Reading a Newspaper Phyllis Larned, 1978 The Kopeck Press Felix Cowan, 2025-04-30 The Imperial Russian penny press was a vast network of newspapers sold for a single kopeck per issue Emerging in cities and towns across the empire between the 1905 Revolution and the onset of the First World War these sensational tabloids quickly became the Russian Empire s most popular periodical genre They appealed to a mass audience of poor and less literate readers with their low prices and accessible language The Kopeck Press presents a comprehensive study of this phenomenon examining its role both as a media genre and its significance as a vital forum for lower class political culture Drawing on over seventy kopeck newspapers from thirty locations Felix Cowan analyses these publications as a dialogic genre emphasizing the interaction between journalists and readers The book highlights how sensationalism was strategically used to advance the political goals of progressive journalists editors and publishers As a genre of political media the kopeck press revealed a moderate reformist

current in Russian politics aimed at democratizing the empire and empowering marginalized groups significantly contributing to the political and cultural foundations of the Russian Revolution The Kopeck Press sheds light on the crucial role of popular media in shaping public discourse and mobilizing political change in early twentieth century Russia

Reading Germany Gideon Reuveni,2006 By closely examining the interaction between intellectual and material culture in the period before the Nazis came to power in Germany the author comes to the conclusion that contrary to widely held assumptions consumer culture in the Weimar period far from undermining reading used reading culture to enhance its goods and values Reading material was marked as a consumer good while reading as an activity raising expectations as it did influenced consumer culture Consequently consumption contributed to the diffusion of reading culture while at the same time a popular reading culture strengthened consumption and its values Gideon Reuveni is Director of the Centre for German Jewish Studies at the University of Sussex He is the co editor of The Economy in Jewish History Berghahn 2010 and several other books on different aspects of Jewish history Presently he is working on a book on consumer culture and the making of Jewish identity in Europe

A Weekly Church Newspaper for the Million. A Paper Read at the Church Congress, Plymouth, October, 1876 Godfrey Thring,2024-03-12 Reprint of the original first published in 1876 *Navigating the News* Michael K. Baranowski,2013-07-19 This is the book for anyone who aspires to the title informed citizen It clearly explains how political news works how the media influences readers and how to sort through it all to be a better smarter consumer of political news In a perfect world political news would be objective and fact based Instead it is biased and unreliable This engaging book was written to help readers master the media Combining insight and humor it exposes the bias irrationality bad arguments and misleading numbers that abound in political media It shows

readers how to take advantage of available news sources and it guides them in developing the skills needed to sort through the flood of hype and misinformation. Specifically, the book examines types of political media and why it matters whether one gets political news from television, radio, newspapers, or the Internet, including social media. It discusses the latest developments in political behavior, economics, media studies, and neuroscience to explain why the political media does what it does to systematically distort consumers' view of politics and it looks at ways consumers tend to be irrational in choosing and interpreting news. Finally, it offers concrete suggestions that will enable readers to become more critical of what they read, see, and hear.
