Murder At The Farm:

The Murder Farm Andrea Maria Schenkel, 2014-06-03 The Times Literary Supplement said of The Murder Farm With only a limited number of ways in which violent death can be investigated crime writers have to use considerable ingenuity to bring anything fresh to the genre Andrea Maria Schenkel has done it in her first novel The first author to achieve a consecutive win of the German Crime Prize Schenkel has won first place for both The Murder Farm and Ice Cold The Murder Farm begins with a shock a whole family has been murdered with a pickaxe They were old Danner the farmer an overbearing patriarch his put upon devoutly religious wife and their daughter Barbara Spangler whose husband Vincenz left her after fathering her daughter little Marianne She also had a son two year old Josef the result of her affair with local farmer Georg Hauer after his wife s death from cancer Hauer himself claimed paternity Also murdered was the Danners maidservant Marie An unconventional detective story The Murder Farm is an exciting blend of eyewitness account third person narrative pious diatribes and incomplete case file that will keep readers guessing When we leave the narrator not even he knows the truth and only the reader is able to reach the shattering conclusion **Murder at the Farm** Beatrix Potter, Paul Foot, 1993-08-01

Murder at the Farm Paul Foot, 1998 Farm Fresh Murder Paige Shelton, 2010-04-06 First in the Farmer s Market Mystery Series Becca Robins leads a simple life making jams and preserves on her very own farm But when there s a murder in her quaint little town she puts herself in the line of fire to defend her friend s innocence and goes from making jam to being in one *The Murders at White House Farm* Carol Ann Lee, 2015-07-30 The Sunday Times bestseller and the definitive story behind the ITV factual drama White House Farm about the horrific killings that took place in 1985 On 7 August 1985 Nevill and June Bamber their daughter Sheila and her two young sons Nicholas and Daniel were discovered shot to death at White House Farm in Essex The murder weapon was found on Sheila s body a bible lay at her side All the windows and doors of the farmhouse were secure and the Bambers son 24 year old Jeremy had alerted police after apparently receiving a phone call from his father who told him Sheila had gone berserk with the gun It seemed a straightforward case of murder suicide but a dramatic turn of events was to disprove the police s theory In October 1986 Jeremy Bamber was convicted of killing his entire family in order to inherit his parents substantial estates He has always maintained his innocence Drawing on interviews and correspondence with many of those closely connected to the events including Jeremy Bamber and a wealth of previously unpublished documentation Carol Ann Lee brings astonishing clarity to a complex and emotive case She describes the years of rising tension in the family that culminated in the murders and provides clear insight into the background of each individual and their relationships within the family unit Scrupulously fair in its analysis *The Murders at White House Farm* is an absorbing portrait of a family a time and a place and a gripping account of one of Britain s most notorious crimes *Campbell Farm and the Migrant Murders* Margaret McCulloch, 2014-03 When Cody Campbell hires migrant workers for his shipping business he has no idea how much trouble he s just brought
