Rutherford And Son A Play In Three Acts Githa Sowerby George H Doran Company 1912 **Rutherford and Son** Githa Sowerby, 2014-08-07 This Is A New Release Of The Original 1912 Edition **Rutherford and Son** Githa Sowerby, 2019-06-06 No one s any right to be what father is never questioned never answered back First staged in 1912 and described as the most powerful play produced in England in this decade Githa Sowerby s Edwardian classic on family and labour enjoyed huge success in London and New York before disappearing from view In a Northern industrial town John Rutherford rules both factory and family with an iron will But even as the furnaces burn relentlessly at the Glassworks at home his children begin to turn against him Sowerby s astonishing play was inspired by her own experience of growing up in a family run factory in Gateshead Writing in 1912 when female voices were seldom heard on British stages she now claims her place alongside Ibsen and Bernard Shaw with this searing depiction of class gender and generational warfare This new edition was published to coincide with the National Theatre s revival in May 2019 **Rutherford and Son; a Play in Three Acts** Githa Sowerby, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1912 edition Excerpt RUTHERFORD AND SON ACT I John Rutherford s house stands on the edge of the moor far enough from the village to serve its dignity and near enough to admit of the master going to and from the Works in a few minutes a process known to the household as going across The living room in which the family life has centred for generations is a big square room furnished in solid mahogany and papered in red as if to mitigate the bleakness of a climate that includes five months of winter in every year There is a big table in the middle of the room covered with a brown cloth at which the family take their meals An air of orderliness pervades the room which perhaps accounts for its being extremely uncomfortable From above the heavy polished sideboard the late John Rutherford looks down from his frame and sees the settle and armchair on either side of the fire the marble clock on the mantelpiece the desk with its brass inkstand and 7 neatly arranged bundles of papers precisely as he saw them in life On this particular evening in December Ann Rutherford is sitting by the fire alternately knitting and dozing She is a faded querulous woman of about sixty and wears a black dress with a big flat brooch and a cap

with lilac ribbons Mary Rutherford a gentle delicate looking woman of twenty six is seated on the settle opposite to her making a baby's cap she is bending forward to catch the light of the fire on her work for the lamp has not yet been brought in Presently Janet comes in carrying a silver basket and a pair of carpet slippers She is a heavy dark woman some ten years older than Mary with an expressionless tired face and monotonous voice All her movements are slipshod and aimless and she seldom raises her eyes She is

Rutherford and Son Githa Sowerby, 1930 **Githa Sowerby: Three Plays** Githa Sowerby, 2021-02-01 Githa Sowerby's *Rutherford and Son* took the London theatre by storm in 1912 Following its triumphant run the play toured to New York was produced throughout England and was translated and staged in multiple European locations Yet Sowerby's initial theatrical success would not be repeated With historical hindsight we can see Sowerby's experience as comparable to that of many other women writers who struggled to achieve lasting recognition especially when their work was perceived as critiquing the forces restricting women's lives These vivid domestic dramas explore timely questions of capitalism feminism and personal freedom With the acclaimed revival of *Rutherford and Son* at the National Theatre in 1994 and with the efforts by feminist scholars and theatre artists to rediscover the work of such forgotten women writers Sowerby and her dramas have secured renewed interest This edition gathers *Rutherford and Son* its companion piece *A Man and Some Women* and the postwar play *The Stepmother* The edition will provide teachers students and artists with important historical contexts for Sowerby's dramas and will demonstrate the ongoing cogency of these dynamic insightful and engaging plays
