Victorian Yankees at Queen Victoria's Court Stanley Weintraub, 2011-04-01 Little seems to have changed since Queen Victoria's day in the instant magnetism of British royalty across the Atlantic Ocean yet for the first generations liberated by revolution the British Isles and its sovereigns seemed as remote as the moon In the young nation Americans who were little interested in the sons and daughters of their last king George III developed a love hate relationship with Victoria his granddaughter that lasted for all her sixty four years on the throne ending only with her death in the first weeks of the twentieth century Victoria's long reign encompassed much of the time in which the young United States was growing up The

responses of Americans toward Victoria reveal not only what they thought of her and her husband as a person and a monarch but reflect their own ambitions confidence smugness insecurities and sense of loss Parting from England brought a surge of pride but it also carried with it an unanticipated price American encounters with Queen Victoria as person and as symbol evoke the costs of relinquishing a history a tradition a ceremonial texture The brash bewildered and beguiled Americans in these pages from lion tamer Isaac Van Amburgh Barnum s midget Tom Thumb and sharpshooter Annie Oakley to literary lions like Nathaniel Hawthorne Mark Twain and Henry James evince not only another dimension of the remote woman who might have been their queen but what Americans were like and what they thought they were like in her time *Catalogue of the Memorial Exhibition of Portraits by Thomas Sully* Pennsylvania Academy of the Fine Arts,1922 [American Paintings in The Metropolitan Museum of Art. Jane Churchill her physician Sir James Clark and politicians such as William Gladstone and Benjamin Disraeli events like the Irish potato famine inventions like steam power and issues such as missionary activity and prostitution It also includes bibliographies both for each entry and overall and a chronology

**Ophelia and Victorian Visual Culture** Kimberly Rhodes, 2017-07-05 Kimberly Rhodes's interdisciplinary book is the first to explore fully the complicated representational history of Shakespeare's Ophelia during the Victorian period In nineteenth century Britain the shape function and representation of women's bodies were typically regulated and interpreted by public and private institutions while emblematic fictional female figures like Ophelia functioned as idealized templates of Victorian womanhood Rhodes examines the widely disseminated representations of Ophelia from works by visual artists and writers to interpretations of her character in contemporary productions of Hamlet revealing her as a nexus of the struggle for the female body's subjugation By considering a broad range of materials including works by Anna Lea Merritt Elizabeth Siddal Dante Gabriel Rossetti and John Everett Millais and paying special attention to images women produced Rhodes illuminates Ophelia as a figure whose importance crossed class and national boundaries Her analysis yields fascinating insights into high and mass culture and enables transnational comparisons that reveal the compelling associations among Ophelia gender roles body image and national identity

[Aesop's Mirror](#) Maryalice Huggins, 2025-06-25 Everything I needed to know about Fox and Grapes mirror I knew the moment I first saw it What antiques restorer Maryalice Huggins knew when she stumbled across the mirror at a country auction in Rhode Island was this She was besotted Rococo and huge more than eight feet tall the mirror was one of the most unusual objects she had ever seen Huggins had to have it The frame's elaborate carvings were almost identical to a famous eighteenth century design Could this be eighteenth century American That would make it rare indeed But in the rarefied world of American antiques an object is not significant unless you can prove where it's from Huggins set out to trace the origins of her magnificent mirror Fueled with the delightfully obsessive spirit of Susan Orlean's *The Orchid Thief* Aesop's Mirror follows Huggins on her quest as she goes up against the leading lights of the very male world of high end antiques and dives into the historical archives And oh what she finds there The mirror was likely passed down through generations of the illustrious Brown family of Providence Rhode Island Throughout history mirrors

have been seen as having mystical powers enabling those who peer into them to connect the past and the future In Aesop's Mirror Maryalice Huggins does just that creating a marvelous one of a kind book about a marvelous one of a kind American treasure *David Wilkie* Nicholas Tromans,2007-10-24 This is the first modern book about the artist David Wilkie 1785 1841 the first British painter to become an international celebrity Based on extensive original research the book explores the ways in which Wilkie's images so beloved by his contemporaries engaged with a range of cultural predicaments close to their hearts In a series of thematic chapters whose concerns range far beyond the details of Wilkie's own career Tromans shows how through Wilkie's thrillingly original work British society was able to reimagine its own everyday life its history and its multinational Anglo-Scottish nature Other themes covered include Wilkie's roles in defining the border between painting and anatomy in the representation of the human body and in transforming the pleasures of connoisseurship from an elite to a popular audience For the first time all of Wilkie's major subject pictures are brought together reproduced and discussed With a great range of new archival material and original interp

**American Enlightenments** Caroline Winterer,2016-10-25 A provocative reassessment of the concept of an American golden age of European born reason and intellectual curiosity in the years following the Revolutionary War The accepted myth of the American Enlightenment suggests that the rejection of monarchy and establishment of a new republic in the United States in the eighteenth century was the realization of utopian philosophies born in the intellectual salons of Europe and radiating outward to the New World In this revelatory work Stanford historian Caroline Winterer argues that a national mythology of a unitary patriotic era of enlightenment in America was created during the Cold War to act as a shield against the threat of totalitarianism and that Americans followed many paths toward political religious scientific and artistic enlightenment in the 1700s that were influenced by European models in more complex ways than commonly thought Winterer's book strips away our modern inventions of the American national past exploring which of our ideas and ideals are truly rooted in the eighteenth century and which are inventions and mystifications of more recent times

Tamarkin highlights a more intricate culture of American response one that included Whig elites college students radical democrats urban immigrants and African Americans Ultimately Anglophila argues that that the love of Britain was not simply a fetish or form of shame a release from the burdens of American culture but an anachronistic structure of attachment in which U S Identity was lived in other languages of national expression     Jefferson Davis Takes Philadelphia S. Tyson Gardner,2018-05-08 The North won the Civil War but it took a Jefferson Davis to reunite the nation It s 1876 the last days of postwar Reconstruction in the South when a nineteen year old artistic prodigy from Georgia with a troublesome name heads to Yankee Philadelphia and the country s first World s Fair since the Civil War A call for artists to participate in the Fair s art exhibit the largest in the nation sends Thomas J on his way A hilarious coming of age story follows with a cast of illustrious characters and more than a few mishaps and amusing encounters Ultimately Jefferson Davis takes Philadelphia in this madcap fictional romp where anything can happen and very nearly does in this historical farce     **Report of the Proceedings ...** Numismatic and Antiquarian Society of Philadelphia,1913
