Queer Ideas:

Queer Ideas CLAGS: Center for LGBTQ Studies, 2023-11-14 An essential text documenting the foundation and rise of queer theory Founded in 1992 the David R Kessler lectures represent the foreground of queer studies in the US featuring legendary thinkers such as Cherr e Moraga Samuel R Delany Dean Spade Sara Ahmed and more This canonical volume brings together the first ten lectures and explores questions of sexuality and gender as well as how new and queer ideas are thought into being Queer Ideas features interdisciplinary scholarship from the field s founding thinkers Edmund White on literature and criticism Barbara Smith on Black lesbian and gay history Esther Newton on being butch Samuel R Delany on class and capitalism Eve Kosofsky Sedgwick on love Judith Butler on human rights and more This new edition remains a testimony to queer studies as it emerged in the last quarter of the twentieth century and provides a necessary introduction for a new generation of feminist scholars thinkers and activists *Intersections between Feminist and Queer Theory* D. Richardson, J. McLaughlin, M. Casey, 2006-08-31 Queer ideas have unsettled other forms of exploring gender and sexuality in particular feminism and feminists have been significant critics This book explores the debates between feminist and queer theorizing to seek out interconnections and identify new directions in thinking about sexuality and gender that may emerge out of and at the interface **Queer in Europe** Robert Gillett, 2016-04-15 Queer in Europe takes stock of the intellectual and social status and treatment of queer in the New Europe of the twenty first century addressing the ways in which the Anglo American term and concept queer is adapted in different national contexts where it takes on subtly different overtones determined by local political specificities and intellectual traditions Bringing together contributions by carefully chosen experts this book explores key aspects of queer in a range of European national contexts namely Belgium Cyprus England France Germany Hungary Ireland Italy The Nordic Region The Netherlands Poland Russia and Spain Rather than prescribing a universalizing definition the book engages with a wide spectrum of what is meant by queer as each chapter negotiates the contested border between direct queer activist action based on identity categories and more plural queer strategies that call these categories into question The first volume in English devoted to the exploration of queer in Europe this book makes an important intervention in contemporary queer studies **Sexualities and Genders in Education** Adam J. Greteman, 2018-01-18 Winner of the 2020 Society of Professors of Education Outstanding Book Award **The Routledge Handbook of Critical Pedagogies for Social Work** Christine Morley, Phillip Ablett, Carolyn Noble, Stephen Cowden, 2020-01-20 The Routledge Handbook of Critical Pedagogies for Social Work traverses new territory by providing a cutting edge overview of the work of classic and contemporary theorists in a way that expands their application and utility in social work education and practice thus providing a bridge between critical theory philosophy and social work Each chapter showcases the work of a specific critical educational philosophical and or social theorist including Henry Giroux Michel Foucault Cornelius Castoriadis Herbert Marcuse Paulo Freire bell hooks Joan Tronto Iris Marion Young Karl Marx Antonio

Gramsci and many others to elucidate the ways in which their key pedagogic concepts can be applied to specific aspects of social work education and practice The text exhibits a range of research based approaches to educating social work practitioners as agents of social change It provides a robust and much needed alternative paradigm to the technique driven conservative revolution currently being fostered by neoliberalism in both social work education and practice The volume will be instructive for social work educators who aim to teach for social change by assisting students to develop counter hegemonic practices of resistance and agency and reflecting on the pedagogic role of social work practice more widely The volume holds relevance for both postgraduate and undergraduate qualifying social work and human services courses around the world

Geographies of Sexualities Dr Gavin Brown, Dr Jason Lim, Professor Kath Browne, 2012-11-28 Recent years have seen a dramatic upsurge of interest in the connections between sexualities space and place Drawing established and founding figures of the field together with emerging authors this innovative volume offers a broad interdisciplinary and international overview of the geographies of sexualities Incorporating a discussion of queer geographies *Geographies of Sexualities* engages with cutting edge agendas and challenges the orthodoxies within geography regarding spatialities and sexualities It contains original and previously unpublished material that spans the often separated areas of theory practices and politics This innovative volume offers a trans disciplinary engagement with the spatialities of sexualities intersecting discussions of sexualities with issues such as development race gender and other forms of social difference

God vs. Gay? Jay Michaelson, 2012-05-08 A passionate argument for LGBTQ equality within religious communities a book for our times and a book for the ages *EDGE* The myth that the Bible forbids homosexuality the myth of God versus Gay is behind some of the most divisive and painful conflicts of our day In this provocative and game changing book scholar and activist Jay Michaelson shows that the Bible does not prohibit same sex intimacy but does quite the opposite In fact the vast majority of the Bible's teachings support the full equality and dignity of LGBTQ people from the first flaw it finds in creation It is not good for a person to be alone to the way religious communities grow through reflection and conscience Michaelson argues passionately for equality not despite religion but because of it With close readings of the Hebrew Bible and New Testament the latest data on the science of sexual orientation and a sympathetic accessible and ecumenical approach to religious faith Michaelson makes the case that sexual diversity is part of the beauty of nature The recognition of same sex families will strengthen not threaten the values religious people hold dear Whatever your views on religion and sexual diversity *God vs Gay* is a plea for a more compassionate informed conversation and a first step toward creating one

Gender in an Era of Post-truth Populism Penny Jane Burke, Julia Coffey, Rosalind Gill, Akane Kanai, 2022-03-24 What does it mean to be pedagogical in a post truth landscape How might feminist thought and action work to intervene in this environment *Gender in an Era of Post truth Populism* draws together leading feminist scholars of gender and education to explore the current significance of the rise of populist policies and discourses and the challenges it poses to the hard won battles regarding the rights of women

immigrants and minorities Offering the first detailed feminist intervention in this space the collection explores the significance of populism for feminist pedagogies and practices in relation to gender and education This exploration has significance for broader and urgent questions of our times regarding knowledge authority truth power and harm and considers the potential for feminist interventions in relation to pedagogies and activism to speak back and disrupt populist agendas

Feminist Psychotherapy in an Indian Context Jagruti Wandrekar, 2025-08-30 This book offers a practical guide to feminist psychotherapy in India Each chapter presents a brief literature review on the topic the author's personal experiences as a queer feminist mental health researcher practitioner real life case studies demonstrating therapeutic interventions and guidelines to remember The field of feminist psychotherapy is nascent in India and very few resources are catered to the Indian context or focus primarily on Indian research and practice This book is therefore relatively unique in that it focusses on practical applications which professionals can use in their work across settings and for myriad concerns at the loci of the self body relationships families work and gender based violence and it utilizes contemporary intersectional feminist values and caters to clients across the gender spectrum to do so As such this book will be an invaluable resource for mental health professionals working in India or within Indian South Asian diaspora Key words feminist therapy intersectional mental health gender and psychology

Keywords for Gender and Sexuality Studies Kyla Wazana Tompkins, The Keywords Feminist Editorial Collective, 2021-11-21 This book deepens analyses of the relationships among race gender sexuality nation ability and political economy by foregrounding justice oriented intersectional movements and scholarship including Black Indigenous and women of color feminisms transnational feminisms queer of color critique trans disability and fat studies feminist science studies and critiques of the state law and prisons that emerge from within queer and women of color justice movements

Journal of Abnormal Psychology and Social Psychology, 1919 **Psychopathic Behavior and Others**, 1919 Contributions to psychology. v. 3, 1918-19, 1919 **Systemic-Dialogical Therapy with Individuals** Paolo Bertrando, Claudia Lini, 2025-09-03 In this book Paolo Bertrando and Claudia Lini provide a comprehensive and cutting edge overview of the systemic dialogical approach adapted to the ever evolving requirements of modern day therapy with individuals Following on from the field defining work *Systemic Therapy with Individuals* and easily used as a companion this book introduces a new dialogical approach which will encourage practising therapists to adopt a collaborative and empowered stance in their work The authors interweave clinical examples and transcripts of sessions collated from over a decade of work to illustrate the applied benefits of this approach in the contemporary therapeutic space The case studies include work with those experiencing the oppression of patriarchal relationships social and emotional isolation physical abuse and pathological shame reinvigorating and modernising the therapist's understanding of these lived experiences Moving from general concepts to practical issues the book explores queer theory feminist theory non traditional family formats and the impact of neoliberalism The holistic and systemic approach will guide the reader to work better with clients

from all genders races and economic situations Building on the foundations of systemic therapy the theories develop our understanding of emotions and the body while Bertrando and Lini introduce the concept of finding one's place as a means of encouraging individual positional responsibility Presenting an empathetic and inclusive understanding of contemporary life and psychic experiences as well as personal couple and familial relationships this book provides invaluable techniques on how to conduct sessions and will benefit students and practitioners of psychotherapy including systemic family therapists psychoanalysts psychiatrists psychologists psychiatric nurses occupational therapists and social workers **Living at Night in Times of Pandemic** Anita Jóri,Guillaume Robin,2024-03-04 Club culture has become an ever growing interdisciplinary research field in the social sciences The contributors to this volume offer state of the art perspectives on night studies in France and Germany and the techno scene from a comparative and interdisciplinary perspective They explore three main areas scenes and communities diversity and inclusion and social and ecological challenges for a sustainable club culture during and after the COVID 19 pandemic **Exploring The Orville** David Kyle Johnson,Michael R. Berry,2021-05-11 This is the first book to take a deep dive into the philosophical social moral political and religious issues tackled by Seth MacFarlane's marvelous space adventure The Orville These new essays explore what The Orville has to say on everything from climate change artificial intelligence and sexual assault to gender feminism love and care Divided into six acts just like every episode of The Orville with the show as its backdrop the book asks questions about the dangers of democracy and social media the show's relationship to Star Trek and the puzzle of time travel *The Gentrification of the Mind* Sarah Schulman,2013-09-02 In this gripping memoir of the AIDS years 1981 1996 Sarah Schulman recalls how much of the rebellious queer culture cheap rents and a vibrant downtown arts movement vanished almost overnight to be replaced by gay conservative spokespeople and mainstream consumerism Schulman takes us back to her Lower East Side and brings it to life filling these pages with vivid memories of her avant garde queer friends and dramatically recreating the early years of the AIDS crisis as experienced by a political insider Interweaving personal reminiscence with cogent analysis Schulman details her experience as a witness to the loss of a generation's imagination and the consequences of that loss [The Routledge Research Companion to Geographies of Sex and Sexualities](#) Gavin Brown,Kath Browne,2016-05-20 Comprehensive and authoritative this state of the art review both charts and develops the rich sub discipline geographies of sexualities exploring sex gender sexuality and sexual practices Emerging from the desire to examine differences and exclusions as a key aspect of human geographies these geographies have engaged with heterosexual and queer lesbian gay bi and trans lives Developing thinking in this area geographers and other social scientists have illustrated the centrality of place space and other spatial relationships in reconstituting sexual practices representations desires as well as sexed bodies and lives This book reviews the current state of the field and offers new insights from authors located on five continents In doing so the book seeks to draw on and influence core debates in this field as well as disrupt the Anglo American hegemony in studies of sexualities sexes and

geographies This volume is the definitive collection in the area bringing together many international leaders in the field alongside scholars that are well established outside the Anglophone academy and many emerging talents who will lead the field in the decades to come

Queer Ideas Martin Duberman, Alissa Solomon, 2016-08-15 Exploring questions of sexuality and gender this volume brings together ten core thinkers in the field of lesbian and gay studies and provides an essential introduction to this interdisciplinary field as well as the processes by which new and queer ideas are thought into being The collection begins with Joan Nestle exploring the outsider status of lesbians through the complex life of a working class black lesbian born in the South who lived in New York and experienced the transition from complete marginalization to gay pride It ends with Judith Butler who speaks on broadening our concept of human rights in the aftermath of September 11 The collection also includes Edmund White on queer fiction and criticism Eve Kosofsky Sedgwick on the dialogics of love John D Emilio on gay civil rights activist Bayard Rustin Esther Newton on being butch and lectures by Barbara Smith Monique Wittig Samuel R Delany and Cherrie Moraga Alisa Solomon and Martin Duberman of CLAGS discuss the genesis of the lecture series and reflect on the evolution of lesbian and gay studies over its first ten years

Biopolitics and Resistance in Legal Education Thomas Giddens, Luca Siliquini-Cinelli, 2023-06-30 Taking up the study of legal education in distinctly biopolitical terms this book provides a critical and political analysis of resistance in the law school Legal education concerns the complex pathways by which an individual becomes a lawyer making the journey from lay person to expert from student to practitioner To pose the idea of a biopolitics of legal education is not only to recognise the tensions surrounding this journey but also to recognise that legal education is a key site in which the subject engages and is engaged by a particular structure and here the particular structure of the law school This book explores the resistance to that structure including different ways in which law's pedagogic structures might be incomplete or are being fought against the use of less conventional elements of cultural discourse to resist the abstraction of the lawyer in students subject formation the centralisation of queer and feminist discourses to disrupt the hierarchies of the legal curriculum the use of digital technologies the place of embodiment in legal education settings and the impacts of posthuman knowledges and contexts on legal learning Assembling original field defining essays by both leading international scholars and emerging researchers this book constitutes an indispensable resource in legal education research and scholarship that will appeal to legal academics everywhere
