**The Beat** Kip Lornell, Charles C. Stephenson Jr., 2010-01-06 The Beat was the first book to explore the musical social and cultural phenomenon of go go music In this edition updated by a substantial chapter on the current scene authors Kip Lornell and Charles C Stephenson Jr place go go within black popular music made since the middle 1970s a period during which hip hop has predominated This styling reflects the District s African American heritage Its super charged drumming and vocal combinations of hip hop funk and soul evolved and still thrive on the streets of Washington DC and in neighboring Prince George s County making it the most geographically compact form of popular music Go go the only musical form indigenous to Washington DC features a highly syncopated nonstop beat and vocals that are spoken as well as sung The book chronicles its development and ongoing popularity focusing on many of its key figures and institutions including established acts such as Chuck Brown the Godfather of Go Go Experience Unlimited Rare Essence and Trouble Funk well known DJs managers and promoters and filmmakers who have incorporated it into their work The Beat provides longtime fans and those who study American musical forms a definitive look at the music and its makers , Voss Manuscripts Miraaya Gerald

Watson, 2006-11-01 With the threatened publication of The Voss Manuscripts the Arms for Iraq scandals of the 1980 s and early 1990 s return to haunt the newly elected Labour Government Geoffrey Voss ex Foreign Office Intelligence Liaison Officer has decided to recount how he was recruited as an alongsider for the Security Service MI5 and how he quickly discovered his mission had been compromised by those inside the establishment with deeply committed commercial interests His revelations tell how misguided plots to subvert Iraq s ambitions came to destroy his agents placed within and outside the Iraqi procurement network His efforts to make amends draw him ever deeper into the intrigue and danger surrounding the illicit arms dealing network and the disappearance of vast sums of Iraq s oil revenues both before and after the First Gulf War But what or who is MIRAAYA and why does it have such a complete and dreadful hold on Geoffrey Voss are Voss s revelations all they purport to be Billboard , 1995-08-12 In its 114th year Billboard remains the world s premier weekly

music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Music for Inclusion and Healing in Schools and Beyond* Pete Dale, Pamela Burnard, Raphael Travis, 2023

Contemporary popular musics such as hip hop techno grime EDM drill house and so on are among the most listened to in the world and yet typically they are barely covered in the music classroom if at all This needs to be better reflected in educational cultural and social terms In wider society these musics are often treated as if they are the causative for the social dysfunction that in fact they merely reflect At the same time projects programmes and practices of such contemporary popular musics can and have supported wellness and healing Editors Pete Dale Pamela Burnard and Raphael Travis Jr argue that there is huge potential here for enhanced inclusion *Music for Inclusion and Healing in Schools and Beyond* explains that

when this music is included in the school curriculum or utilised in therapeutic contexts huge leaps in healing and wellness can be achieved as well as educational attainment and enjoyment in school contexts This unique book seeks to account for those positive impacts theorise them and help to extend and advance their impact Contributing authors invite readers to re think the possibilities and potentials for contemporary popular musics to gain the prestige that their actual popularity would suggest they should already command The various contributors of this book are from diverse ethnic social and academic backgrounds and this title includes several chapters from practitioners who have not written about the work they do before now Readers will learn not only about the impact of projects that utilize such music but also ideas about how that impact can best be measured
