Ryder Cup:

Ryder Cup - Player by Player McCann Liam, 2014-08-18 The brainchild of Samuel Ryder a wealthy seed merchant from St Albans the Ryder Cup was a bi annual British American professional golf tournament that was first played for the trophy bearing his name in Worcester Massachusetts in 1927 America won the match and gradually became the dominant force in the competition During the 1960s the results were so one sided that the Ryder Cup was expanded so that players from Ireland could compete for the British team As the Americans continued to win comfortably Jack Nicklaus led the movement to alter the teams so that European players were also allowed to compete against them Since 1983 the contest has become one of the most competitive tournaments in the world with many players achieving sporting immortality for their exploits on green and fairway on both sides of the Atlantic This book examines the careers and Ryder Cup contributions of 50 of the greatest golfers in history from Tiger Woods and Arnold Palmer to Seve Ballesteros and Nick Faldo Lavishly illustrated throughout this book provides the perfect accompaniment to the upcoming tournament at Gleneagles in Scotland [Draw in the Dunes](#) Neil Sagebiel, 2014-09-09 From the author of the critically acclaimed golf history The Longest Shot Neil Sagebiel's Draw in the Dunes is the gripping account of a legendary Cup competition and the story of golf's greatest act of sportsmanship In 1969 the 42 year history of biennial golf matches between the United States and Great Britain reached its climax The U S led by Jack Nicklaus had dominated competitive golf for years Great Britain led by Tony Jacklin was the undisputed underdog But in spite of having lost 14 of 17 Ryder Cups in the past the British entered the 1969 Ryder Cup as determined as the Americans were dominant What followed was the most compelling controversial and contentious Ryder Cup the sport had ever seen Draw in the Dunes is a story of personal and professional conflict from the nervousness displayed at the very beginning of the Ryder Cup matches when one man could not tee his golf ball to the nerve displayed by Nicklaus and Jacklin who battled each other all the way to the final moment of the final match Throughout the Cup 17 of the 32 matches were not decided until the final hole Most electrifying was Nicklaus and Jacklin's contest which decided the fate of the Ryder Cup At the last putt Nicklaus conceded to Jacklin keeping the cup for the Americans while letting the British walk away with their most successful Ryder Cup result in years From this event which came to be known as The Concession Nicklaus and Jacklin forged a lifelong friendship and ushered in a new era of golf **Miracle at Medinah: Europe's Amazing Ryder Cup Comeback** Oliver Holt, 2012-11-22 Golf fans will not forget the 39th Ryder Cup in a hurry Staged at the Medinah Country Club just outside of Chicago the 2012 event has already gone down as the most remarkable competition in its 85 year history The American team had home advantage and a golf course unapologetically set up to suit its own players Supported by tens of thousands of loud and proud fans the USA's star studded line up dominated the first two days and ended the Saturday with a seemingly unassailable 10-6 advantage No away team had ever won the Ryder Cup from such an unpromising position Sunday was singles day traditionally the forte of American teams The situation looked bleak

especially when European team member and number 1 golfer in the world Rory McIlroy very nearly missed his tee off time Yet slowly but surely the European team who had top loaded their line up in one last throw of the dice started to turn the scoreboard blue With inspirational captain Jose Maria Olazabal stiring European blood with thoughts of the late Ryder Cup magician Seve Ballesteros whose silhouette was emblazoned on the players sweaters and bags the tide turned and the previously dominant American players started to crumble in the face of the onslaught Suddenly European players were holing miraculous putts to win holes out of the blue Something very special was happening When German Martin Kaymer sank his putt on the eighteenth green to clinch the point that retained the Ryder Cup the most astonishing comeback in the event s long and distinuished history was complete Miracle at Medinah is the compelling narrative of those amazing three days in Illinois a fitting chronicle of an unbelievable sporting story

The Ryder Cup Peter Pugh,Henry Lord,2012-11-01 For those old enough to remember the Ryder Cups before the 1980s were often dispiriting affairs especially if you were British The Americans were simply too good and the British won only very occasionally At the end of the 1970s the great American golfer Jack Nicklaus suggested that the British invite golfers from Europe to join their team Seve Ballesteros from Spain and Bernhard Langer from Germany were just coming to the peak of their careers and it was an inspired suggestion that fortunately the British accepted The contest became more even and the Europeans began to win as often as the Americans Indeed since 1981 Europe has won ten of the sixteen contests There have been many close and exciting contests with huge dramas developing on the last day Standing out are the matches at Brookline in 1999 when the Americans overturned a deficit of 10 6 going into the final day Celtic Manor in 2010 when the Americans nearly but not quite overturned a substantial European lead and finally at Medinah in 2012 when the Americans

were cruising comfortably to victory on Saturday afternoon with a 10 4 lead only for the Europeans to fight back first by winning the last two fourballs on the Saturday and then winning 81 2 points out of 12 in the singles on Sunday The Ryder Cup captures all the glory of golf s greatest match **Ryder Cup Player by Player** Liam McCann,2015-01-26 The brainchild of Samuel Ryder a wealthy seed merchant from St Albans the Ryder Cup was a bi annual British American professional golf tournament that was first played for the trophy bearing his name in Worcester Massachusetts in 1927 America won the match and gradually became the dominant force in the competition During the 1960s the results were so one sided that the Ryder Cup was expanded so that players from Ireland could compete for the British team As the Americans continued to win comfortably Jack Nicklaus led the movement to alter the teams so that European players were also allowed to compete against them Since 1983 the contest has become one of the most competitive tournaments in the world with many players achieving sporting immortality for their exploits on green and fairway on both sides of the Atlantic This book examines the careers and Ryder Cup contributions of 50 of the greatest golfers in history from Tiger Woods and Arnold Palmer to Steve Ballesteros and Nick Faldo Lavishly illustrated throughout this book provides the perfect accompaniment to the upcoming tournament at Gleneagles in Scotland *An Enduring Passion* Sam Torrance,2011-01-11 The Ryder Cup has defined Sam Torrance s life as a professional golfer He has played with and against some of the greatest golfers the game has ever known in the biggest and most high pressure team event in golf In *An Enduring Passion* Torrance recalls every great moment in the two decades he spent pursuing Ryder Cup glory and looks at how the event has changed since he was trying to qualify for it as a player in the late 1970s He examines the tactics and techniques of the captains he played under and those he played against and tells how his huge experience as a player and his vice captaincy to Mark James in the bear pit of Brookline shaped the way he conducted his own captaincy at The Belfry in 2002 Everything he had learned about the Ryder Cup went into his leadership during that event and when he raised the trophy aloft at the end of it all he knew he had learned the lessons well Today Sam Torrance is one of the most identifiable faces and voices of golf It is the Ryder Cup though that made him and this book is his enlightening account of the competition from an insider s perspective *The Ryder Cup* Nick Callow,2016-07 Every two years the Ryder Cup pits teams from Europe and the US against each other in a sport usually associated with individual play But with national pride at stake the best players from both sides of the Atlantic fight for a place on their respective teams This beautifully illustrated book tells the story of golf s most unique tournament from its humble beginnings in 1927 to the titanic struggles of the modern day This updated edition of *The Ryder Cup* which includes Europe s 2014 victory at the famous Gleneagles Hotel in Scotland is the definitive history of this prestigious international sporting event **Behind the Ryder Cup** Peter Burns,Ed Hodge,2016 Recounts the events of the Ryder Cup golf tournament beginning with the first competition in 1927 at the Worcester Country Club and up through 2014 at Gleneagles all told via a collection of illustrated interview excerpts with both United States and European team players **The Cup**

They Couldn't Lose Shane Ryan,2022-05-10 The definitive story of the Ryder Cup the event that pits the best golfers from America against the best from Europe exploring the modern history of the tournament that led to the showdown at Whistling Straits in 2021 The task facing Steve Stricker at the 2021 Ryder Cup was enormous It was his job as the American captain to stare down almost 40 years of Ryder Cup history break a pattern of home losses that had persisted almost as long and reverse the tide of European dominance in one of golf's most tense and emotional events This was the epitome of a must win but it was also something more in the entire 93 year history of the event no American side had ever faced this kind of pressure Starting on the morning of September 24 those 12 players competed not just for a Cup or for pride but to save the reputation of the U S team itself The great mystery of the Ryder Cup is that America loses despite having superior individual talent The European renaissance began in the 1980s led by the brilliant Tony Jacklin and Seve Ballesteros and since then the U S has suffered a slew of embarrassing defeats abroad and at home The signs in 2021 weren't good Tiger Woods was out after his horrific car crash Patrick Reed Captain America to his supporters was hospitalized with double pneumonia weeks before the event and America had to rely on its rising stars including Bryson DeChambeau and Brooks Koepka who spent most of the year immersed in an escalating feud to prove their mettle Meanwhile the European team had a few major stars of its own like Jon Rahm the world no 1 and the first Spanish player ever to win the U S Open and Rory McIlroy the four time major winner Throw in the complications of a global pandemic and the stage was set for one of the strangest Ryder Cups ever Following the drama in Wisconsin while deconstructing the rich history of the tournament *The Cup They Couldn't Lose* tells the story of how the U S defeated Europe in record fashion restored their status as golf's global superpower and transformed their entire way of thinking in order to truly understand the nature of the Ryder Cup *The Sports Librarian's Best of 2022 Sports Books*

The Ryder Cup Bruce Critchley, Henry Lord, Peter Pugh,2010-09 For those old enough to remember the Ryder Cups before the 1980s were often dispiriting affairs especially if you were British The Americans were simply too good and the British won only very occasionally At the end of the 1970s the great American golfer Jack Nicklaus suggested that the British invite golfers from Europe to join their team Seve Ballesteros from Spain and Bernhard Langer from Germany were just coming to the peak of their careers and it was an inspired suggestion that fortunately the British accepted The contest became more even and the Europeans began to win as

often as the Americans Indeed since 1981 Europe has won ten of the sixteen contests There have been many close and exciting contests with huge dramas developing on the last day Standing out are the matches at Brookline in 1999 when the Americans overturned a deficit of 10 6 going into the final day Celtic Manor in 2010 when the Americans nearly but not quite overturned a substantial European lead and finally at Medinah in 2012 when the Americans were cruising comfortably to victory on Saturday afternoon with a 10 4 lead only for the Europeans to fight back first by winning the last two fourballs on the Saturday and then winning 81 2 points out of 12 in the singles on Sunday The Ryder Cup captures all the glory of golf s greatest match
