The nature park guide for Nyungwe Forest National Park (Rwanda) ,2025-09-26 **The Chinese Dark Poet: Huang Xiang and His Colorful World** Zhengming Fu (Sweden), Huang Xiang the protagonist of this book was born on 26th December 1941 in Guidong county Hunan province of central China. After the Communists came to power in 1949 he was imprisoned six times and severely persecuted for his free spirited writing and his campaigns for human rights. For more than thirty years this self educated poet and writer wrote secretly against the bondage of totalitarian ideology to safeguard the freedom of speech. According to the author of the book Huang is a great dark poet who has expressed the painful memories, fears and struggles that haunted his life, creating wonderful poetic beauty in the darkness. His poetic creation is a miracle in the history of Chinese contemporary literature. We may say that Huang's identity as an unknown dark poet is conditioned by his personal emotional and tragic experiences of struggles while facing historical events such as the Cultural Revolution from 1966 to 1976, the April 5th Movement in 1976, the Democracy Wall Movement in 1978 and the Pro Democracy Movement in 1989 in China.

Planetwalker John Francis, Ph.D.,2008-04-08 When the struggle to save oil soaked birds and restore blackened beaches left him feeling frustrated and helpless John Francis decided to take a more fundamental and personal stand he stopped using all forms of motorized transportation Soon after embarking on this quest that would span two decades and two continents the young man took a vow of silence that endured for 17 years It began as a silent environmental protest but as a young African American man walking across the country in the early 1970s his idea of the environment expanded beyond concern about pollution and loss of habitat to include how we humans treat each other and how we can better communicate and work together to benefit the earth Through his silence and walking he learned to listen and along the way earned college and graduate degrees in science

and environmental studies The United Nations appointed him goodwill ambassador to the world's grassroots communities and the U S government recruited him to help address the Exxon Valdez disaster Was he crazy How did he live and earn all those degrees without talking An amazing human interest story with a vital message Planetwalker is also a deeply personal and engaging coming of age odyssey the positive experiences the challenging times the characters encountered and the learning gained along the way Legend of A Hero Hai DongQingFengZi,2020-05-20 This is a place managed by a martial arts sect The author tries his best to lead you into a different martial arts world The two brothers were young and had stepped into the martial arts world With curiosity with passion with chivalry with the warmth of the world should I keep my heart or become a devil Because of his father he couldn't use any peerless martial arts so how could he let any random master be chased and beaten until he couldn't hold it in Civilians could not practice martial arts in this martial arts world There seemed to be iron like rules here so who was trying to break them This martial arts world had a long history of grudges against its powerful enemies It was full of twists and turns and hard to fathom people's hearts There was never a lack of chivalrous men in the martial arts world The winds and the rain in the martial arts world rose and fell together just like the brothers collecting the rain and wind Their names shook the martial arts world Close
