No Laughing Matter An Analysis Of Sexual Humor No Laughing Matter

John A. Burrison

No Laughing Matter An Analysis Of Sexual Humor No Laughing Matter:

No Laughing Matter. An Analysis of Sexual Humor ,1968 **No Laughing Matter** Gershon Legman,1982 No Laughing Matter Gershon Legman,1982 **Sex and Humor** Kinsey Institute for Research in Sex, Gender, and Reproduction,2002 Four important essays on humor and sexuality plus humorous art and artifacts from the collections of The Kinsey Institute *No Laughing Matter* ,2013-03-14 No Laughing Matter is a wide ranging collection of new studies of the comic theatre of Athens from its origins until the 340s BCE Fifteen international scholars employ an array of approaches and methodologies that will appeal to Classics and Theatre scholars while still remaining accessible to students By including discussions of fragmentary authors alongside Aristophanes the collection provides a broad understanding of the richness of Athenian comedy The collection showcases the best of the new scholarship on Old and Middle Comedy using the most up to date texts and tools No Laughing Matter has been prepared in tribute to Professor Ian Storey of Trent University Peterborough Ontario whose work on Athenian comedy will continue to shape scholarship for many years to come **Jeannie Robertson** James Porter,Herschel Gower,1995 Combining biography folklore oral history and ethnomusicology this book explores the life and repertoire of the Scottish traditional singer Jeannie Robertson 1908 1975 an artist whom Alan Lomax hailed as a monumental figure in twentieth century folksong Utilizing numerous quotations from Robertson s own oral accounts of her life James Porter and Herschel Gower trace her career as a member of the marginal nomadic group in Northeast Scotland known as travellers whose origin is obscure They explain the importance of traditional song in Robertson s family and community and include eighty of her songs complete with musical notation *Porn Studies* Linda Williams,2004 In her pioneering book *Hard Core* Linda Williams put moving image pornography on the map of contemporary scholarship with her analysis of the most popular and enduring of all film and video genres Now fifteen years later she showcases the next generation of critical thinking about pornography and signals new directions for study and teaching *Porn Studies* resists the tendency to situate pornography as the outer limit of what can be studied and discussed With revenues totaling between ten and fourteen billion dollars annually more than the combined revenues of professional football basketball and baseball visual hard core pornography is a central feature of American popular culture It is time Williams contends for scholars to recognize this and give pornography a serious and extended analysis The essays in this volume move beyond feminist debates and distinctions between a good erotica and a bad hard core Contributors examine varieties of pornography from the tradition of the soft core pin up through the contemporary hard core tradition of straight gay and lesbian videos and dvds to the burgeoning phenomenon of pornography on the Internet They explore as examples of the genre individual works as divergent as *The Starr Report* the pirated Tommy Lee Pamela Anderson honeymoon video and explicit Japanese ladies comics consumed by women They also probe difficult issues such as the sexualization of race and class and the relationship of pornography to the avant garde To take pornography seriously as

an object of analysis also means teaching it Porn Studies thus includes a useful annotated bibliography of readings and archival sources important to the study of pornography as a cultural form Contributors Heather Butler Rich Cante Jake Gerli Minette Hillyer Nguyen Tan Hoang Despina Kakoudaki Franklin Melendez Ara Osterweil Zabet Patterson Constance Penley Angelo Restivo Eric Schaefer Michael Sicinski Deborah Shamoon Maria St John Tom Waugh Linda Williams *Marked in Your Flesh* Leonard B. Glick, 2005-06-30 The book of Genesis tells us that God made a covenant with Abraham promising him a glorious posterity on the condition that he and all his male descendents must be circumcised For thousands of years thereafter the distinctive practice of circumcision served to set the Jews apart from their neighbors The apostle Paul rejected it as a worthless practice emblematic of Judaism's fixation on physical matters Christian theologians followed his lead arguing that whereas Christians sought spiritual fulfillment Jews remained mired in such pointless concerns as diet and circumcision As time went on Europeans developed folklore about malicious Jews who performed sacrificial murders of Christian children and delighted in genital mutilation But Jews held unwaveringly to the belief that being a Jewish male meant being physically circumcised and to this day even most non observant Jews continue to follow this practice In this book Leonard B Glick offers a history of Jewish and Christian beliefs about circumcision from its ancient origins to the current controversy By the turn of the century more and more physicians in America and England but not interestingly in continental Europe were performing the procedure routinely Glick shows that Jewish American physicians were and continue to be especially vocal and influential champions of the practice which he notes serves to erase the visible difference between Jewish and gentile males Informed medical opinion is now unanimous that circumcision confers no benefit and the practice has declined In Jewish circles it is virtually taboo to question circumcision but Glick does not flinch from asking whether this procedure should continue to be the defining feature of modern Jewish identity *Storytellers* John A. Burrison, 1991 Presents 260 of the rural South's best stories collected over a twenty year period with their roots in Anglo Saxon African American and Native American traditions **Dirty Jokes and Bawdy Songs** Susan Davis, 2019-10-15 Collector of sexual folklore Cataloger of erotica Tireless social critic Gershon Legman's singular disreputable resume made him a counter cultural touchstone during his forty year exile in France Despite his obscurity today Legman's prescient work and passion for the prurient laid the groundwork for our contemporary study of the forbidden Susan G Davis follows the life and times of the figure driven to share what he found in civilization's secret libraries Self taught and fiercely unaffiliated Legman collected the risqu on street corners and in theaters and dug it out of little known archives If the sexual humor he uncovered often used laughter to disguise hostility and fear he still believed it indispensable to the human experience Davis reveals Legman in all his prickly provocative complexity as an outrageous nonconformist thundering at a wrong headed world while reveling in conflict violating laws and boundaries with equal abandon and pursuing love and improbable adventures Through it all he maintained a kaleidoscopic network of friends fellow intellectuals celebrity admirers and like minded obsessives *Talk*

about Trouble Nancy J. Martin-Perdue, Charles L. Perdue, 1996 Talk about Trouble presents 61 Writers Project life histories that depict Virginia men and women both blacks and whites and offer a cross section of ages occupations experiences and cultural and class backgrounds Headnotes set the context for each life history and introduce people and themes that link individual events and experiences

White Trash John King, 2001 Dette er en fortelling om klassehat og mord stedet er et sykehus i en drabantby i S r st England En fortelling om den klassiske kampen mellom det gode og det onde setter Ruby en sykepleier opp mot mr Jeffries en konsulent fra den vre middelklasse

Crap Wendy A. Woloson, 2020-10-05 Crap We all have it Filling drawers Overflowing bins and baskets Proudly displayed or stuffed in boxes in basements and garages Big and small Metal fabric and a whole lot of plastic So much crap Abundant cheap stuff is about as American as it gets And it turns out these seemingly unimportant consumer goods offer unique insights into ourselves our values and our desires In Crap A History of Cheap Stuff in America Wendy A Woloson takes seriously the history of objects that are often cynically made and easy to dismiss things not made to last things we don t really need things we often don t even really want Woloson does not mock these ordinary everyday possessions but seeks to understand them as a way to understand aspects of ourselves socially culturally and economically Why do we as individuals and as a culture possess these things Where do they come from Why do we want them And what is the true cost of owning them Woloson tells the history of crap from the late eighteenth century up through today exploring its many categories gadgets knickknacks novelty goods mass produced collectibles giftware variety store merchandise As Woloson shows not all crap is crappy in the same way bric a brac is crappy in a different way from say advertising giveaways which are differently crappy from commemorative plates Taking on the full brilliant and depressing array of crappy material goods the book explores the overlooked corners of the American market and mindset revealing the complexity of our relationship with commodity culture over time By studying crap rather than finely made material objects Woloson shows us a new way to truly understand ourselves our national character and our collective psyche For all its problems and despite its disposability our crap is us

Handbook of American Folklore Richard M. Dorson, 1986-02-22 Includes material on interpretation methods and presentation of research

Quest of the Folk Ian McKay, 2009-05 Debunking the myth of Nova Scotians as simple folk

Quest of the Folk, CLS Edition Ian McKay, 2009-05-01 The popular conception of Nova Scotians as a pure simple idyllic people is false argues Ian McKay In The Quest of the Folk he shows how the province s tourism industry and cultural producers manipulated and refashioned the cultural identity of the region and its people to project traditional folk values McKay offers an in depth analysis of the infusion of a folk ideology into the art and literature of the region and the use of the idea of the Simple Life in tourism promotion He examines how Nova Scotia s cultural history was rewritten to erase evidence of an urban capitalist society class and ethnic differences and women s emancipation In doing so he sheds new light on the roles of Helen Creighton the Maritime region s most famous folklorist and Mary Black an influential handicrafts revivalist in creating this false identity

The Pun Also Rises John

Pollack,2012-04-03 At once entertaining and educational this engaging book is a funny erudite and provocative exploration of puns the people who make them and this derided wordplay s remarkable impact on human history *Women's Folklore, Women's Culture* Rosan A. Jordan,Susan J. Kalcik,2015-12-08 The essays in *Women s Folklore Women s Culture* focus on women performers of folklore and on women s genre of folklore Long ignored women s folklore is often collaborative and frequently is enacted in the privacy of the domestic sphere This book provides insights balancing traditional folklore scholarship All of the authors also explore the relationship between male and female views and worlds The book begins with the private world of women performances within the intimacy of family and fields it then studies women s folklore in the public arena finally the book looks at the interrelationships between public and private arenas and between male and female activities By turning our attention to previously ignored women s realms these essays provide a new perspective from which to view human culture as a whole and make *Women s Folklore Women s Culture* a significant addition to folklore scholarship

Metaphors of Masculinity Stanley Brandes,2015-04-17 In the Andalusian communities throughout the olive growing region of southeastern Spain men show themselves to be primarily concerned with two problems of identity their place in the social hierarchy and the maintenance of their masculinity in the context of their culture In this study of projective behavior as found in the folklore of an Andalusian town Stanley Brandes is careful to support psychological interpretations with ethnographic evidence His emphasis on male folklore provides a timely complement to current research on women

Unveiling the Power of Verbal Artistry: An Mental Sojourn through **No Laughing Matter An Analysis Of Sexual Humor No Laughing Matter**

In some sort of inundated with monitors and the cacophony of quick interaction, the profound power and psychological resonance of verbal artistry frequently diminish in to obscurity, eclipsed by the constant onslaught of sound and distractions. However, set within the lyrical pages of **No Laughing Matter An Analysis Of Sexual Humor No Laughing Matter**, a charming work of fictional elegance that impulses with organic emotions, lies an unforgettable trip waiting to be embarked upon. Composed with a virtuoso wordsmith, that interesting opus guides visitors on a psychological odyssey, lightly exposing the latent possible and profound affect embedded within the delicate internet of language. Within the heart-wrenching expanse of the evocative analysis, we will embark upon an introspective exploration of the book is main themes, dissect its captivating writing design, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
