**Rancid Aphrodisiac** Mickey Vallee, 2016-06-30 It has been sixty years since Rock n Roll exploded into the mainstream yet we remain limited in our understanding of how its bawdy excesses absorbed into the annals of mass popularity in such a short amount of time Mickey Vallee asks what if the Rock n Roll eruption was nothing less than postwar consumer capitalism at its very best precisely because it was taken as its very worst Vallee explores the emergence of Rock n Roll s from an entirely new theoretical disposition in order to answer this question drawing mainly from Lacanian cultural psychoanalysis to reveal that Rock n Roll was far more conformist than we are generally led to believe namely that it was conformist with emerging liberal principles of freedom from the tyranny of the state Vallee supports this proposition with detailed analyses of familiar and not so familiar characters and texts in Rock n Roll to suggest that the disruption of our symbolic economy was symptomatic of a new cultural logic of economic freedom While not denying Rock n Roll s role in the pre civil rights movement Vallee refuses the possibility to deny that Rock n Roll s symbolic efficacy ultimately coordinated a neoliberal foundation to the ideology of individualism in its rhythm instrumentation lyrics and vocals where its power was at its most effective and affective *Derek Jarman: The Authorised Biography* Tony Peake, 2025-03-20 Tony Peake enjoyed unprecedented access to the visionary artist s archives in order to bring the extraordinary life of Derek Jarman to the page This authorised and unique biography covers Jarman s story from the bleakness of post war Britain and his RAF childhood to student life at The Slade and his work as a designer painter and filmmaker It tells how energetic home filmmaking with dazzling friends led to distinctive feature films including *Sebastiane* *The Tempest* and *Caravaggio* There were collaborations with the likes of Sir John Gielgud and Tilda Swinton and Jarman was also at the forefront of popular culture producing distinctive music videos for Pet Shop Boys and The Smiths Alongside his art

and a significant body of writing Jarman created a singular garden in the shingle surrounding Prospect Cottage at Dungeness in Kent which has become a site of memorial celebration and pilgrimage He became known as an impassioned and provocative spokesperson not only for gay men but for anyone oppressed by bigotry Derek Jarman died of AIDS related causes in February 1994 and Peake describes his inimitable courage and grace in the face of painful death and the legacies Jarman left behind With new contributions from Olivia Laing and Jon Savage *Spectacle, Fashion and the Dancing Experience in Britain, 1960-1990* Jon Stratton, 2022-10-31 This book explores dancing from the 1960s to the 1980s though this period covers only twenty years the changes during it were seismic Nevertheless continuities can be found and those are what this book examines In dancing it answers how we moved from the self control that formed the basis for ballroom dancing to ecstatic rave dancing In terms of music it answers how we moved from the beat groups to electronic dance music In terms of youth it answers how we moved from youth culture to club culture **Images of England Through Popular**
