Saddle Justice (Large Print) Steven C. Lawrence, 2003 He rode into Buffalo sun darkened dusty and smelling of danger a big man with a Winchester saddle boot and a gunbelt that looked like an old friend His name was Sergeant Will Roderick out of Fort Abraham Lincoln The town had lynched his younger brother only days before Roderick was here to find out who and why in a town of casual justice and whisky fast draws a town that waited for him to make his move and didn't realize it was out of its class of fighting a man who had spent a lifetime in the business of fighting the Indians **Saddle Justice, etc. [A novel.]** Steven C. LAWRENCE (pseud. [i.e. Lawrence D. Murphy.]), 1958 **Papal Justice** Irene Fosi, 2011-03 In early modern Europe justice was always the key to public order and the state's main pillar The pope though the head of the church was also a prince like any other but his justice as machinery and moral model displayed the double nature of his rule targeting not only actions but also beliefs and consciences Irene Fosi the doyenne of scholars of papal justice lays out the ambitious complex and sometimes baffled endeavors of the pope's magistrates and through lively anecdotes gives the flavor of the encounter between the pope's assorted magistrates inquisitors and others and the men and women hauled before the law Originally published in Italian and widely acclaimed Papal Justice has been translated into English by Thomas V Cohen professor of history at York University With the English edition this lively overview of the papal justice system reaches a transatlantic readership and makes available the fruit of Fosi's decades long research in unpublished archives in Rome and the Vatican The book examines the very motley shape of the pope's territorial domain the institutions found there and the relationships between Rome and its outlying cities Microhistories of how things worked form a clear picture of relations between the sovereign and his subjects ABOUT THE AUTHOR Irene Fosi is professor of modern history at the University G d Annunzio Chieti Pescara in Italy The Italian edition of this book *La giustizia del papa Sudditi e tribunale nello Stato pontificio in età moderna* was published in 2007 by Laterza Fosi has published two other books and numerous articles PRAISE FOR THE BOOK Irene Fosi is a seasoned scholar of Renaissance and Baroque Rome with over a quarter century of experience in papal judicial archives Her book is a well devised study of the courts and cases of Rome and the Papal State The extended quotations from sources afford the reader a real taste of the interests and thinking of papal officials Roman nobles and local

figures of all ranks The translation is simple elegant and faithful to the original Thomas Kuehn Professor of History Clemson University Fosi is unquestionably the foremost authority in any language on the early modern papacy with an unrivaled range of experience working in different kinds of judicial sources Fosi has a wonderful ear for the voices of exasperated administrators or desperate petitioners and her quotations bring them alive Equally important her judgments can be trusted She depicts papal justice in a fully rounded fashion Laurie Nussdorfer Professor of History and Letters Wesleyan University This book is the perfect combination of in depth archival knowledge coupled with decades of historical experiences and the precision of the English language in an eloquent and accurate translation Renaissance and Reformation **Saddle Justice, Etc** Steven C. Lawrence,1958 **Cracker Justice** Janet Post,2020-07-17 When Texas cowboy Jesse Pruitt purchases land in Florida he quickly discovers ranching in Florida is uniquely different from ranching in Texas When Jesse s life intersects with Harriet Painter a survivor of abuse at the hands of her uncle Buford Malachai McQueen the son of an El Paso working woman and others with names like Moccasin Bob and Pelo Berryhill what results is a case of murder stolen identity a runaway girl in peril and a love story Cracker Justice explores the true history of the Sara Sota Vigilance Committee a group of prominent ranchers and business men who resorted to violent tactics to evict squatters and farmers from the open range It is a novel of Florida s outlaw history that blends historical fact with engaging fictional characters who revolve around the classic cowboy hero Jesse Pruitt Cracker Justice combines all the essential parts of a classic Cracker Western **Latimer's Justice** Terrell Bowers,2017-04-01 Dean Latimer has a reputation for staying cool under fire and being handy with both his fists and guns So when the US marshal needs him to help a lady prove her brother innocent of a murder charge he is the perfect man for the job Baxterville though is run by three crooked men with gunslingers backing their play and when Latimer tries to save the innocent man he ends up accused of murder and running for his life But Dean Latimer didn t earn his good name by being meek When it comes to a fight there s hell to pay and no refunds for the losers Bullwhip Justice George Richard Knight,2011-12-02 As I grew up hearing stories of my grandfather and his adventures in life I wrote a novel and called it West by Bullwhip It was historical fiction but many of the life stories about my grandfather James Alburn Knight later picking up the name Jack and his family were true happenings Bullwhip Justice has many of the same characters but is total fiction My publisher for the first book said I had failed to put romance in the book and needed to write about a love interest for my main character So we now have Bullwhip Justice and a love affair that carries our main character on highs and lows of several magnitudes It fulfills the meaning behind the title Jack continues his skillful use of the bullwhip and finds the use helpful in reducing the death rate in the growing west saving the final justice as the perfect place to display the diversity of the bullwhip **Heritage Comics Dallas Signature Auction Catalog** Ivy Press,2006-07 Juvenile Justice Steven M. Pojman,2016-09-13 Written by a group of distinguished philosophers the Foundations of Philosophy Series aims to exhibit some of the main problems in the various fields of philosophy at the present stage of philosophical inquiry This book is written from the viewpoint that although justice is the most important concept in political philosophy it is also one of the most contested concepts in philosophy Coverage begins with an overview of the
