Queenie's Major Problem Garland Ladd,2001-04-04 When severe guilt and depression afflicts a person life hardly seems worth living It overshadows everything else creating behavior and an attitude that conflicts with society at every turn Skills efficiency and personal relationships suffer and paranoia becomes a constant companion Major Ramsey the lead character in Queenie s Major Problem found himself in that dilemma at the age of thirty two just when his career had taken a meteoric rise His superior at a nationally known corporation empathized with Major recognized that there were valid reasons for his down state and gambled that Major might find himself given release from job pressures and demands of his community Thus the considerate superior offered Major an unpaid leave of absence from his position which became the vote of confidence that prevented Major from ending his misery with a bullet Although religious and moral Major didn t have Job s sound faith in God to sustain him during his period of mourning and self incrimination Self hate and desire for punishment completely dominated Major because everything pointed to him as being responsible for the deaths of his parents wife and two small children Their deaths happened in two separated incidents only six weeks apart removing the five people most important in his life He wanted to die and find relief from his pain but earnestly desired atonement for his sins and guilt before moving to the hereafter whatever that might be in his case So when the offer of a leave of absence arose Major decided to sell everything he owned and use the meager proceeds to finance a year long trek of the United States shanks mare walking without purpose or destination living at only subsistence levels and punishing his body as just rewards for his transgressions to his family and society His year of trekking would end in finding peace and atonement or else the inevitable bullet would find the proper place to end his misery At the outset Major imposed difficult commandments for the road for himself and had an inkling that the trek would be demanding precisely the punishment he thought he deserved However he had no way of knowing where his travels would lead nor how the varied experiences he would face could impact his mental well being and future It began rudely when an unfriendly hunting dog peed on Major s sleeping bag while he cringed inside hoping not to be attacked Assaults by ants leeches and hoodlums added to his desired misery Other encounters quickly showed that many people have severe problems and he helped many of them over major life hurdles Those occasions caused him to look outwardly instead of inwardly and his self esteem began to rise A chance encounter with an attractive young lady

created a new dimension to his life but neither she nor anything else deterred him from finding the relief he sought At the end of the test year Major was greatly affected by the numerous events during his trek some delightful some dangerous and harrowing and some were inspiring and uplifting Major concluded that he could reasonably expect a normal life even one that included painful memories and shame for his past sins One of his self imposed rules for the year was to completely sever ties with his former life and was unaware of surprising developments that had a bearing on his misery Crusades end eventually some in dignity and accomplishments some causing misery and some with the crusader finding his or her elusive Holy Grail Major s yearlong crusade ended with startling surprises with him finding a Holy British Boys ,1897 Doing Time Together Megan Comfort,2009-05-15 By quadrupling the number of people behind bars in two decades the United States has become the world leader in incarceration Much has been written on the men who make up the vast majority of the nation s two million inmates But what of the women they leave behind Doing Time Together vividly details the ways that prisons shape and infiltrate the lives of women with husbands fianc s and boyfriends on the inside Megan Comfort spent years getting to know women visiting men at San Quentin State Prison observing how their romantic relationships drew them into contact with the penitentiary Tangling with the prison s intrusive scrutiny and rigid rules turns these women into quasi inmates eroding the boundary between home and prison and altering their sense of intimacy love and justice Yet Comfort also finds that with social welfare weakened prisons are the most powerful public institutions available to women struggling to overcome untreated social ills and sustain relationships with marginalized men As a result they express great ambivalence about the prison and the control it exerts over their daily lives An illuminating analysis of women caught in the shadow of America s massive prison system Comfort s book will be essential for anyone concerned with the consequences of our punitive culture **Zelda Marsh** Charles Gilman Norris,1927 Sexual problems of a young woman brought up by a puritanical mother Cf Hanna A Mirror for the nation The Aberdeen-Angus Herd Book Aberdeen-Angus Cattle Society,1922 Littell's Living Age ,1860 The Living Age ,1860 Littell's Living Age Eliakim Littell,Robert S.
