D. LaFountain**

Realism Writing Disfiguration:

Realism, Writing, Disfiguration Michael Fried, 1987 A highly original and gripping account of the works of Eakins and Crane That remarkable combination of close reading and close viewing which Fried uniquely commands is brought to bear on the problematic nature of the making of images of texts and of the self in nineteenth century America Svetlana Alpers University of California Berkeley An extraordinary achievement of scholarship and critical analysis It is a book distinguished not only for its brilliance but for its courage its grace and wit its readiness to test its arguments in tough minded ways and its capacity to meet the challenge superbly This is a landmark in American cultural and intellectual studies Sacvan Bercovitch Harvard University **REALISM, WRITING, DISFIGURATION.** Michael Fried, 1987 **Realism, Writing, Disfiguration** Michael Fried, 1989 **Realism, Writing, and Disfiguration in Thomas Eakins's Gross Clinic, with a Postscript on Stephen Crane's Upturned Faces** Michael Fried, 1985 *Routledge Encyclopedia of Narrative Theory* David Herman, Manfred Jahn, Marie-Laure Ryan, 2010-06-10 The past several decades have seen an explosion of interest in narrative with this multifaceted object of inquiry becoming a central concern in a wide range of disciplinary fields and research contexts As accounts of what happened to particular people in particular circumstances and with specific consequences stories have come to be viewed as a basic human strategy for coming to terms with time process and change However the very predominance of narrative as a focus of interest across multiple disciplines makes it imperative for scholars teachers and students to have access to a comprehensive reference resource *A Companion to American Art* John Davis, Jennifer A. Greenhill, Jason D. LaFountain, 2015-01-23 A Companion to American Art presents 35 newly commissioned essays by leading scholars that explore the methodology historiography and current state of the field of American art history Features contributions from a balance of established and emerging scholars art and architectural historians and other specialists Includes several paired essays to emphasize dialogue and debate between scholars on important contemporary issues in American art history Examines topics such as the methodological stakes in the writing of American art history changing ideas about what constitutes Americanness and the relationship of art to public culture Offers a fascinating portrait of the evolution and current state of the field of American art history and suggests future directions of scholarship **First Things** Mary Jacobus, 2020-04-03 In First Things Mary Jacobus combines close readings with theoretical concerns in an examination of the many forms taken by the mythic or phantasmic mother in literary psychoanalytic and artistic representations She carefully explores the ways in which the maternal imaginary informs both unconscious processes and signifying practices at all levels Her fierce analysis of specific texts and paintings raises questions about the the symbolic and biological maternal body and how they relate to each other in literary and psychoanalytic terms The invocation of writings by Kleist Wollstonecraft Mary Shelley Malthus and de Sade along with analysis of French revolutionary iconography and Realist and Impressionist paintings by Eakins and Morisot make this wide ranging text a truly interdisciplinary study First Things sees

literary theory and psychoanalysis as mutually illuminating practices The work of Freud Klein Kristeva and Bion shape an inquiry into such topics as population discourse surrogate motherhood AIDS mastectomy and psychoanalysis itself In addition Jacobus elaborates on Freud's oedipal preconceptions Klein's missing theory of signs memory melancholia narcissism and maternal reverie Reading the American Novel 1865 - 1914 G. R. Thompson, 2011-07-28 An indispensable tool for teachers and students of American literature Reading the American Novel 1865 1914 provides a comprehensive introduction to the American novel in the post civil war period Locates American novels and stories within a specific historical and literary context Offers fresh analyses of key selected literary works Addresses a wide audience of academics and non academics in clear accessible prose Demonstrates the changing mentality of 19th century America entering the 20th century Explores the relationship between the intellectual and artistic output of the time and the turbulent socio political context **What Was Literary Impressionism?** Michael Fried, 2018-04-09 If literary impressionism is anything it is the project to turn prose into vision But vision of what Michael Fried argues that the impressionists compelled readers not only to see what was described and narrated but also to see writing itself the upward facing page pen and ink the written script the act of inscription

Rebecca Harding Davis and American Realism Sharon M. Harris, 1991-06 From the late 1860s until her death in 1910 Rebecca Harding Davis was one of the best known writers in America She broke into print as a young woman in the 1860s with *Life in the Iron Mills* which established her as one of the pioneers of American realism She developed a literary theory of the commonplace nearly two decades before William Dean Howells shaped his own version of the concept Yet in spite of her importance to the literary and popular culture of her time she has been for the most part ignored by scholars **Rebecca Harding Davis and American Realism** helps to change that
