Russian Revolution The Essential Readings

E Durkheim

Russian Revolution The Essential Readings:

The Russian Revolution Martin A. Miller, 2001-01-09 This indispensable volume comprises the work of nine of the most prominent scholars of the Russian Revolution with introductions by the editor that help students contextualize and understand each piece

Readings on the Russian Revolution Melissa K. Stockdale, 2020-09-03 Readings on the Russian Revolution brings together 15 important post Cold War writings on the history of the Russian Revolution It is structured in such a way as to highlight key debates in the field and contrasting methodological approaches to the Revolution in order to help readers better understand the issues and interpretative fault lines that exist in this contested area of history The book opens with an original introduction which provides essential background and vital context for the pieces that follow The volume is then structured around four parts Actors Language Symbols War Revolution and the State Revolutionary Dreams and Identities and Outcomes and Impacts that explore the beginnings events and outcomes of the Russian Revolution as well as examinations of central figures critical topics and major historiographical battlegrounds Melissa Stockdale also provides translations of two crucial Russian language works published here in English for the first time and includes useful pedagogical features such as a glossary chronology and thematic bibliography to further aid study Readings on the Russian Revolution is an essential collection for anyone studying the Russian Revolution

Centenary of the Russian Revolution (1917-2017) Andreu Mayayo i Artal, Antoni Segura i Mas, 2019-01-08 This collection of essays provides an historical plural and original analysis of the Russian Revolution to mark its first centenary It focuses on both regional aspects such as the impact of the Revolution in Spain and Latin America and major events ideas and phenomena including the importance of World War I the birth of the Communist International and the definition of revolution and counterrevolution The book will mainly appeal to academic audiences as well as non specialized readers interested in the major issues of the contemporary world It offers new insights into an event that contributed to the shaping of the twentieth century and that is still fundamental to understanding the world of today

The Bolsheviks and the Russian Empire Liliana Riga, 2012-11-12 This comparative historical sociology of the Bolshevik revolutionaries offers a reinterpretation of political radicalization in the last years of the Russian Empire Finding that two thirds of the Bolshevik leadership were ethnic minorities Ukrainians Latvians Georgians Jews and others this book examines the shared experiences of assimilation and socioethnic exclusion that underlay their class universalism It suggests that imperial policies toward the Empire s diversity radicalized class and ethnicity as intersectional experiences creating an assimilated but excluded elite lower class Russians and middle class minorities universalized particular exclusions as they disproportionately sustained the economic and political burdens of maintaining the multiethnic Russian Empire The Bolsheviks social identities and routes to revolutionary radicalism show especially how a class universalist politics was appealing to those seeking secularism in response to religious tensions a universalist politics where ethnic and geopolitical insecurities were exclusionary and a tolerant imperial imaginary where

Russification and illiberal repressions were most keenly felt *Leaflets of the Russian Revolution* ,2018-11-27 When workers and peasants rose up across Russia and smashed the centuries old Tsarist autocracy their actions reverberated across the world and continue to inspire activists to this day This carefully assembled and expertly translated collection of documents from the Petrograd socialist movement in 1917 provides contemporary readers with a firsthand glimpse into the revolutionary ferment as it unfolds In *Leaflets of the Russian Revolution* Barbara Allen selects and introduces the pamphlets and other agitational material that give life to the debates disagreements and perspectives that animated the masses during the revolution *The Anatomy of Revolution Revisited* Bailey Stone,2014 This study aims to update a classic of comparative revolutionary analysis Crane Brinton s 1938 study *The Anatomy of Revolution* It invokes the latest research and theoretical writing in history political science and political sociology to compare and contrast in their successive phases the English Revolution of 1640 60 the French Revolution of 1789 99 and the Russian Revolution of 1917 29 This book intends to do what no other comparative analysis of revolutionary change has yet adequately done It not only progresses beyond Marxian socioeconomic class analysis and early revisionist stresses on short term accidental factors involved in revolutionary causation and process it also finds ways to reconcile state centered structuralist accounts of the three major European revolutions with postmodernist explanations of those upheavals that play up the centrality of human agency revolutionary discourse mentalities ideology and political culture *The Standard of Living and Revolutions in Imperial Russia, 1700-1917* Boris Mironov,2012-05-31 This is the first full scale anthropometric history of Imperial Russia 1700 1917 It mobilizes an immense volume of archival material to chart the growth weight and other anthropometric indicators of the male and female populations in order to chart how the standard of living in Russia changed over slightly more than two centuries It draws on a wide range of data statistics on agricultural production taxation prices and wages nutrition and demography to draw conclusions on the dynamics in the standard of living over this long period of time The economic social and political interpretation of these findings make it possible to reconsider the prevailing views in the historiography and to offer a new perspective on Imperial Russia **Stalinism** John L. H. Keep,Alter L. Litvin,2004-12-15 Stalinism surveys the efforts made in recent years by professional historians in Russia and the West to better understand what really went on in the USSR between 1929 and 1953 when the country s affairs were shrouded in secrecy The opening of the Soviet archives in 1991 has led to a profusion of historical studies whose strengths and weaknesses are assessed here impartially though not uncritically While Joseph Stalin now emerges as a less omnipotent figure than he seemed to be at the time most serious writers accept that the system over which he ruled was despotic and totalitarian Some nostalgic nationalists in Russia along with some Western post modernists disagree Their arguments are carefully dissected here Stalinism was of course much more than state sponsored terror and so due attention is paid to a wide range of socio economic and cultural problems Keep and Litvin applaud the efforts of Soviet citizens to express dissenting views *Women in the Great European Revolutions* Bailey

Stone, 2025-10-30 This book explores and compares the roles, mentalities and destinies of elitist and working class women in Europe's most dramatic revolutions: England's Puritan Revolution of 1640-1660, France's 1789 Revolution and Russia's 1917 Revolution. By providing one of the most detailed analyses to date of how feminist historians, sociologists and specialists theorize gender, sexuality and patriarchy, the author draws connections to current debate over the causation of sociopolitical revolutions and how such scholars speculate about the long-term implications of such revolutions for women in the USA and in other countries. This book briefly outlines the stage-by-stage progression of events in the English, French and Russian Revolutions, thus enabling the general reader to contextualize more easily its discussion of women's revolutionary experiences in those countries. This book reappraises the relative importance ascribable to gendered cultural and to statist/geopolitical factors through the disastrous revolutionary careers of three consort queens: i.e. Henrietta Maria of England, Marie Antoinette of France and Alexandra Feodorovna of Russia, by contrasting their political failings with the political acumen of three earlier regnant queens in these three countries: i.e. Elizabeth I, Catherine de Medici and Catherine II the Great. Finally, this book demonstrates how women of humble social station used these unheard-of revolutionary situations either to express their grievances and voice their social aspirations or, on the other hand, to reaffirm their long-held allegiance to traditional principles, customs and religion. It concludes by discussing race, ethnicity and statism as challenging issues that need to be confronted in any current discussion of women's revolutionary experiences. *The Russian Revolution in Retreat, 1920-24*

Simon Pirani, 2008-03-03 This book examines the relationship between the Russian Communist Party and working class in the years after the revolution and civil war. It shows that the working class was politically expropriated by the Bolshevik party as democratic bodies such as soviets and factory committees were deprived of decision-making power.

Whispering the Techniques of Language: An Emotional Journey through **Russian Revolution The Essential Readings**

In a digitally-driven earth where displays reign supreme and immediate transmission drowns out the subtleties of language, the profound techniques and emotional subtleties concealed within words often get unheard. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Russian Revolution The Essential Readings eBooks, including some popular titles.

FAQs About Russian Revolution The Essential Readings Books

What is a Russian Revolution The Essential Readings PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian Revolution The Essential Readings PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian Revolution The Essential Readings PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian Revolution The Essential Readings PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian Revolution The Essential Readings PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or

may not be legal depending on the circumstances and local laws.
