On Reading Books to Children Anne van Kleeck, Steven A. Stahl, Eurydice B. Bauer, 2003-04-02 Brings together current research on adult book reading to children chapter authors are eminent scholars from fields of reading and literacy child language speech pathology and psychology representing diverse perspectives More Than Guided Reading Cathy Mere, 2005 Is there too much emphasis on guided reading in primary classrooms It s a question that many educators like kindergarten teacher and literacy coach Cathy Mere are starting to ask Guided reading provides opportunities to teach students the strategies they need to learn how to read increasingly challenging texts but Cathy found that she needed to find other ways to help students gain independence While maintaining guided reading as an important piece of their reading program teachers need to offer students opportunities during the day to develop as readers to learn to choose books to find favorite genres and authors and to talk about their reading In More Than Guided Reading Cathy shares her journey as she moved from focusing on guided reading as the center of her reading program to placing children at the heart of literacy learning not only providing more time for students to discover their reading lives but also shaping instruction to meet the needs of the diverse learners in her classroom By changing the structure of the day Cathy found she was better able to adjust the support she was providing students allowing time for whole class focus lessons conferences and opportunities to share ideas as well as reading from self selected texts using the strategies skills and understandings acquired in reader s workshop The focus lesson is the centerpiece of the workshop It is often tied to a read aloud and connected to learning from the previous day helping to build skills extend thinking and develop independence over time This thoroughly practical text offers numerous sample lessons questions for conferences and ideas for revamping guided reading groups It will help teachers tweak the mix of instructional components in their reading workshops and provoke school wide conversations about the place of guided reading in a complete literacy curriculum *Children's Literature in the Reading Program* Deborah A. Wooten, Lauren Aimonette Liang, Bernice E. Cullinan, 2018-05-15 This indispensable teacher resource and course text now revised and updated addresses the whats whys and how tos of incorporating outstanding children s literature into the K 8 reading program A strong emphasis on diverse literature is woven throughout the fifth edition with chapters emphasizing the need for books that reflect their readers and presenting dozens of carefully reviewed books that teachers will be eager to use in the classroom Leading authorities provide advice on selecting texts building core literacy and literary skills supporting struggling readers and maximizing engagement The volume offers proven strategies for teaching specific genres and formats such as fiction nonfiction picturebooks graphic novels biographies and poetry This title is a copublication with the International Literacy Association New to This Edition Many new teaching ideas and book recommendations with an increased focus on culturally diverse literature Scope expanded from K 5 to K 8 Chapter on using read alouds and silent

reading Chapters on diverse literature about the arts and on transitional chapter books Chapter on engaging struggling readers with authentic reading experiences How Children Learn to Read and How to Help Them Cedric Cullingford,2013-09-13 This is an introductory guide to the theoretical and practical aspects of the development of reading skills The book looks at the success or failure of various techniques and provides underpinning theory **The Librarian's Complete Guide to Involving Parents Through Children's Literature** Anthony D.
