rezhny is a dramatized extension of Nabokov's infatuation with Irina Guadanini In this book it is shown that the novel also conceals another secluded love affair Sebastian had with a man which reflects the main episode in the life of Nabokov's brother Sergey By pursuing many biographical and literary references and allusions and by disregarding the deceptive guiding by the narrator Sebastian's half brother this moving story about Sebastian's silent love becomes brightly visible *Eugene Onegin* Alexander Pushkin, 2010-11-14 *Eugene Onegin* 1823-31 is an eight chapter novel in sonnets The sonnet form employed is of Pushkin's own devising It enables him to modulate between tragic profundity and sparkling humour and from exquisite lyrical descriptions of nature to devastating satire Comparing the Penguin with the Dedalus leaves one in no doubt that whatever Nabokov might have made of it Dedalus's is superior It reads

fluently and when you check it off against Nabokov which is for all Wilson's despair frustratingly essential if you don't have any Russian you find far more often not that he has kept to the sense style and technique of the original This is a clever trick to pull off particularly when you consider that Beck is actually a musician an occasional translator from German who learnt Russian precisely in order to translate this work He has not to put it mildly wasted his time Giving himself the freedom to use half rhymes is entirely forgivable and means that he can follow the sharp breathtaking handbrake turns of Pushkin's own mood And now so can you Nick Lezard's paperback of the week in The Guardian Eugene Onegin is a bitter sweet love story It is set in a particular place Russia and in a particular time the 1820s but it is also as is all great literature universal and timeless Pushkin is one of the small sublime company of aesthetic geniuses who can be drawn from any art from any country and any time This fine new translation is wholly welcome Iain Sproat in Scotland on Sunday

Becoming Mikhail Lermontov David Powelstock, 2011-08-31 This interpretation of Russian poet Mikhail Lermontov reveals how his life and his works can be understood as manifestations of a coherent worldview It clarifies what has remained perplexing corrects what has been misinterpreted and illuminates Lermontov's views of many subjects *The Biography Book* Daniel S.

Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E's Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

Pushkins Button Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Pushkins Button free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Pushkins Button free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Pushkins Button free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Pushkins Button. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for

everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Pushkins Button any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Pushkins Button Books

What is a Pushkins Button PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Pushkins Button PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Pushkins Button PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Pushkins Button PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Pushkins Button PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities.

Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download.

Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information.

Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
