Quarterly Review Of Literature Rexroth:

Quarterly Review of Literature Kenneth Rexroth, 1950-01 Kenneth Rexroth and James Laughlin Kenneth Rexroth, 1991 Frankly H Miller was defended by me only because he spoke against the War and I think that was the main reason for his fame Now I do not believe what with Palmistry Chirography Phrenology and the Great Cryptogram he will survive the retooling period I honestly think he is the most insufferable snob I have ever met but all reformed pandhandlers are like that in a letter from Kenneth Rexroth to James Laughlin American and British Poetry Harriet Semmes Alexander, 1984 *Quarterly Review of Literature* Theodore Russell Weiss, Renée Karol Weiss, 1947 **Something to Say** William Carlos Williams, 1985 Something to Say William Carlos Williams on Younger Poets collects all of Williams known writings reviews essays introductions and letters to the editor on the two generations of poets that followed him from Kenneth Rexroth and Louis Zukofsky to Robert Lowell and Allen Ginsberg What might have been a random collection of occasional pieces achieves remarkable coherence from the singleness of Williams poetic vision his belief that the secret spirit of ritual of poetry was trapped in restrictive molds and if these could be broken the spirit would be able to live again in a new contemporary form Only a revived clarity and accuracy in sight and expression would enable the modern world to reform social order which Williams saw in complete disarray To resuscitate American Poetry Williams concentrated his efforts on the purification of poetic speech his American idiom and on remaking the poetic line in a new measure his variable foot And while his battles with his contemporaries on these issues could be heated he was always a nurturing father to the young a useful presence a model and a liberator He told Ginsberg to pare down and economize Roethke to open up and encouraged Lowell and Levertov to shake off poetic conventions But in all his emphasis on the poem as a made object of concrete physicality or as a field of action he would return again and again to this basic advice to young writers The only thing necessary is to have something to say when at last the opportunity comes to say it *Twentieth-century American Literature*, 1985 **The Correspondence of William Carlos Williams and Louis Zukofsky** William Carlos Williams, Louis Zukofsky, 2003-12-04 Table of contents *The Complete Poems of Kenneth Rexroth* Kenneth Rexroth, 2003 The definitive volume of Rexroth's poetry now available in paperback Selected Letters of Marianne Moore Marianne Moore, 1998-11-01 Marianne Moore's correspondence makes up the largest and most broadly significant collection of any modern poet It documents the first two thirds of this century reflecting shifts from Victorian to modernist culture the experience of the two world wars the Depression and postwar prosperity and the changing face of the arts in America and Europe Moore wrote letters daily for most of her life long intense letters to friends and family shorter but always distinctive letters to an ever widening circle of acquaintances and fans At the height of her celebrity she would occasionally write as many as fifty letters a day Both Moore and her correspondents appreciated the value of their exchange so that an extraordinary number of letters approximately thirty thousand have been preserved For more than seventy years Penguin has been the leading publisher of

classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *Quarterly Review of Literature* ,1940-01 *Lorine Niedecker* Margot Peters,2011-10-06 Lorine Niedecker 1903 70 was a poet of extraordinary talent whose life and work were long enveloped in obscurity After her death in 1970 poet Basil Bunting wrote that she was the most interesting woman poet America has yet produced only beginning to be appreciated when she died Her poverty and arduous family life the isolated home in Wisconsin that provided rich imagery for her work and her unusual acquaintances have all contributed to Niedecker s enigmatic reputation Margot Peters brings Lorine Niedecker s life out of the shadows in this first full biography of the poet She depicts Niedecker s watery world on Blackhawk Island near Fort Atkinson Wisconsin where she was born and spent most of her life A brief college career cut short by family obligations and an equally brief marriage were followed in 1931 by the start of a life changing correspondence and complicated thirty five year friendship with modernist poet Louis Zukofsky who connected Niedecker to a literary lifeline of distant poets and magazines Supporting herself by turns as a hospital scrubwoman and proofreader for a dairy journal Niedecker made a late marriage to an industrial painter which gave her time to write and publish her work in the final decades of her life During her lifetime Niedecker s poetry was praised by a relatively small literary circle including Zukofsky William Carlos Williams Robert Creeley Denise Levetov and Allen Ginsberg Since her death much more of her surviving writings have been published including a comprehensive edition of collected works and two volumes of correspondence Through Margot Peters s compelling biography readers will discover Lorine Niedecker as a poet of spare and brilliant verse and a woman whose talent and grit carried her through periods of desperation and despair Best Special Interest Books selected by the American Association of School Librarians Kenneth Rexroth Morgan Gibson,1972
