Quaker Silence:

Holy Silence J. Brent Bill, 2016-11-11 An invitation to experience more fully the life changing power of sacred silence For over a decade J Brent Bill s Holy Silence has been regarded as a contemporary classic on sacred silence With warmth wisdom and gentle humor Bill presents the Quaker practice of silence and expectant listening to a wider Christian audience
FEATURES Revised and expanded edition Includes new spiritual silence practices New section on incorporating holy silence into worship Written by one of the most respected interpreters of the Quaker tradition Introduces a fresh way of connecting with God
Encounter with Silence John Punshon, 1987 Silence is a key characteristic of Quaker worship The author shares his experience of learning to wait in the silence and find God Perfect for seekers inquirers and seasoned Friends

The Liturgies of Quakerism Pink Dandelion, 2017-07-05 The Liturgies of Quakerism explores the nature of liturgy within a form of worship based in silence Tracing the original seventeenth century Quakers understanding of the liturgy of silence and what for them replaced the outward forms used in other parts of Christianity this book explains how early Quaker understandings of time history and apocalyptic led to an inward liturgical form The practices and understanding of twenty first century Liberal Quakers are explored showing that these contemporary Quakers maintain the same kind of liturgical form as their ancestors and yet understand it in a very different way Breaking new ground in the study of Quaker liturgy this book contrasts the two periods and looks at some of the consequences for the study of liturgy in general and Quakerism in particular It also explores evangelical Quaker understandings of liturgy
Voices from the Silence Stanford J. Searl Jr., 2005-12-05 This nonfiction devotional book explores the meanings of Quaker silent worship drawing upon the spiritual experiences of both the author and other members of the Religious Society of Friends Quakers The book opens up a contemporary quest for authentic spiritual experience within the context of silence and worship and illustrates how some contemporary Quakers experience connections with the Divine A must read for anyone interested in the simple but profound question of what it means to silence the mind Gary Emery Ph D Director Los Angeles Center for Cognitive Therapy Lyrical deeply moving with a singing prose that rises to poetry Stan Searls journey to the heart of silence is a must read for anyone interested in the varieties of religious experience This book will take its place among the great spiritual confessions Nancy Shiffrin Ph D Union Institute and University author of The Holy Letters and My Jewish Name Booksurge com
Quaker Aesthetics Emma Jones Lapsansky-Werner, 2003-01-26 How did Quakers reconcile their belief in plain living with their appreciation of fine material goods
Silence and Witness Michael Lawrence Birkel, 2004 The Quaker spiritual tradition integrates mystical insight with prophetic witness Michael Birkel tells the story of the movement s origins describes how the distinctive Quaker practice of group worship in silence developed and explains how collective discernment is used in decision making He explores the historical development of the testimonies the ethical stands taken by Quakers for peace justice equality integrity and simplicity
Cultural-Historical Approaches to Studying Learning and Development Anne

Edwards, Marilyn Fleeer, Louise Bøttcher, 2019-04-02 This collection of papers examines key ideas in cultural historical approaches to children's learning and development and the cultural and institutional conditions in which they occur The collection is given coherence by a focus on the intellectual contributions made by Professor Mariane Hedegaard to understandings of children's learning through the prism of the interplay of society institution and person She has significantly shaped the field through her scholarly consideration of foundational concepts and her creative attention to the fields of activity she studies The book brings together examples of how these concepts have been employed and developed in a study of learning and development The collection allows the contributing scholars to reveal their reactions to Hedegaard's contributions in discussions of their own work in the field of children's learning and the conditions in which it occurs

Listening, Religion, and Democracy in Contemporary Boston William W. Young III, 2018-11-01 This book is a study of religious practices of listening in the Boston area Through ethnographic study of a variety of religious communities with an extensive focus on Quaker listening it argues that religious practice shapes our habits of listening by creating a plurality of regimes of listening across Boston's landscape These practices moreover cultivate specific dispositions as well as distinct patterns of religious and democratic virtues Through these dispositions and virtues religious listening facilitates a diverse range of forms of democratic engagement and varied contributions to the pursuit of social justice William Young provides an innovative interpretation of these religious practices It argues that insofar as religious listening helps practitioners to extend and amplify their listening and makes them more responsive to their communities it creates a social mode of embodied receptivity and agency Through both their listening and their actions these groups express their conceptions of divinity embodying divine attributes and activity within the sociopolitical realm serving as God's ears within the world It is by interpreting their practices as creating modes of social discipline reception and agency that the book explicates the full significance of religious listening in its adaptations and extensions of our aural capacities and their implications for sociopolitical life

The Meaning of Silence in Quaker Worship Stanford J. Searl, 2005 This study draws upon original qualitative research in which the author in systematic and analytical ways asked nearly fifty Quakers from both the eastern part of the United States and in England to describe their understandings of Quaker silent worship in the unprogrammed tradition The research draws upon contemporary theory and integrates an interdisciplinary perspective about the complex relationship between silence and words

Quakerism, Its Legacy, and Its Relevance for Gandhian Research Satish Sharma, 2017-11-06 This elaborate book explores Quakerism its legacy and its relevance for Gandhian research The topics covered here include the historical circumstances conditions and thought that led to the birth of Quakerism the seeds and history of the movement the themes principles and practices of the sect and the aid change reform and conciliation efforts Quakers made to make people communities and nations more tolerant problem free and united As such the book will appeal to scholars planners policy makers and practitioners concerned with the boundaries of liberties freedoms pacifism peace and

justice across people communities and nations

Ethical Responsiveness and the Politics of Difference Tanja

Dreher, Anshuman A. Mondal, 2018-08-22 This edited collection focuses on the ethics politics and practices of responsiveness in the context of racism inequality difference and controversy The politics of difference has long been concerned with speech voice and representation By focusing on the practices and politics of responsiveness listening reading and witnessing the volume identifies vital new possibilities for ethics and social justice Chapters focus on the conditions of possibility or listening as ethical praxis unsettling or disrupting colonial relationships and ways of listening that highlight non Western traditions and move beyond the liberal frame Ethical responsiveness shifts some of the responsibility for negotiating difference and more just futures from subordinated speakers and on to the relatively more privileged and powerful **Living with**

Conflict Susan Robson, 2013-11-22 In Living with Conflict A Challenge to a Peace Church Susan Robson explores the discomforts and denials that can arise when an organization committed to doing good suspects that it is not living up to its declared aims This case study of Quakers in the United Kingdom closely examines the challenge of living constructively despite ever present internal conflicts Drawing on ideas from contemporary organizational theory Robson s study points the way forward for Quakers and other value based groups Living with Conflict compares the evolution of the Quaker peace testimony to the experience of other peaceful churches in both their relationships to the wider world and how they handle congregational conflict It analyzes conflicts in small church congregations looking at triggers and responses past and present describing the consequences of challenging community narratives and creating counter narratives Students of peace and conflict studies organizational studies and the sociology of religion will find this study thought provoking Living with Conflict is also for anyone who has ever joined an organization they thought was welcoming and safe working together for the common good only to see it unravel into a flurry of acrimonious e mails slammed doors tears legal proceedings even tragedy

Dream-child Eric Wilson, 2022-01-01 An in depth look into the life of Romantic essayist Charles Lamb and the legacy of his work An electrifying portrait of Charles Lamb New Yorker A pioneer of urban Romanticism essayist Charles Lamb 1775 1834 found inspiration in London s markets theaters prostitutes and bookshops He prized the city s literary scene too where he was a star wit He counted among his admirers Mary Shelley William Wordsworth and Samuel Taylor Coleridge His friends valued in his conversation what distinguished his writing style a highly original blend of irony whimsy and melancholy Eric G Wilson captures Lamb s strange charm in this meticulously researched and engagingly written biography He demonstrates how Lamb s humor helped him cope with a life defining tragedy in a fit of madness his sister Mary murdered their mother Arranging to care for her himself Lamb saved her from the gallows Delightful when sane Mary became Charles s muse and she collaborated with him on children s books In exploring Mary s presence in Charles s darkly comical essays Wilson also shows how Lamb reverberates in today s experimental literature Showdown at Big Sandy Greg Doudna, 2006-10-01 Inside story of Herbert Armstrong s Worldwide Church of God as told by a student at the church run Ambassador College Big Sandy

Texas 1972 75 Story of youthful naivete and creativity in a world of biblical fundamentalism Difficult to put down Mac Overton The Journal It s priceless Gavin Rumney Ambassador Watch **The Quakers in America** Thomas D. Hamm,2003-12-03 The Quakers in America is a multifaceted history of the Religious Society of Friends and a fascinating study of its culture and controversies today Lively vignettes of Conservative Evangelical Friends General Conference and Friends United meetings illuminate basic Quaker theology and reflect the group s diversity while also highlighting the fundamental unity within the religion Quaker culture encompasses a rich tradition of practice even as believers continue to debate whether Quakerism is necessarily Christian where religious authority should reside how one transmits faith to children and how gender and sexuality shape religious belief and behavior Praised for its rich insight and wide ranging perspective The Quakers in America is a penetrating account of an influential vibrant and often misunderstood religious sect Known best for their long standing commitment to social activism pacifism fair treatment for Native Americans and equality for women the Quakers have influenced American thought and society far out of proportion to their relatively small numbers Whether in the foreign policy arena the American Friends Service Committee in education the Friends schools or in the arts prominent Quakers profiled in this book include James Turrell Bonnie Raitt and James Michener Quakers have left a lasting imprint on American life This multifaceted book is a concise history of the Religious Society of Friends an introduction to its beliefs and practices and a vivid picture of the culture and controversies of the Friends today The book opens with lively vignettes of Conservative Evangelical Friends General Conference and Friends United meetings that illuminate basic Quaker concepts and theology and reflect the group s diversity in the wake of the sectarian splintering of the nineteenth century Yet the book also examines commonalities among American Friends that demonstrate a fundamental unity within the religion their commitments to worship the ministry of all believers decision making based on seeking spiritual consensus rather than voting a simple lifestyle and education Thomas Hamm shows that Quaker culture encompasses a rich tradition of practice even as believers continue to debate a number of central questions Is Quakerism necessarily Christian Where should religious authority reside Is the self sacred How does one transmit faith to children How do gender and sexuality shape religious belief and behavior Hamm s analysis of these debates reveals a vital religion that prizes both unity and diversity

Queer Spiritual Spaces Kath Browne,Sally R. Munt,Andrew Kam-Tuck Yip,2016-05-23 Drawn from extensive new and rich empirical research across the UK Canada and USA Queer Spiritual Spaces investigates the contemporary socio cultural practices of belief by those who have historically been and continue to be excluded or derided by mainstream religions and alternative spiritualities As the first monograph to be directly informed by queer subjectivities whilst dealing with divergent spiritualities on an international scale this book explores the recently emerging innovative spaces and integrative practices of queer spiritualities Its breadth of coverage and keen critical engagement mean it will serve as a theoretically fertile comprehensive entry point for any scholar wishing to explore the queer spiritual spaces of the twenty first century

Materializing Religion William Keenan, 2017-03-02 The material symbol has become central to understanding religion in late modernity. Overtly theological approaches use words to express the values and faith of a religion but leave out the incarnation of religion in the behavioural, performative or audio-visual form. This book explores the lived experience of religion through its material expressions, demonstrating how religion and spirituality are given form and are thus far from being detached or ethereal. Cutting across cultures, senses, disciplines and faiths, the contributors register the variety in which religions and religious groups express the sacred and numinous. Including chapters on music, architecture, festivals, ritual, artifacts, dance, dress and magic, this book offers an invaluable resource to students of sociology and anthropology of religion, art, culture, history, liturgy, theories of late modern culture and religious studies.

Imaginary Friends James Emmett Ryan, 2009-08-06 Spanning four centuries, *Imaginary Friends* takes readers through the shifting representations of Quaker life in a wide range of literary and visual genres, from theological debates, missionary work, records, political theory and biography to fiction, poetry, theater and film. It illustrates the ways that during the long history of Quakerism in the United States, these imaginary friends have offered a radical model of morality, piety and anti-modernity against which the evolving culture has measured itself.

Women's Faith Development Nicola Slee, 2021-11-18 Presenting a rich account of women's faith lives and mapping women's meanings in their own right, this book offers an alternative to dominant accounts of faith development which failed to account for women's experience. Drawing on Fowler's faith development theory, feminist models of women's faith and social science methodology, the text explores the patterns and processes of women's faith development and spirituality in a group of thirty women belonging to or on the edges of Christian tradition. Integrating practical theological concern with Christian education and pastoral practice, this book will be of interest to all concerned with women's faith development, spirituality, education and formation, and those working in the fields of practical theology, pastoral care, adult theological education, spiritual direction and counselling.

Gandhi's Emissary Sudhir Ghosh, 2022-01-26 In 1946, at the age of 29, the author was chosen by Mahatma Gandhi to act as unofficial emissary between the British Labour Government and India in the delicate negotiations which resulted in the country's independence. His unique position enabled him to give the world a moving and informed account of the principal actors in the drama that led to the division of India and Pakistan and the creation of a parliamentary democracy in India. With the resurgence of interest and debate on Partition in India and Pakistan and around the world in the context of current international groupings, it is fitting that this book be brought back into circulation.

Unveiling the Magic of Words: A Report on "**Quaker Silence**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring.
