**Effective Communication Skills** Kulbhushun Kumar, Globalization has brought in numerous opportunities for the teeming millions, with more focus on the students' overall capability apart from academic competence. Many students, particularly those from non-English medium schools, find that they are not preferred due to their inadequacy of communication skills and soft skills despite possessing sound knowledge in their subject area along with technical capability. Keeping in view their pre-employment needs and career requirements, the book will help the students to change their traditional mindsets from controlling to creativity, to employee empowerment and organizational learning, to gain skills in the language which has become the international lingua franca, a language of global economy. All the chapters are full of gems and rubies, but the chapters based on resume writing, group discussion, conducting meetings, interview skills, grammar, etc. are

the black pearls in the treasure trove Also the chapters are dainty detectable and delightful as part and parcel of your reading writing and speaking skills This book will surely empower students with the language and life skills they need to carry out their career goals It also provides ample opportunities for the students to build awareness and practice the language in real life scenarios Its integrated skills approach develops the students self confidence to survive and succeed in professional and social encounters within the English speaking global community
