Her Portrait, Life and Reign* John DUNCAN (of Newcastle-upon-Tyne.), 1887      Queen Victoria Christopher Hibbert, 2000 This is a portrait of Victoria as the formidable demanding capricious queen of popular imagination which also shows her as often shy and vulnerable prone to giggling fits and crying jags      **Victori** Lytton Strachey, 2009-02 The woman who ruled a nation and framed an Era Alexandrina Victoria was conceived in a race between two disreputable aging princes to beget an heir to the throne of England She was only eighteen when she inherited the crown twenty when she married her German cousin Prince Albert and eighty one when she died in 1901 Her reign lasted sixty three years and seven months longer than any other British monarch Strachey describes with his characteristic flair the politicians and courtiers who swarmed around this queen exerting influence and shaping history These included Melbourne Palmerston Gladstone and Disraeli Center stage however is the queen herself stubborn energetic unthinkingly fierce in her loyalties and with a determination to do good that was constantly at war with her pride of place Queen Victoria the Widow of Windsor Empress of India Meet the woman whose name became synonymous with an Age Winner of the James Tait Black Memorial Prize Britain's Oldest Literary Award

Young Victoria Susan Symons, 2016 This book about the young Queen Victoria is beautifully illustrated throughout with portraits and other memorabilia from the author's collection It covers the somewhat bizarre circumstances of Victoria's birth when there was an undignified race to produce the next heir to the British throne her lonely childhood under a tough regime and without any friends of her own age and the national adulation when she succeeded as a teenager It ends with how she fell in love with Albert Young Victoria focuses on the story of Victoria as a woman her personal life the events that formed her character and the relationships that were important to her It uses some of her own words from her journal to help tell the story This short book is intended to be light hearted and easy to read and should appeal to anyone who likes history or follows royalty or is interested in people's personal stories The overwhelming public image of Queen Victoria is of the elderly queen towards the end of her reign She is serious and unsmiling even gloomy more of a symbol than a person But Victoria has a colourful life story which is full of drama intrigue and surprises She came to the throne as a pretty eighteen year old her public image was very different at the start of her reign than at the end Young Victoria is the first part of The Colourful Personal Life of Queen Victoria It will be followed by two more books Victoria and Albert covering her marriage to and relationship with Albert when they changed the image of the royal family and founded a dynasty and The Widowed Queen about the long years of her widowhood after Albert's early death when she became the doyenne of sovereigns and the
