Saddle Bag Spinning Wheel:

Household War Lisa Tendrich Frank, LeeAnn Whites, 2020-01-15 Household War restores the centrality of households to the American Civil War. The essays in the volume complicate the standard distinctions between battlefield and homefront soldier and civilian and men and women. From this vantage point they look at the interplay of family and politics studying the ways in which the Civil War shaped and was shaped by the American household. They explore how households influenced Confederate and Union military strategy the motivations of soldiers and civilians and the occupation of captured cities as well as the experiences of Native Americans women children freedpeople injured veterans and others. The result is a unique and much needed approach to the study of the Civil War. Household War demonstrates that the Civil War can be understood as a revolutionary moment in the transformation of the household order. The original essays by distinguished historians provide an inclusive examination of how the war flowed from required and resulted in the restructuring of the nineteenth century household. Contributors explore notions of the household before during and after the war unpacking subjects such as home family quarrels domestic service and slavery manhood the Klan prisoners and escaped prisoners Native Americans grief and manhood. The essays further show how households redefined and reordered themselves as a result of the changes stemming from the Civil War.

The Confederate Resurgence of 1864 William Marvel, 2024-11-14 William Marvel's The Confederate Resurgence of 1864 examines a dozen understudied Confederate and Union military operations carried out during the spring of 1864 that taken cumulatively greatly revived white southerners hopes for independence. Among the pivotal moments during this period were the sinking of the USS Housatonic by the CSS Hunley Nathan Bedford Forrest's defeat of William Sooy Smith's cavalry raid and the Confederate army's victory at Olustee Florida. The repulse of Union advances on Dalton Georgia botched Union raids on Richmond and the capture of the Union garrison in Plymouth North Carolina likewise suggested that the tide of fighting had turned toward the Confederate cause. These events boosted the morale of southern troops and citizens and caused grave concerns about the war effort in the North and in the mind of Abraham Lincoln. In late 1863 and early 1864 dejection and despair prevailed in the South. Union soldiers had vanquished Robert E Lee at Gettysburg the Confederate nation had been cut in two Tennessee was lost and Braxton Bragg's army had been utterly routed at Chattanooga. Defeatism loomed in the South during the first weeks of 1864 and the ease with which William T Sherman rampaged across Mississippi illustrated the dominance of Union forces while Confederates' ineffectual assault on New Bern accentuated their weakness. Yet between February 20 and April 30 southern troops enjoyed an unbroken string of successes that included turning back a concerted Union offensive during the Red River campaign as well as Forrest's triumphant incursions into Union City Paducah and Fort Pillow. Aided by flawed strategy implemented by Union army officers the achievements of Confederate forces restored hope and confidence in camp and on the southern home front. The Confederacy's battlefield successes during the early months of 1864 remained almost unnoticed by Civil War scholars until recently and

have never been investigated in detail until now The victories invigorated southern combatants demonstrating how abruptly the most dismal military prospects could be reversed Without that experience Marvel argues the Confederates who faced Sherman and Grant in the spring of that year would certainly have displayed less ferocity and likely would have succumbed more quickly to the demoralization that ultimately led to the collapse of Confederate resistance The Era of the Civil War--1820-1876 Louise A. Arnold-Friend, US Army Military History Institute, 1982 **Empty Sleeves** Brian Craig Miller, 2015 The Civil War shattered both the flesh and psyche of thousands of soldiers Brian Craig Miller shows how the hospital emerged as the first arena where southerners faced the stark reality of what amputation would mean for men and women and their respective positions in southern society after the war **The Confederate Heartland** Bradley R. Clappitt, 2011-12-12 Bradley R. Clappitt's *The Confederate Heartland* examines morale in the Civil War's western theater the region that witnessed the most consistent Union success and Confederate failure and the battleground where many historians contend that the war was won and lost Clappitt's western focus provides a glimpse into the hearts and minds of Confederates who routinely witnessed the defeat of their primary defenders the Army of Tennessee This book tracks morale through highs and lows related to events on and off the battlefield and addresses the lingering questions of when and why western Confederates recognized and admitted defeat Clappitt digs beneath the surface to illustrate the intimate connections between battlefield and home front and demonstrates a persistent dedication to southern independence among residents of the Confederate heartland until that spirit was broken on the battlefields of Middle Tennessee in late 1864 The western Confederates examined in this study possessed a strong sense of collective identity that endured long past the point when defeat on the battlefield was all but certain Ultimately by authoring a sweeping vision of the Confederate heartland and by addressing questions related to morale nationalism and Confederate identity within a western context Clappitt helps to fashion a more balanced historical landscape for Civil War studies **Journal of Special Operations Medicine**, 2006 **I Hope to Do My Country Service** John Bennitt, 2005 In 1862 at the age of thirty two Centreville Michigan physician John Bennitt joined the 19th Michigan Infantry Regiment as an assistant surgeon and remained in military service for the rest of the war During this time Bennitt wrote more than two hundred letters home to his wife and daughters sharing his careful and detailed observations of army life his medical trials in the field and army hospitals dramatic battles and character sketches of the many people he encountered including his regimental comrades captured Confederates and local citizens in southern towns Bennitt writes about the war's progress on both the battlefield and the home front and also reveals his changing view of slavery and race Bennitt traces the history of the 19th Michigan Infantry from its mustering in Dowagiac in August 1862 its duty in Kentucky and Tennessee its capture and imprisonment by Confederate forces its subsequent exchange and reorganization its participation in the Atlanta and the Carolinas campaigns its place in the Grand Review in Washington and the final mustering out in Detroit in June 1865 John Bennitt's significant collection of letters sheds light not only on the Civil

War but on the many aspects of life in a small Michigan town Although a number of memoirs from Civil War surgeons have been published in the last decade I Hope to Do My Country Service is the first of its kind from a Michigan regimental surgeon to appear in more than a century The Confederacy's Last Hurrah Wiley Sword,2017-02-28 The rise of Civil War general John Bell Hood his command of the Confederate Army of Tennessee and the decisions that led to its downfall Though he barely escaped expulsion from West Point John Bell Hood quickly rose through the ranks of the Confederate army With bold leadership in the battles of Gaines Mill and Antietam Hood won favor with Confederate president Jefferson Davis But his fortunes in war took a tragic turn when he assumed command of the Confederate Army of Tennessee After the fall of Atlanta Hood marched his troops north in an attempt to draw Union army general William T Sherman from his devastating March to the Sea But the ploy proved ruinous for the South While Sherman was undeterred from his scorched earth campaign Hood and his troops charged headlong into catastrophe In this compelling account Wiley Sword illustrates the poor command decisions and reckless pride that made a disaster of the Army of Tennessee s final campaign From Spring Hill where they squandered an early advantage Hood and his troops launched an ill fated attack on the neighboring town of Franklin The disastrous battle came to be known as the Gettysburg of the West But worse was to come as Hood pressed on to Nashville where his battered troops suffered the worst defeat of the entire war Winner of the Fletcher Pratt Award for best work of nonfiction about the Civil War The Confederacy s Last Hurrah chronicles the destruction of the South s second largest army Narrated with brisk attention to the nuances of strategy and with measured solemnity over the waste of life in war it is a groundbreaking work of scholarship told with authority and compassion Kirkus Reviews All that Makes a Man Stephen William Berry,2003 As the realities of the war became apparent however the letters and diaries turned from idealized themes of honor and country to solemn reflections on love and home Jacket **Civil Wars** George C. Rable,2022-10-17 Born into a male dominated society southern women often chose to support patriarchy and their own celebrated roles as mothers wives and guardians of the home and humane values George C Rable uncovers the details of how women fit into the South s complex social order and how Southern social assumptions shaped their attitudes toward themselves their families and society as a whole He reveals a bafflingly intricate social order and the ways the South s surprisingly diverse women shaped their own lives and minds despite strict boundaries Paying particular attention to women during the Civil War Roble illuminates their thoughts on the conflict and the threats and challenges they faced and looks at their place in both the economy and politics of the Confederacy He also ranges back to the antebellum era and forward to postwar South when women quickly acquiesced to the old patriarchal system but nonetheless lived lives changed forever by the war Winner of the 1989 Jefferson Davis Award of the Museum of the Confederacy 1989 Winner of the Julia Cherry Spruill Prize of the Southern Association of Women Historians 1991
