even that it could fly for her servants and nurses would never allow her to be out at dusk and the bat was a great deal too weak eyed to fly about in the broad daylight But one summer day it happened that there was a revolution in the land and the Queen s servants not knowing who was likely to get the upper hand left the Queen all alone and went to look at the fight that was raging But you must understand that in those days a revolution was a thing very different from what it would be to day Instead of trying to get rid of the Queen altogether the great nobles of the kingdom merely fought violently with each other for possession of the Queen s person Then they would proclaim themselves Regents of the kingdom and would issue bills of attainder against all their rivals saying they were traitors against the Queen s Government In fact a revolution in those days was like what is called a change of Ministry now save for the fact that they were rather fond of indulging themselves by decapitating their rivals when they had the chance which of course one would never think of doing nowadays The Queen Who Flew by Ford Madox Ford - Delphi Classics (Illustrated) Ford Madox Ford,2017-07-17 This eBook features the unabridged text of The Queen Who Flew by Ford Madox Ford Delphi Classics Illustrated from the bestselling edition of The Complete Works of Ford Madox Ford Having established their name as the leading publisher of classic literature and art Delphi Classics produce publications that are individually crafted with superior formatting while introducing many rare texts for the first time in digital print The Delphi Classics edition of Ford includes original annotations and illustrations relating to the life and works of the author as well as individual tables of contents allowing you to navigate eBooks quickly and easily eBook features The complete unabridged text of The Queen Who Flew by Ford Madox Ford Delphi Classics Illustrated Beautifully illustrated with images related to Ford s works Individual contents table allowing easy navigation around the eBook Excellent formatting of the text Please visit [www.delphiclassics.com](http://www.delphiclassics.com) to learn more about our wide range of titles
