Roots Of Resistance:

Roots of Resistance Roxanne Dunbar-Ortiz, 2007 In New Mexico once a Spanish colony then part of Mexico Pueblo Indians and descendants of Spanish and Mexican era settlers still think of themselves as distinct peoples each with a dynamic history At the core of these persistent cultural identities is each group s historical relationship to the others and to the land a connection that changed dramatically when the United States wrested control of the region from Mexico in 1848 Bulletin, 1929 Roots of Resistance Suyapa G. Portillo Villeda, 2021-03-16 Winner of the 2021 Sara A Whaley Prize of the National Women s Studies Association NWSA A first of its kind study of the working class culture of resistance on the Honduran North Coast and the radical organizing that challenged US capital and foreign intervention at the onset of the Cold War examining gender race and place On May 1 1954 striking banana workers on the North Coast of Honduras brought the regional economy to a standstill invigorating the Honduran labor movement and placing a series of demands on the US controlled banana industry Their actions ultimately galvanized a broader working class struggle and reawakened long suppressed leftist ideals The first account of its kind in English Roots of Resistance explores contemporary Honduran labor history through the story of the great banana strike of 1954 and centers the role of women in the narrative of the labor movement Drawing on extensive firsthand oral history and archival research Suyapa G Portillo Villeda examines the radical organizing that challenged US capital and foreign intervention in Honduras at the onset of the Cold War She reveals the everyday acts of resistance that laid the groundwork for the 1954 strike and argues that these often overlooked forms of resistance should inform analyses of present day labor and community organizing Roots of Resistance highlights the complexities of transnational company hierarchies gender and race relations and labor organizing that led to the banana workers strike and how these dynamics continue to reverberate in Honduras today **Bulletin - State College of Washington, Agricultural Experiment Station** Washington Agricultural Experiment Station, 1928 Memoir - Cornell University Agricultural Experiment Station Cornell University.
