

The background of the book cover is a detailed sepia-toned illustration of a Russian harbor scene. In the foreground, several large sailing ships with multiple masts and sails are visible. In the middle ground, a long, low fortification or city wall stretches across the water. Behind the wall, a large, ornate church with multiple domes and spires is prominent. The sky is filled with soft, wispy clouds. The overall style is that of a 19th-century historical engraving.

THE ROMANOVS

Autocrats of All the Russias

"AS READABLE AND REMARKABLE
AS IT IS SWEEPING IN SCOPE."

Romanovs Autocrats Of All The Russians:

The Romanovs W. Bruce Lincoln,1981 *The Romanovs* W. Bruce Lincoln,1917 *The Romanovs* W. Bruce Lincoln,1983-07-05 Traces the history of the Romanov dynasty in Russia from the 1613 accession to the throne of Michael Feodorovich Romanov to the deaths of the last Romanovs during the Russian Revolution **Nicholas I, Emperor and Autocrat of All the Russias** W. Bruce Lincoln,1989 The Indiana U Press edition 1978 is cited in BCL3 A scholarly biography that provides a view of Russian autocracy Annotation copyright Book News Inc Portland Or **The Emperors and Empresses of Russia** Donald J. Raleigh,A.A. Iskenderov,2015-02-24 Since glasnost began Russia s most eminent historians have taken advantage of new archival access and the end of censorship and conformity to reassess and reinterpret their history Through this process they are linking up with Russia s great historiographic tradition while producing work that is fresh and modern In *The Emperors and Empresses of Russia* renowned Russian historians tell the story of the Romanovs as complex individual personalities and as key institutional actors in Russian history from the empire builder Peter I to the last tsar Nicholas II These portraits are contributions to the writing of history partaking neither of wooden ideologisation nor of naive romanticisation *Secret Lives of the Tsars* Michael Farquhar,2014-07-08 Michael Farquhar doesn t write about history the way say Doris Kearns Goodwin does He writes about history the way Doris Kearns Goodwin s smart ass reprobate kid brother might I for one prefer it Gene Weingarten two time Pulitzer Prize winner and Washington Post columnist *Scandal Intrigue Cossacks* Here the world s most engaging royal historian chronicles the world s most fascinating imperial dynasty the Romanovs whose three hundred year reign was remarkable for its shocking violence spectacular excess and unimaginable venality In this incredibly entertaining history Michael Farquhar collects the best most captivating true tales of Romanov iniquity We meet Catherine the Great with her endless parade of virile young lovers none of them of the equine variety her unhinged son Paul I who ordered the bones of one of his mother s paramours dug out of its grave and tossed into a gorge and Grigori Rasputin the Mad Monk whose mesmeric domination of the last of the Romanov tsars helped lead to the monarchy s undoing From Peter the Great s penchant for personally beheading his recalcitrant subjects he kept the severed head of one of his mistresses pickled in alcohol to Nicholas and Alexandra s brutal demise at the hands of the Bolsheviks *Secret Lives of the Tsars* captures all the splendor and infamy that was Imperial Russia Praise for *Secret Lives of the Tsars* An accessible exciting narrative Highly recommended for generalists interested in Russian history and those who enjoy the seamier side of past lives Library Journal starred review An excellent condensed version of Russian history a fine tale of history and scandal sure to please general readers and monarchy buffs alike Publishers Weekly Tales from the nasty lives of global royalty an easy reading lightweight history lesson Kirkus Reviews Readers of this book may get a sense of why Russians are so tolerant of tyrants like Stalin and Putin Given their history it probably seems normal The Washington Post

The Romanovs Simon Sebag Montefiore,2016-05-03 NEW YORK TIMES BESTSELLER From the national bestselling

author of Stalin An epic history on the grandest scale Financial Times about the most successful dynasty of modern times a family who created the world s greatest empire and then lost it all An essential addition to the library of anyone interested in Russian history The New York Times Book Review The Romanovs ruled a sixth of the world s surface for three centuries How did one family turn a war ruined principality into the world s greatest empire And how did they lose it all This is the intimate story of twenty tsars and tsarinas some touched by genius some by madness but all inspired by holy autocracy and imperial ambition Simon Sebag Montefiore s gripping chronicle reveals their secret world of unlimited power and ruthless empire building overshadowed by palace conspiracy family rivalries sexual decadence and wild extravagance Drawing on new archival research Montefiore delivers an enthralling epic of triumph and tragedy love and murder that is both a universal study of power and a portrait of empire that helps define Russia today Renegades, Rebels and Rogues Under the Tsars Peter Julicher,2003-08-25 In the Russia of the tsars people who criticized or questioned the autocratic prerogatives of the sovereign were brutally suppressed and sometimes actively persecuted So imbedded was this official hostility to anyone hoping to change or even influence government policy that even the most high minded reformers came to understand that the only way they could succeed was to overthrow the regime The author describes the activities of the most important dissidents and agitators from the reign of Ivan the Terrible to Nicholas II and the Communist Revolution in 1917 Many of these fascinating individuals were serious activists endeavoring to improve society others were opportunistic scoundrels and adventurers The author explores the causes that provoked them and the consequences they faced and explains how time and time again the tsars were goaded into mistakes and over reaction The A to Z of the Russo-Japanese War Rotem Kowner,2009-08-20 Every war leaves an imprint in history but few have had such a pervasive impact in so many respects as the Russo Japanese War of 1904 1905 Politically it fatally weakened the Russian Empire while allowing Japan to follow more dangerous paths Diplomatically it shook the power balance in Europe and reshaped it in the form of two coalitions leading to World War I With regard to the art of warfare it emphasized the use of trench warfare and machine guns on land and the deployment of battleships and the use of torpedoes at sea Yet despite its importance at the time it has become very much a forgotten war The A to Z of the Russo Japanese War provides considerable breadth and depth of coverage based on Japanese Russian and Western sources The breadth is accomplished through a wide ranging introduction a detailed chronology and an extensive bibliography The depth comes in the hundreds of entries on military and political leaders major battles and lesser encounters tactics and strategy as well as the weaponry and of course the causes and consequences The result is the first major reference work on the Russo Japanese War in English and the largest in any language The Family Romanov: Murder, Rebellion, and the Fall of Imperial Russia Candace Fleming,2014-07-08 In this superb history The Wall Street Journal award winning author Candace Fleming tells the extraordinary true story of Russia s last royal family and transports readers back to a time when both a bloodline and an empire came tumbling down Has all the elements of a fictional thriller

woven into a fascinating work of history The Washington Post WINNER Los Angeles Times Book Prize for Young Adult Literature and Boston Globe Horn Book Award for Nonfiction A Robert F Sibert Honor Book A YALSA Excellence in Nonfiction Award Finalist A Kirkus Reviews Best Young Adult Book of the Century He was Tsar Nicholas II of Russia the wealthiest monarch in the world who ruled over 130 million people and one sixth of the earth s land surface yet turned a blind eye to the abject poverty of his subjects She was Empress Alexandra stern reclusive and painfully shy a deeply religious woman obsessed with the corrupt mystic Rasputin Their daughters were the Grand Duchess Olga Tatiana Marie and Anastasia completely isolated and immature girls who wore identical white dresses and often signed joint letters as OTMA the initials of their first names Their only son was Tsarevich Alexei youngest of the Romanovs heir to the throne a hemophiliac whose debilitating illness was kept secret from the rest of the world Candace Fleming deftly maneuvers between the plight of Russia s poor masses and the extravagant lives of the Romanovs from their opulent upbringings to the crumbling of their massive empire and finally to their tragic murders Using captivating photos and compelling first person accounts throughout The Family Romanov is history at its most absorbing **The Making of Russian Absolutism 1613-1801** Paul Dukes,2014-01-14 Revised and expanded the second edition of this fascinating study surveys the first two centuries of Romanov rule from the foundation of the dynasty by Michael Romanov in 1613 to the accession of Alexander I in 1801 The central theme of the book is the growth of absolutism in Russia throughout these years and it traces in detail how the Russian variety of what was a contemporary European phenomenon came fully into being **Leaders of Russia and the Soviet Union** John Paxton,2013-08-21 This reference work surveys the leaders of Russia and the Soviet Union from Michael the first Romanov tsar in 1613 through the creation and dissolution of the Soviet Union to the present day President of the Russian Federation Vladimir Putin Chronologically arranged these biographies paint a thorough yet succinct portrait of 30 leaders including discussion about the family and education of each ruler important legislation events and wars under each leader s rule and each leader s achievements and impact on Russia or the Soviet Union **The Course of Russian History, 5th Edition** Melvin C. Wren,Taylor Stults,2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous

events and legendary figures which helped shape Russia's turbulent history *Foundations of Russian Military Flight, 1885-1925* James K Libbey, 2019-05-15 *Foundations of Russian Military Flight* focuses on the early use of balloons and aircraft by the Russian military The best early Russian aircraft included flying boats designed by Dimitrii Grigorovich and large reconnaissance bombers created by Igor Sikorsky As World War I began the Imperial Russian Navy made use of aircraft more quickly than the army Indeed the navy established a precursor to the aircraft carrier The Imperial Russian Army came to respect over time the work of aircraft that evolved from reconnaissance and bomber to fighter planes Over 250 army pilots during the war received awards of high distinction for their wartime flights After the 1917 revolution both the new Bolshevik government and the reactionary White forces created air arms to combat each other In the 1920s the Soviet Union and Germany negotiated agreements that allowed Germany to violate the Treaty of Versailles by building military aircraft and training German military pilots in the USSR This provided the Soviet Union access to the latest aviation technology and prevented them from falling too far behind the West in this crucial sphere **Russia** John M. Thompson, Christopher J. Ward, 2018-04-17 This lucid account of Russian and Soviet history presents major trends and events from ancient Kievan Rus to Vladimir Putin's presidency in the twenty first century Russia does not shy away from controversial topics including the impact of the Mongol conquest the paradoxes of Peter the Great the inevitability of the 1917 Revolution the Stalinist terror and the Gorbachev reform effort Tackling those topics and others the new edition is updated to discuss the Russia Georgia war of 2008 the 2013 2014 Euromaidan protests in Ukraine the war in eastern Ukraine and the Russian annexation of Crimea Distinguished by its brevity and amply supplemented with useful images and suggested readings this essential text provides balanced coverage of all periods of Russian history and incorporates economic social and cultural developments as well as politics and foreign policy **Forge of Empires** Michael Knox Beran, 2007-10-16 In the space of a single decade three leaders liberated tens of millions of souls remade their own vast countries and altered forever the forms of national power Abraham Lincoln freed a subjugated race and transformed the American Republic Tsar Alexander II broke the chains of the serfs and brought the rule of law to Russia Otto von Bismarck threw over the petty Teutonic princes defeated the House of Austria and the last of the imperial Napoleons and united the German nation The three statesmen forged the empires that would dominate the twentieth century through two world wars the Cold War and beyond Each of the three was a revolutionary yet each consolidated a nation that differed profoundly from the others in its conceptions of liberty power and human destiny Michael Knox Beran's *Forge of Empires* brilliantly entwines the stories of the three epochal transformations and their fateful legacies Telling the stories from the point of view of those who participated in the momentous events among them Walt Whitman and Friedrich Nietzsche Mary Chesnut and Leo Tolstoy Napoleon III and the Empress Eugénie Beran weaves a rich tapestry of high drama and human pathos Great events often turned on the decisions of a few lone souls and each of the three statesmen faced moments of painful doubt or denial as

well as significant decisions that would redefine their nations With its vivid narrative and memorable portraiture *Forge of Empires* sheds new light on a question of perennial importance How are free states made and how are they unmade In the same decade that saw freedom's victories one of the trinity of liberators revealed himself as an enemy to the free state and another lost heart What Lincoln called the germ of freedom which was to grow and expand into the universal liberty of mankind came close to being annihilated in a world crisis that pitted the free state against new philosophies of terror and coercion *Forge of Empires* is a masterly story of one of history's most significant decades

Colonialism Melvin E. Page, 2003-09-16 The most exhaustive reference work available on this critical subject in world history focusing on the politics economy culture and society of both colonizers and colonized The history of the last 500 years is the history of imperialism writes editor Melvin Page In the Americas as a result of imperialist conquest disease famine and war nearly wiped out a population estimated in the tens of millions Africa was devastated by the slave trade an integral part of imperialism from the 1400s to the 1800s In Asia even though native populations survived native political institutions were destroyed Imperialism also forged the two most important ideologies of the last five centuries racialism and modern nationalism In more than 600 essays presented in this three volume encyclopedia Page and other leading scholars historians political scientists economists and sociologists analyze the origins of imperialism the many forms it took and its impact worldwide They also explore imperialism's bitter legacy the gross inequities of global wealth and power that divide the former conquerors primarily Europe the United States and Japan from the people they conquered

Russia Christopher J. Ward, John M. Thompson, 2021-07-20 This lucid account of Russian and Soviet history presents major trends and events from Kievan Rus to Vladimir Putin's presidency in the twenty first century Directly addressing controversial topics this book looks at issues such as the impact of the Mongol conquest the paradoxes of Peter the Great the inevitability of the 1917 Revolution the Stalinist terror and the Gorbachev reform effort This new ninth edition has been updated to include a discussion of Russian participation in the War in Donbas eastern Ukraine Russia's role in the Syrian civil war the rise of opposition figure Alexei Navalny Vladimir Putin's confirmation as president for life recent Russian relations with the United States the North Atlantic Treaty Organization NATO and the European Union as well as contemporary social and cultural trends Distinguished by its brevity and supplemented with substantially updated suggested readings that feature new scholarship on Russia and a thoroughly updated index this essential text provides balanced coverage of all periods of Russian history and incorporates economic social and cultural developments as well as politics and foreign policy Suitable for undergraduates as well as the general reader with an interest in Russia this text is a concise single volume on one of the world's most significant lands

Russia at War Timothy C. Dowling, 2014-12-02 This easy to use reference explores the people and events that shaped Russian military history and impacted Europe Asia and the world over the past eight centuries Russian military history is an often overlooked field Yet Russia is and has long been an important player in global politics and its military exploits have

been central to its role on the world stage This study of Russia s military past provides insights into European and U S history including the conduct of the two World Wars and the Cold War and will help readers better appreciate the current geopolitical situation This work covers major events and figures in Russian military history from the end of Mongol domination in the 14th century to the present day More than 650 entries by scores of expert contributors detail events individuals organizations and ideas that have influenced Russian warfare over 800 years Two alphabetically arranged volumes explore such conflicts as the Russo Polish Wars the Great Northern War the Russo Turkish Wars the Napoleonic Wars the Crimean War the Russo Japanese War World War I World War II and the Cold War including the Soviet invasion of Afghanistan Cross references and further readings in each entry serve as jumping off points for further exploration

A *History of Education in Modern Russia* Wayne Dowler, 2021-08-12 A History of Education in Modern Russia is the first book to trace the significance of education in Russia from Peter the Great s reign all the way through to Vladimir Putin and the present day Individual chapters open with an overview of the political social diplomatic and cultural environment of the period in order to orient the reader Dowler then goes on to analyse the aims of education initiatives in each era before considering the ways in which Russians experienced education both as students and as teachers Each chapter concludes with an assessment of the outcomes and consequences of education policies in the period both the successes and failures as well as the impact of education on the cultural social economic and ultimately political environments The chronologically arranged book also traces and then summarises underlying key themes like the tension between an open system of education and an estate based system the push and pull between utility and the broader goal of human development and the effects of centralized authoritarian control that for much of the period limited local initiative and starved the regions of adequate resources
