

A night scene of a Venetian canal, likely the Grand Canal, with historic buildings lining the water. The buildings are illuminated by warm lights, and their reflections are visible in the calm water. A small bridge is visible in the distance on the right.

Death at La Fenice Donna Leon, 2004-07-27 There is little violent crime in Venice a serenely beautiful floating city of mystery and magic history and decay But the evil that does occasionally rear its head is the jurisdiction of Guido Brunetti the suave urbane vice commissario of police and a genius at detection Now all of his admirable abilities must come into play in the deadly affair of Maestro Helmut Wellauer a world renowned conductor who died painfully from cyanide poisoning during an intermission at La Fenice But as the investigation unfolds a chilling picture slowly begins to take shape a detailed portrait of revenge painted with vivid strokes of hatred and shocking depravity And the dilemma for Guido Brunetti will not be finding a murder suspect but rather narrowing the choices down to one **Death at La Feniche** Donna Leon, 2019-10-08 In the first book in the internationally bestselling Guido Brunetti detective series a high society murder leads Guido to investigate the darker side of beautiful Venice Now available as a limited Olive Edition from Harper Perennial Leon has never become perfunctory never failed to give us vivid portraits of people and of Venice never lost her fine disillusioned indignation Ursula K LeGuin New York Times There is little violent crime in Venice a serenely beautiful floating city of mystery and magic history and decay But the evil that does occasionally rear its head is the jurisdiction of Guido Brunetti the suave urbane vice commissario of police and a genius at detection Now all of his admirable abilities must come into play in the deadly affair of Maestro Helmut Wellauer a world renowned conductor who died painfully from cyanide poisoning during an intermission at
