Queer Movie Poster:

The Queer Movie Poster Book Jenni Olson, 2004-08-12 From the underground to the Oscar winning the titillating to the tasteful the campy to the heartfelt this is a captivating visual history of the best queer film culture *The Oxford Handbook of Queer Cinema* Ronald Gregg, Amy Villarejo, 2021-11-12 The term queer cinema is often used to name at least three cultural events 1 an emergent visual culture that boldly identifies as queer 2 a body of narrative documentary and experimental work previously collated under the rubric of homosexual or lesbian gay bisexual and trans LGBT cinema 3 a means of critically reading and evaluating films and other visual media through the lens of sexuality By this expansive account queer cinema encompasses more than a century of filmmaking film criticism and film reception and the past twenty five years have seen the idea of queer cinema expand further as a descriptor for a global arts practice As the first of its kind *The Oxford Handbook of Queer Cinema* treats these three currents as art and critical practice bringing the canon of queer cinema together with a new generation of makers and scholars The Handbook's contributors include scholars who research the worldwide canon of queer cinema those who are uniquely positioned to address three decades of its particular importance and those best positioned to ponder the forms it is taking or may take in our new century namely digital media that moves in new circuits In eight sections they explore the many forms that queer cinema takes across time discussing narrative experimental documentary and genre filmmaking including pornography Likewise although the study of cinema and media is not restricted to a single method chapters showcase the unique combination of textual analysis industrial and production history interpretation ethnography and archival research that this field enables For example chapters analyze the ways in which queer cinema both is and is not self evidently an object for study by examining films that reinforce negative understandings of queerness alongside those that liberate the subject and by naming the films that are newly queered while noting that many queerly made texts await discovery Finally chapters necessarily assert that queer cinema is not an Anglophone phenomenon nor is it restricted to the medium of film *Queer Bergman* Daniel Humphrey, 2013-03-15 One of the twentieth century's most important filmmakers indeed one of its most important and influential artists Ingmar Bergman and his films have been examined from almost every possible perspective including their remarkable portrayals of women and their searing dramatizations of gender dynamics Curiously however especially considering the Swedish filmmaker's numerous and intriguing comments on the subject no study has focused on the undeniably queer characteristics present throughout this nominally straight auteur's body of work indeed they have barely been noted *Queer Bergman* makes a bold and convincing argument that Ingmar Bergman's work can best be thought of as profoundly queer in nature Using persuasive historical evidence including Bergman's own on the record though stubbornly ignored remarks alluding to his own homosexual identifications as well as the discourse of queer theory Daniel Humphrey brings into focus the director's radical denunciation of heteronormative values his savage and darkly humorous deconstructions of gender roles and his work's trenchant if also

deeply conflicted attacks on homophobically constructed forms of patriarchic authority Adding an important chapter to the current discourse on GLBT queer historiography Humphrey also explores the unaddressed historical connections between post World War II American queer culture and a concurrently vibrant European art cinema proving that particular interrelationship to be as profound as the better documented associations between gay men and Hollywood musicals queer spectators and the horror film lesbians and gothic fiction and others The Advocate ,2004-12-21 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *Queer Sexualities in Early Film* Shane Brown,2016-07-26 Since the publication of Vito Russo s seminal study *The Celluloid Closet* in 1981 much has been written about the representation of queer characters on screen Until now however relatively little attention has been paid to how queer sexualities were portrayed in films from the silent and early sound period By looking in detail at a succession of recently found films and revisiting others Shane Brown examines images of male male intimacy buddy relationships and romantic friendships in European and American films made prior to 1934 including *Different from the Others* and *All Quiet on the Western Front* He places these films within their socio political and scientific context and sheds new light on how they were intended to be viewed and how they were actually perceived In doing so Brown offers his readers a unique insight into a little known area of early cinema queer studies and social history **Out** ,2004-09 Out is a fashion style celebrity and opinion magazine for the modern gay man **Book of the Banned** Simon Mirauo,2023-08-01 BLASPHEMY AND HORROR SAUCY SWEDES LUKE SKYWALKER S CHARRED AUNT UNCLE Australia has censored it all Did you know Aussie audiences were originally banned from watching bona fide classics *The Night of the Hunter* *Breathless* and *The Texas Chain Saw Massacre* to name just a few out of literal hundreds or that Australians initially saw a watered down version of *Star Wars* in cinemas *Book of the Banned* is a rigorous rollicking riotous and righteously furious jaunt through film history that reveals the shocking stories behind Australia s classification system and how your favourite movies have been snipped down under featuring interviews with Margaret Pomeranz David Stratton a bunch of banned filmmakers and even their censors Like any good story there are heroes anti heroes unexpected criminals and downright dastardly villains though they re not always whom you d expect But by discussing the movies scenes and lines of dialogue deemed too extreme for Aussie eyes and ears we can see how far we ve come in Australia and how far we have to go A uniquely Australian ride into the dark side of film censorship pearl clutching outrages and moral panics Simon Mirauo s *Book of the Banned* is an essential book for film fans cinema scholars and card carrying perverts alike Alexandra Heller Nicholas author *1000 Women in Horror* This book is f ing great And if they put asterisks in this quote the censors will have won again Impeccably researched and superbly written *Book of the Banned* is an endlessly riveting slice of film history that demands to be read Chris Taylor *The Chaser Upright* Mirauo masterfully guides us through the tangled and surprisingly fascinating history of Australian censorship and takes us on a wild journey through the rule breaking films that tested those

boundaries Anchored by a detailed account of film history and censorship policy plus interviews with leading researchers and cinephiles *Book of the Banned* is both a lively love letter to controversial and challenging films and a call for our censorship practices to be reviewed Flick Ford Triple R's Primal Screen Important because it pulls together the exhaustive record of snipped and smothered films lying in the wake of decisions by Australian authorities John Safran **The Queer Biopic in the AIDS Era** Laura Stamm,2021-12-31 *The Queer Biopic in the AIDS Era* offers a new account of the AIDS crisis and the emergence of New Queer Cinema Author Laura Stamm asks why queer filmmakers repeatedly produced biographical films of queer individuals living and dead throughout the years surrounding the AIDS crisis Queer filmmakers engagement with the biopic evokes the genre's history of building life through the portrayal of lives worthy of admiration and emulation but it also points to another biopic history that of representing lives damaged By portraying lives damaged by inconceivable loss queer filmmakers challenge the illusion of a coherent self presumably reinforced by the biopic genre and in doing so their films open the potential for new means of connection and relationality *The Queer Biopic in the Aids Era* features fresh readings of the cinema of Derek Jarman John Greyson Todd Haynes Barbara Hammer and Tom Kalin By calling for a reappraisal of the queer biopic this book also calls for a reappraisal of New Queer Cinema's legacy and its influence of contemporary queer film As a whole this book pays particular attention to the biopic's queer resonances opening up its historical connections to projects of education public health and social hygiene along with the production of a shared history and national identity

The Queer Coming of Age Film Genre Brad Windhauser,2024-10-15 In *The Queer Coming of Age Film Genre* Brad Windhauser argues for the existence of this genre and using a genre and queer theory lens investigates how the initial classic cluster of this genre's films represent the unique issues experienced by queer people including trans non binary and intersex individuals coming of age in society in the mid to late 90s As society evolved the book posits so too did the ways in which these films explored additional factors influencing the queer coming of age experience such as race and economic status in the genre's second stage Windhauser explores how this genre depicts the way queer people often engage with the coming of age process earlier than their cis het peers due to their queer identity but also how this process can extend beyond adolescence into emerging adulthood and adulthood itself Ultimately the book demonstrates how these films have become a tool to both further political goals of queer advocacy and acceptance and to offer guidance to queer people looking to gain a deeper understanding of their own lives and experiences Scholars of film studies genre studies pop culture and queer studies will find this book of particular interest **The Independent Movie Poster Book** Spencer Drate,Judith Salavetz,Dave Kehr,2004 From David Lynch's cult classic *Eraserhead* to Sofia Coppola's recent sensation *Lost in Translation* this visually stunning volume is devoted exclusively to independent films showcasing some of the most provocative and original movie posters ever created **A Companion to Chinese Cinema** Yingjin Zhang,2012-03-30 This outstanding anthology offers an encyclopedic coverage of Chinese cinema from multiple angles and will be the standard reference in Chinese cinema studies
