Eating Well for Less Than \$30 a Week Kathryn Collis,2015-03-04 Plenty of books have been written about budgeting for

families Eating Well for Less Than 30 a Week is aimed at helping single people on limited incomes eat nutritious food without breaking the bank based on planning weekly or fortnightly menus In the first section I address the question Am I getting enough food Here I outline a typical weekly menu which forms the basis for that weeks food purchases The cost of these items is shown in detail in Section 4 Other sections cover eating while travelling health issues food storage and tips for people working outside the home I have also provided some recipes for cheap meals that can be prepared quickly and easily This is a down to earth commonsense guide to budgeting with nutritional and health information thrown in for good measure Praise for Siblings An intense well crafted story of how the people closest to us can become our worst enemiesKirkus

Reviews **Biodynamic Craniosacral Therapy, Volume Four** Michael J. Shea, Ph.D.,2012-04-17 Interest in craniosacral therapy has exploded in recent years not surprising given its gentle effective approach to working on the spine and the skull and its cranial sutures diaphragms and fascias The treatment focuses on the 92 percent of the human body composed of living water rather than the eight percent that most therapies address Building on the previous books which explored underlying principles differentiating the components of the practice and combining theory and practice this volume illustrates the evolution of craniosacral therapy over the past 30 years More than 50 hand positions are presented in detailed photographs many with multiple views each of which can be used immediately and effectively Additional chapters focus on the correct use and boundaries of the therapist s hands a precise sequence to follow when practicing biodynamically and working with the therapist s perception of the therapeutic process Written for practitioners in the fields of massage mental health complementary and alternative medicine and chiropractics this book like the others in the series is equally useful read on its own or in sequence *Healing Digestive Disorders* Andrew Gaeddert,2018-05-16 In *Healing Digestive Disorders*
