Olson, 2006-09 Ruth, Esther, Song of Songs, and Judith Lisa M. Wolfe, 2011-11-01 This lively commentary encompasses four major books focusing on women in the Hebrew Bible and Apocrypha Each section in the volume addresses the biblical text in detail and draws connections from the world of ancient audiences to that of present-day readers Wolfe's research is motivated by the usual inquiries of biblical scholarship as well as the questions raised by the many church Bible study groups she has taught Clergy and laity students and scholars will benefit from these contemporarily relevant reflections on Ruth Esther Song of Songs and Judith Ruth The foreign widow who sneaks onto the nighttime threshing floor to find survival for herself and her devastated mother-in-law Esther The Jewish orphan turned queen who turns Persian banqueting on its head in an effort to defend her

people Song of Songs The proud and alluring lover who claims her sexuality as her own and joyfully shares it with her beloved Judith The pious and beautiful widow who lets the enemy commander's appetite become his downfall in order to save her besieged city This volume is an opportunity to engage these women's suspense filled stories which have sustained faith communities since ancient times \_\_\_\_\_ Lisa Wolfe is also the author of a DVD Bible study series Uppity Women of the Bible Living the Questions 2010 which is a companion to this book To purchase a copy of the DVD series please visit the following link at Living the Questions <http://www.livingthequestions.com/xcart/home.php?cat=461> *An Exposition of Ruth & Esther* George Lawson, 1800 Ruth and Esther John F. MacArthur, 2000-11-05 These study guides part of a 16 volume set from noted Bible scholar John MacArthur take readers on a journey through biblical texts to discover what lies beneath the surface focusing on meaning and context and then reflecting on the explored passage or concept With probing questions that guide the reader toward application as well as ample space for journaling The MacArthur Bible Studies are an invaluable tool for Bible Students of all ages **Books of Ruth & Esther**, 1838 **The Wiersbe Bible Study Series: Ruth / Esther** Warren W. Wiersbe, 2010-01-01 Mary Martha Sarah Eve Of all the women in the Bible only two have entire books devoted to telling their story Ruth and Esther What is it about these women that makes them different What can we learn from their stories Structured to be user friendly to Christians of all ages this new Bible study from trusted author Warren Wiersbe strikes the perfect balance of expositional commentary from the Scripture text and introspective questions for practical application In eight weeks you and your small group will have a strong understanding of these important biblical passages without feeling you've been overwhelmed by information overload Study the lives of two women who boldly followed God's will even when all seemed lost Try this Bible study series for your next Sunday School class or Small Group and see how God wants to use your bold obedience to accomplish his plans **Ruth and Esther** Katrina J. Larkin, 1996-01-01 This addition to the Old Testament Guides series studies the only two biblical books to have been named after women and finds them refreshingly different A rich field of new writing on Esther is surveyed showing that this exotic book is emerging from a long period under a cloud to make valuable contributions to a number of current debates what makes a biblical text theologically valuable or dangerous and how do our perceptions change what is the relation between history and theology what is the status of variant forms of the biblical tradition how does the book achieve its literary impact and of course what contribution does it make to feminist biblical studies Ruth is more of an established favourite in the biblical canon The Guide tackles the elusive questions of its dating and the nature of its relationship to Israelite law as well as the contrivance of its literary beauty and the subtlety of its theology The needs of students studying Ruth as a set text in Hebrew are taken into account but the Guide follows the series as a whole in catering primarily for those studying English text *Ruth and Esther* David Strain, 2018 Ruth and Esther the only two biblical books that centre on the lives of women display the hand of a God who works in the lives of individuals to bring about his plan for the salvation of many Ruth is an outsider who finds a home among the people of God

and whose descendants include not only King David but David's greater son Christ the King of Kings While Ruth's story focuses through the mundane dynamics of a peasant family Esther's story plays out in the palace precincts of a despotic king While God's name is famously never mentioned we see his handiwork in each twist and turn of the narrative He uses improbable means and improbable individuals to save His people and we see that God is on His throne Focus on the Bible commentaries are popular level commentaries especially useful for pastors and small group leaders They are also useful for personal devotions and spiritual growth The series holds to the inerrancy of scripture and the uniqueness of Christ in salvation

*Be Committed (Ruth & Esther)* Warren W. Wiersbe, 2010-01-01 One was a foreigner and a peasant The other a reluctant queen to a man she hardly knew But their stories have one thing in common A remarkable faith committed to doing God's will For both Ruth and Esther God used stressful circumstances to bring about his eternal purposes Ruth's commitment to the God of Naomi affected every generation to come as she became an ancestor of King David and more importantly Jesus Christ Esther's obedience led to the preservation of her people at a moment in history when all seemed lost The stories of Ruth and Esther will make you contemplate Would I trust God enough to do what they did Go chapter by chapter through the books of Ruth and Esther to see how the lives of these two remarkable women epitomize the type of faith that glorifies God As you read ask yourself How does God want to use my faithful commitment Will he use your life to affect the generations to come or will he use your life to impact the current generation Either way author Warren Wiersbe helps you to be prepared and be committed to God's will no matter what the cost
