Palestine And Israel A Challenge To Justice:

Palestine and Israel John B. Quigley, 1990 The dispute over Palestine between the Palestinian Arabs and the Israelis is one of the most volatile and intractable conflicts in the world today Palestine and Israel examines the history of this battle from the perspective of international law and it argues that a long term solution to the conflict must protect legitimate interests to remain viable an element the author believes has so far been seriously neglected This extensively documented work details the complex politics and agonizing struggles that have characterized the clash between Jews and Arabs examining in depth the competing claims to Palestine and the extent to which legitimate interests remain to be fulfilled Beginning with the early Zionist settlement in Palestine that rose from the effort by Jews to escape long standing discrimination in Europe Qigley investigates the origins of the dispute including the British occupation of Palestine the British Mandate and the involvement of the United Nations He examines the 1948 War the establishment of Israel and explores the legal and political status of Jews there After a detailed analysis of the 1967 War and Israel s occupation of the West Bank and Gaza Strip he concludes with recommendations for resolving the conflict including discussions of the responsibility of other states for the persisting injustice the role of other states in settling the dispute and steps to a possible solution

The Wretched of the Global South Thamil Venthan Ananthavinayagan, Amritha Viswanath Shenoy, 2024-03-07 The books aims to discuss and present an alternative epistemology of human rights against the background of the globalization from below The interdependent network of transnational networks ranging from social movements NGOs and other groupings questions the neoliberal paradigm and a particular set of human rights This book wishes to transform this discourse on human rights and amplify the subaltern voices The book also aims to highlight alternative practices of freedom that decenter human rights as a liberation discourse Following Julia Suarez Krabbe in Race Rights and Rebels the authors aim to amend to practices of freedom that center different orders of knowledge on subjectivity and agency The proposed book first situates the problem of representation of the marginalized voices in contemporary legal and political discourse Second it offers critiques in theory and third followed by alternative practices that emanate from marginalized localities In particular this book wishes to reflect upon alternatives rooted in legal and non legal responses to address human rights grievances In the end this book envisages along the lines of Frantz Fanon to vision the possibility of the human by a new concept addressing the concerns in various ways As Fanon argued for a new start a new way of thinking and for the creation of a new man it is pertinent to trigger a human rights project from the below p *Law and Justice Review-22 Türkiye Adalet Akademisi, Law and Justice Review 22*

Indigenous (In)Justice Ahmad Amara, Ismael Abu-Saad, Oren Yiftachel, 2012 Indigenous In Justice explores legal and human rights issues surrounding the Bedouin Arab population in Israel s Naqab Negev desert With contributions from international scholars including United Nations officials the volume examines the economic and social rights of indigenous peoples within the context of the Israeli Palestinian conflict **Understanding**

World Religions David Whitten Smith, Elizabeth Geraldine Burr, 2007-10-29 Understanding World Religions studies major worldviews in relation to justice and peace Hindu Buddhist Muslim Jewish Christian Marxist and Native American The Israeli Palestinian conflict is given as a case study for how worldviews impact justice and peace Further chapters explore Christian social teaching liberation theologies active nonviolence and just war theory

Palestinian Youth Activism in the Internet Age Albana S. Dwonch, 2019-10-31 Since the Arab uprisings of 2011 Palestinian youth movements have formed unofficial and leaderless networks of political activism using the internet to mobilise and bring together three generations of Palestinian activists This book focuses on three key case studies that have marked a turning point in the development of youth organised and grassroots Palestinian politics the 15 March movement in Gaza the Palestinians for Dignity movement in the West Bank and the Praver movement of young Palestinians in Israel Drawing on extensive fieldwork composed of interviews with leading Palestinian activists in the West Bank and Gaza and detailed analysis of social media patterns this book offers a fresh reading of Palestinian youth and their central online and offline role in popular protests against both Israeli and Palestinian power structures

Zionism and the Quest for Justice in the Holy Land Walter T Davis, Donald E Wagner, 2014-11-27 A critical examination of political Zionism a topic often considered taboo in the West is long overdue The discussion of Christian Zionism is usually confined to evangelical and fundamentalist settings The present volume will break the silence currently reigning in many religious political and academic circles and in so doing will provoke and inspire a new challenging conversation on theological and ethical issues arising from various aspects of Zionism a conversation that is vital to the quest for a just peace in Israel and Palestine The eleven authors offer a rich diversity of religious faith academic research and practical experience as they represent all three Abrahamic faiths and five different Christian traditions Among the many themes that run through Zionism and the Quest for Justice in the Holy Land is the contrast between exclusivist narratives both biblical and political and the more inclusive narratives of the prophetic Scriptures which provide the theological foundation and the moral imperative for human liberation Readers will be drawn into a compelling readable and stimulating series of essays that tackle many of the complex issues that still confound clergy politicians diplomats and academic experts

Justice and Peace in the Israeli-Palestinian Conflict Yaacov Bar Siman Tov, 2014-09-19 In this book the late Prof Yaacov Bar Siman Tov argues that the failure of the Israeli Palestinian peace process so far has been mainly the result of the inability of both sides to reach an agreed formula for linking justice to peace The issues of justice and injustice are focused mainly on the outcomes of the 1947 1949 first Arab Israeli War and specifically in the creation of the Palestinian refugee problem The conflicting historical narratives of the two sides regarding the question of responsibility for the injustice done to the Palestinians turn the Israeli Palestinian conflict into a classic case of linking the issues of justice and peace Yaacov Bar Siman Tov maintains that the narratives of justice and injustice in the Israeli Palestinian conflict have proved to be formidable barriers to peace Hence he recommends that justice should be

compromised for the sake of peace The link between justice and peace is an important issue requiring both sides attention but given the wide and currently unbridgeable gap separating the two sides it should be postponed to the phase of reconciliation rather than being included in the process of conflict resolution The two state solution is endorsed as the best and practical solution and as a first step for a just peace in this conflict to be followed by reconciliation Highly topical this book is essential reading for scholars and researchers of International Relations Peace Studies and the Arab Israeli conflict

International Journal of Islamic and Arabic Studies ,1991 Criminal Justice in International Society Willem de Lint,Marinella Marmo,Nerida Chazal,2014-01-03 This book adopts a critical criminological approach to analyze the production representation and role of crime in the emerging international order It analyzes the role of power and its influence on the dynamics of criminalization at an international level facilitating an examination of the geopolitics of international criminal justice Such an approach to crime is well developed in domestic criminology however this critical approach is yet to be used to explore the relationship between power crime and justice in an international setting This book brings together contrasting opinions on how courts prosecutors judges NGOs and other bodies act to reflexively produce the social reality of international justice In doing this it bridges the gaps between the fields of sociology criminology international relations political science and international law to explore the problems and prospects of international criminal justice and illustrate the role of crime and criminalization in a complex evolving and contested international society *Justice and World Order* George Andreopoulos, Henry F Carey,2022-04-28 This book critically assesses the impact of Richard A Falk s scholarship which has spanned nearly six decades and addressed key issues at the intersections of international law and relations Falk has offered powerful insights on the nature and reach of international law international relations and the structure of their respective processes in order to assess the main challenges to the creation of a just world order the path breaking concept which he has helped to develop Continuing in the critical spirit that has informed Richard s work as a scholar and a public intellectual this book reflects a multiplicity of perspectives and approaches in the analysis and assessment of these selected themes This volume looks at four key themes of Falk s work International Law and International Relations Theories and Concepts War Peace and Human Security Social and Political Justice and The Scholar as Citizen and Activist This will be a useful book for scholars and students of international law global governance political theory and international relations theory and for those studying human security international organizations and transnational activism

Zionism, Palestinian Nationalism and the Law Steven E. Zipperstein,2021-11-29 During the last decade of the British Mandate for Palestine 1939 1948 Arabs and Jews used the law as a resource to gain leverage against each other and to influence international opinion The parties invoked transformational legal framing to portray the essentially political religious conflict as a legal dispute involving claims of justice injustice and victimisation and giving rise to legal equitable remedies Employing this form of narrative and framing in multiple trials during the first 15 years of the Mandate the parties continued

the practice during the last and most crucial decade of the Mandate The term trial provides an appropriate typology for understanding the adversarial proceedings during those years in which judges lawyers witnesses cross examination and legal argumentation played a key role in the conflict The four trials between 1939 and 1947 produced three different outcomes the one state solution in favour of the Palestinian Arabs the no state solution and the two state solution embodied in the United Nations November 1947 partition resolution culminating in Israel s independence in May 1948 This study analyses the role of the law during the last decade of the British Mandate for Palestine making an essential contribution to the literature on lawfare framing and narrative and the Arab Israeli Conflict **The Guild Practitioner** ,2005 **Restoring Justice after**

Large-scale Violent Conflicts Ivo Aertsen,Jana Arsovska,Holger-C Rohne,Marta Valiñas,Kris Vanspauwen,2013-05-13 This book provides a comparative analysis of the potential of restorative justice approaches to dealing with mass victimization in the context of large scale violent conflicts focusing on case studies from Kosovo Israel Palestine and Congo incorporating contributions from leading authorities in these areas One of the main objectives of the book is to examine if how and to what extent restorative justice is applicable in various different cultural social and historical contexts and what common themes can be identified within the different regions under analysis The book will also provide a critical analysis of the UN Basic Principles on the use of restorative justice programmes in criminal matters as applied to the context of large scale violence

Critical Ethnic Studies and the Global Pursuit of Justice James Wright, Through a combination of policy analysis interviews with educators and policymakers and case studies from across the United States and beyond Critical Ethnic Studies and the Global Pursuit of Justice illuminates the challenges and opportunities of implementing ethnic studies curricula The author explores the emergence and implementation of ethnic studies legislation in California AB 1460 mandating ethnic studies in California State Universities and AB 101 an ethnic studies graduation requirement for all California public and charter high schools tracing their roots to broader social justice movements and specific historical struggles within marginalized communities in the United States Wright provides a nuanced analysis of how ethnic studies policies can foster equity and overcome systemic barriers in K 12 and higher education Featuring research based insights actionable recommendations and practical resources this timely book serves as a vital tool for educators administrators policymakers and community organizers working toward transformative education Book Features Explores the intersection of policy and practice through a cross sector analysis of ethnic studies in K 12 and higher education Features research based insights from interviews and case studies across diverse educational contexts Highlights the historical and contemporary role of social justice movements and countermovements in shaping education policy Includes guidance and practical tools such as implementation frameworks policy evaluation tools and strategies for overcoming resistance Democratic Justice Brad Snyder,2022-08-23 The definitive biography of Felix Frankfurter Supreme Court justice and champion of twentieth century American liberal democracy The conventional wisdom about Felix Frankfurter Harvard law professor and Supreme Court

justice is that he struggled to fill the seat once held by Oliver Wendell Holmes Scholars have portrayed Frankfurter as a judicial failure a liberal lawyer turned conservative justice and the Warren Court s principal villain And yet none of these characterizations rings true A pro government pro civil rights liberal who rejected shifting political labels Frankfurter advocated for judicial restraint he believed that people should seek change not from the courts but through the democratic political process Indeed he knew American presidents from Theodore Roosevelt to Lyndon Johnson advised Franklin Roosevelt and inspired his students and law clerks to enter government service Organized around presidential administrations and major political and world events this definitive biography chronicles Frankfurter s impact on American life As a young government lawyer he befriended Theodore Roosevelt Louis Brandeis and Holmes As a Harvard law professor he earned fame as a civil libertarian Zionist and New Deal power broker As a justice he hired the first African American law clerk and helped the Court achieve unanimity in outlawing racially segregated schools in *Brown v Board of Education* In this sweeping narrative Brad Snyder offers a full and fascinating portrait of the remarkable life and legacy of a long misunderstood American figure This is the biography of an Austrian Jewish immigrant who arrived in the United States at age eleven speaking not a word of English who by age twenty six befriended former president Theodore Roosevelt and who by age fifty was one of Franklin Roosevelt s most trusted advisers It is the story of a man devoted to democratic ideals a natural orator and often overbearing justice whose passion allowed him to amass highly influential friends and helped create the liberal establishment

What is Critical Environmental Justice? David Naguib Pellow, 2017-11-27 Human societies have always been deeply interconnected with our ecosystems but today those relationships are witnessing greater frictions tensions and harms than ever before These harms mirror those experienced by marginalized groups across the planet In this novel book David Naguib Pellow introduces a new framework for critically analyzing Environmental Justice scholarship and activism In doing so he extends the field s focus to topics not usually associated with environmental justice including the Israel Palestine conflict and the Black Lives Matter movement in the United States In doing so he reveals that ecological violence is first and foremost a form of social violence driven by and legitimated by social structures and discourses Those already familiar with the discipline will find themselves invited to think about the subject in a new way This book will be a vital resource for students scholars and policy makers interested in transformative approaches to one of the greatest challenges facing humanity and the planet

Disputed Territories and International Criminal Law Simon McKenzie, 2019-11-08 It has been over 50 years since the beginning of the Israeli occupation of the Palestinian Territories It is estimated that there are over 600 000 Israeli settlers living in the West Bank and East Jerusalem and they are supported protected and maintained by the Israeli state This book discusses whether international criminal law could apply to those responsible for allowing and promoting this growth and examines what this application would reveal about the operation of international criminal law It provides a comprehensive analysis of how the Rome Statute of the International Criminal Court

could apply to the settlements in the West Bank through a close examination of the potential operation of two relevant Statute crimes first the war crime of transfer of population and second the war crime of unlawful appropriation of property It also addresses the threshold question of whether the law of occupation applies to the West Bank and how the principles of individual criminal responsibility might operate in this context It explores the relevance and coherence of the legal arguments relied on by Israel in defence of the legality of the settlements and considers how these arguments might apply in the context of the Rome Statute The work also has wider aims raising questions about the Rome Statute s capacity to meet its aim of establishing a coherent and legally effective system of international criminal justice

Justice on the Cross Kathleen Christison, 2023-03-09 At its heart liberation theology is a modern theology of resistance to the oppression imposed by colonialist and post colonialist systems and even by churches that cooperate with secular centers of power to oppress the poor and disadvantaged It is a grassroots social justice theology a *cri de c ur* that seeks to give spiritual succor and hope to those living in seemingly hopeless circumstances Palestinians a people whose suffering has largely been forgotten by the world since Israel s establishment and who are most often stereotyped as extremists and enemies of Israel with no legitimate claim to their own homeland are among the world s most marginalized populations The small Palestinian Christian community an indigenous population descended from Jesus s first followers has created a liberation theology for the Palestinian context that reaches out to its own Christian faithful and their Muslim compatriots This is a nonviolent political theological resistance that follows Jesus s teaching that God is present with all God s children and heeds Jesus s gospel injunctions to comfort the suffering and let the oppressed go free For Palestinians their very survival in the land is resistance to Israel s efforts to remove them and liberation theology sustains their resistance Jesus was the first liberation theologian
