them in terrible jeopardy In a domino effect of crimes and misdemeanors the nest comes tumbling down Now Bram has disappeared and so have Fiona s children As events spiral well beyond her control Fiona will discover just how many lies her husband was weaving and how little they truly know each other Bram s not the only one with things to hide though and some secrets are best kept to oneself safe as houses One of The Washington Post s 10 Best Thrillers and Mysteries of the Year One of Publishers Weekly s Best Books of the Year One of Real Simple s Best Books of the Year *Our House* Gerry Smyth,Jo Croft,2006 Space has emerged in recent years as a radical category in a range of related disciplines across the humanities Of the many possible applications of this new interest some of the most exciting and challenging have addressed the issue of domestic architecture and its function as a space for both the dramatisation and the negotiation of a cluster of highly salient issues concerning amongst other things belonging and exclusion fear and desire identity and difference *Our House* is a cross disciplinary collection of essays taking as its focus both the prospect and the possibility of the house This latter term is taken in its broadest possible resonance encompassing everything from the great houses so beloved of nineteenth century English novelists to the caravans and mobile homes of the latterday travelling community and all points in between The essays are written by a combination of established and emerging scholars working in a variety of scholarly disciplines including literary criticism sociology cultural studies history popular music and architecture No specific school or theory predominates although the work of two key figures Gaston Bachelard and Martin Heidegger is engaged throughout This collection engages with a number of key issues raised by the increasingly troubled relationship between the cultural built and natural environments in the contemporary world **At Home in the Eighteenth Century** Stephen G. Hague,Karen Lipsedge,2021-09-17 The eighteenth century home in terms of its structure design function and furnishing was a site of transformation of spaces identities and practices Home has myriad meanings and although the eighteenth century in the common imagination is often associated with taking tea on polished mahogany tables a far wider world of experience remains to be introduced *At Home in the Eighteenth Century* brings together factual and fictive texts and spaces to explore aspects of the typical Georgian home that we think we know from Jane Austen novels and extant country houses while also engaging with uncharacteristic and underappreciated aspects of the home At the core of the volume is the claim that exploring eighteenth century domesticity from a range of disciplinary vantage points can yield original and interesting questions as well as reveal new answers Contributions from the fields of literature history archaeology art history heritage studies and material culture brings the home more sharply into focus In this way *At Home in the Eighteenth Century* reveals a more nuanced and fluid concept of the eighteenth century home and becomes a steppingstone to greater understanding of domestic space for undergraduate level and beyond *Old-House Journal* ,2002-09 *Old House Journal* is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on
