Murder In The Crescent City:

Murder in the Crescent City Mickey L. Strain, 2002-12 Tangled Web is a pervasive tale of deceit hate passion and revenge Jeff Bowman whose parents are swindled out of their life s savings by unscrupulous land developer s vows to bring them to justice and get his pound of revenge Jeff and his partner in a private investigation company headquartered in Sunnyvale California in the heart of Silicon Valley are drawn into an investigation of the murder of a young man in Santa Rosa a village north of San Francisco Their journey leads them through a Tangled Web of drugs and corruption Central to the drug investigation is the dogged determination of DEA agent s Suzanne Sloan and Carl Guiliano who follow the twisted and tangled web to bring down the west coast drug syndicate and leads to an international chase of the king pin Crescent City Murder Alec Peche, 2018-02-10 *Murder in the Rue Urselines* Greg Herren, 2012-05-01 When Chanse MacLeod is hired to find out who is blackmailing a high profile movie star couple living in the French Quarter he soon realizes it isn t just on a movie set where things are make believe Against the backdrop of a rebuilding New Orleans Chanse races to find out the truth about his treacherous clients and to clear his own name Road to Murder Janet Bryant, 2016-05-18 Osborne Pruitt is a young Creole Cajun boy who turns out to be a serial killer He grows up in Venice Louisiana 75 miles south of New Orleans His mother leaves frequently to work in New Orleans for Crescent City Inc Due to his abandonment Osborne kills in an extremely grotesque manner Two keen and shrewd New Orleans detectives track him from New Orleans to Venice and California Veronica Miles who is wealthy and beautiful is celebrating her fourth wedding anniversary to Ross Carter They have a beautiful home in Bel Air California She has no idea what her husband and her two best friends are capable of When she finds out the truth she was shocked beyond belief These two stories intertwine as Osborne travels to California to meet his father His father helps him out of an impossible situation **The Crescent City Lynchings** Tom Smith, 2007 In 1890 a group of Italian immigrants and Italian Americans were accused of gunning down New Orleans police chief David Hennessy who had come between two rival waterfront gangs Nineteen men were indicted nine stood trial After six of the nine accused were acquitted and the remaining three awarded mistrials a vigilante mob of 8 000 people fought their way into the Parish Prison and killed eleven of the defendants The incident drew anti American ire from across the world and even brought the U S to the brink of war with Italy until formal reparations were made Tom Smith presents an in depth and nuanced account of the episode that was the greatest mass lynching in our nation s history and which popularized the term Mafia in the American lexicon Murder in New Orleans Jeffrey S. Alder, 2019-08-02 New Orleans in the 1920s and 1930s was a deadly place In 1925 the city s homicide rate was six times that of New York City and twelve times that of Boston Jeffrey S Adler has explored every homicide recorded in New Orleans between 1925 and 1940 over two thousand in all scouring police and autopsy reports old interviews and crumbling newspapers More than simply quantifying these cases Adler places them in larger contexts legal political cultural and demographic and emerges with a tale of racism urban violence and vicious policing

that has startling relevance for today Murder in New Orleans shows that whites were convicted of homicide at far higher rates than blacks leading up to the mid 1920s But by the end of the following decade this pattern had reversed completely despite an overall drop in municipal crime rates The injustice of this sharp rise in arrests was compounded by increasingly brutal treatment of black subjects by the New Orleans police department Adler explores other counterintuitive trends in violence particularly how murder soared during the flush times of the Roaring Twenties how it plummeted during the Great Depression and how the vicious response to African American crime occurred even as such violence plunged in frequency revealing that the city's cycle of racial policing and punishment was connected less to actual patterns of wrongdoing than to the national enshrinement of Jim Crow Rather than some hyperviolent outlier this Louisiana city was a harbinger of the endemic racism at the center of today's criminal justice state Murder in New Orleans lays bare how decades old crimes and the racially motivated cruelty of the official response have baleful resonance in the age of Black Lives Matter **The First**

Family Mike Dash,2009-08-04 Hundreds of books have been written about the American Mafia but none has told how it came into existence This one does Mafia books are notoriously unreliable too often filled with the recycled errors of earlier authors This one has been painstakingly researched from primary sources including interviews with surviving family members and a vast previously unexamined Secret Service archive The result is an extraordinary work of history that grips astonishes and chills the blood like a thriller It tells the little known story of the Morello family pioneers of protection rackets bizarre rituals and Mafia wars Before the Five Families who dominated US organized crime for a bloody half century there was the surpassingly cunning Giuseppe Morello and his murderous coterie of brothers Born into a life of poverty in rural Sicily Morello became an American nightmare Mike Dash follows the birth of the Mafia in America from the 1890s to the 1920s from the wharves of New Orleans to the streets of Little Italy He brings to life the remarkable villains and unusual heroes of the Mafia's early years and does so without ever resorting to fiction or imagined history The First Family is more than just a pulse quickening Mafia narrative This is how it really happened Murder in the Garden District Greg

Herren,2012-07-01 The Sheehans are referred to as Louisiana's Kennedys a powerful political dynasty with connections in Baton Rouge and Washington When Warren Sheehan is shot to death in his Garden District mansion Chanse races to sort out the truth from the many lies surrounding the great family as another hurricane puts New Orleans squarely in its cross hairs

Adventures in an Alternative Reality of Living in Louisiana Jim Brown, 2008 Jim Brown has a lot to say His first book JUSTICE DENIED painted a chilling picture of how easy it can be for an individual to be prosecuted and persecuted by the federal judicial system Since this first publication he has continued his writings with a

weekly column that is widely read in newspapers and internet sites throughout the South Few southern writers have observed the struggles within Louisiana to catch up with other more progressive states throughout the country That is because Jim Brown not only has witnessed the changes taking place he was a part of the political process for twenty eight years His insights bring practical wisdom for the present and a vision of what could be in the future for this deepest of the deep southern states His observations and conclusions in are not just limited to within Louisiana And that is the joy of this collection of columns Jim Brown takes the reader on a whirlwind tour of the world from Bangkok to Paris from the D Day landing site in France to St Paul s cathedral in London and a drive across America all with a Louisiana flavor And yes he does have an agenda Whether you read his opinions on political issues and current affairs to personal revelations there will never be any doubt of Jim Brown s point of view And that we hope you will agree is refreshing in this day and time But besides being a respected observer of the political scene in Louisiana Jim Brown s ideas are what really matter Yes he entertains inspires and informs and does so by cutting through the fog of confusion as to the future of the Bayou State His lessons have appeal and application throughout America and that is why his following continues to grow Michael Newton,2004-01-01

Mass Murder Richard Williams,2019-02-26 A lone gunman opened fire with a rifle at a resort in Smith River California killing five and wounding two others *The Latter-Day Saints' Millennial Star* ,1857 **Americana** ,1913 **The Wrong Side of Murder Creek** Bob Zellner,2008-09-01 Even forty years after the civil rights movement the transition from son and grandson of Klansmen to field secretary of SNCC seems quite a journey In the early 1960s when Bob Zellner s professors and classmates at a small church school in Alabama thought he was crazy for even wanting to do research on civil rights it was nothing short of remarkable Now in his long awaited memoir Zellner tells how one white Alabamian joined ranks with the black students who were sitting in marching fighting and sometimes dying to challenge the Southern way of life he had been raised on but rejected Decades later he is still protesting on behalf of social change and equal rights Fortunately he took the time with co author Constance Curry to write down his memories and reflections He was in all the campaigns and was close to all the major figures He was beaten arrested and reviled by some but admired and revered by others The Wrong Side of Murder Creek winner of the 2009 Lillian Smith Book Award is Bob Zellner s larger than life story and it was worth waiting for
