

The background is a dark, atmospheric scene. In the center, a small, dilapidated house with a thatched roof is visible, with a few warm lights glowing from its windows and a doorway. To the left, a tall, dark wooden post stands with a small, dark, lantern-like object hanging from it. In the distance, a large, dark mountain range is visible under a dark, cloudy sky. On the right side, a bright, glowing volcano is visible, with a plume of smoke or ash rising from its peak. The overall mood is mysterious and somber.

Quest For Refuge:

Quests for Refuge, Quests for Therapy Debra A. Budiani, 2005 **Protection from Refuge** Kate Ogg, 2022-03-24 The places in which refugees seek sanctuary are often as dangerous and bleak as the conditions they fled In response many travel within and across borders in search of safety As part of these journeys refugees are increasingly turning to courts to ask for protection not from persecution in their homeland but from a place of refuge This book is the first global and comparative study of protection from refugee litigation examining whether courts facilitate or hamper refugee journeys with a particular focus on gender Drawing on jurisprudence from Africa Europe North America and Oceania Kate Ogg shows that courts have transitioned from adopting robust ideas of refuge to rudimentary ones This trajectory indicates that courts can play a powerful role in creating more just and equitable refugee protection policies but have ultimately compounded the difficulties inherent in finding sanctuary perpetuating global inequities in refugee responsibility and rendering refuge elusive Quest
