World English(es) and the Multilingual Turn Annalisa Bonomo,2017-01-06 The recent multilingual turn involves various different implicit and explicit language policies urging pressure and resistance with regard to the spread of English and its dominant relationships with other national languages As such this book considers the social value of communication as the basis of multilingualism and of the evolution of language systems The data presented here show English as being in the middle of the double listening of cultural mediation and the imperfect magnifying glass of translation with worldwide Standard English being but one of the many other related varieties which enjoy prestige on a large scale These varieties may be identified according to different features which make the plural world Englishes an umbrella term with blurred edges New approaches to dialects study have been developed in recent decades and cartographic mapping has overlapped with the emergence of a new dialectology which deals with the description of language phenomena

as complex concepts where complexity provides a challenging framework for investigation and research of languages as dynamic systems made up of variables which mutually influence each other Thus dialectometry dialectology and standardization become interesting tools for measuring linguistic differences establishing language typologies and endorsing the systemic characteristics which can be formalized Comprehensive and well informed this volume will appeal to anyone interested in the spread of English from researchers and teachers to students providing them with a greater understanding of some examples of world Englishes analysed under the light of complexity as a product of global society *Authenticity across Languages and Cultures* Leo Will,Wolfgang Stadler,Irma Eloff,2022-11-10 This volume centres around concepts of personal and cultural authenticity as they play out in various contexts of foreign language teaching and learning worldwide The chapters cover a wide range of contexts and disciplines including both theoretical and empirical work together they comprise both a rigorous analysis of authenticity in language teaching and a step away from notions of native speakerism and cultural essentialism with which it is often associated Written by a group of scholars working across several continents the chapters offer diverse perspectives regarding the role language plays in processes of personal growth learning development self actualisation and power dynamics The book addresses the theoretical and philosophical nature of authenticity while remaining grounded in the teaching and learning of languages with authenticity viewed as a practical concern that guides our actions and beliefs The book will be of interest to scholars researchers and students of authenticity as well as foreign language teachers interested in the theoretical underpinnings of their practice **Ethnicity, Nationalism and Conflict in and after the Soviet Union** Valery Tishkov,1996-11-28 Valery Tishkov is a well known Russian historian and anthropologist and former Minister of Nationalities in Yeltsin s government This book draws on his inside knowledge of major events and extensive primary research Tishkov argues that ethnicity has a multifaceted role it is the most accessible basis for political mobilization a means of controlling power and resources in a transforming society and therapy for the great trauma suffered by individuals and groups under previous regimes This complexity helps explain the contradictory nature and outcomes of public ethnic policies based on a doctrine of ethno nationalism **Committee Prints** United States. Congress. Senate. Committee on the Judiciary,1965 **Foreign Language Learning, Today and Tomorrow** Jermaine D. Arendt,Dale L. Lange,Pamela J. Myers,2014-05-19 Foreign Language Learning Today and Tomorrow is a collection of papers that attempts to shed lights into the concerns and issues that will be encountered by foreign language instructors The title first deals with the futurism in foreign language learning and then proceeds to humanism in learning foreign languages Next the selection presents a thematic approach in learning a second language The text then covers the individualization of foreign language learning Chapter 5 cites some studies which claim that children can learn to read far earlier The selection also covers the system for evaluation of a foreign language program along with the sequence of learning activities that work well in the classroom Chapter 8 talks about possibility of language learning thrive as an elective in American schools while Chapter 9

deals with individualizing and sequencing training for inter cultural communication The last two chapters detail the alternatives in education and suggestions for the continuing development of pre and in service programs for teachers of second languages The book will be of great use to foreign language instructors Individuals who are involved in the design and implementation of school curriculum will also benefit from the text

The Role of Context in Language Teachers' Self Development and Motivation Amy S. Thompson, 2021-02-09 This book unpacks data from conversations with bi multilingual EFL teachers whose L1s are languages other than English and who are from understudied contexts Argentina Egypt Estonia Senegal Turkey Ukraine and Vietnam to provide insights into the formation of ideal teacher selves The author discusses the complexities surrounding the development of the teachers selves and motivation as well as their intertwinement with the sociopolitical realities of their individual contexts The work reveals how these realities and the specific social interactions that occur therein influence the language learning and teaching processes it also challenges the notions of and the need for a native non native speaker dichotomy in the field Expanding on Ushioda s 2009 person in context approach and reflecting on the multilingual settings of the teachers the integration of the context specific politics of language learning and teaching is a fresh approach to work in motivation
