Between the Bocas Jak Peake, 2017-07-19 Situated opposite the mouth of the Orinoco River western Trinidad has long been considered an entrepôt to mainland South America Trinidad's geographic position seen as strategic by various imperial governments led to many heterogeneous peoples from across the region and globe settling or being relocated there The calm waters around the Gulf of Paria on the western fringes of Trinidad induced settlers to construct a harbour Port of Spain around which the modern capital has been formed From its colonial roots into the postcolonial era western Trinidad therefore has played an especial part in the shaping of the island's literature Viewed from one perspective western Trinidad might be deemed as narrating the heart of the modern state's national literature Alternatively the political threats posed around San Fernando in Trinidad's southwest in the 1930s and from within the capital in the 1970s present a different picture of western Trinidad one in which the fractures of Trinidad and Tobago's projected nationalism are prevalent While sugar remains a dominant narrative in Caribbean literary studies this book offers a unique literary perspective on matters too often perceived as the sole preserve of sociological anthropological or geographical studies The legacy of the oil industry and the development of the suburban commuter belt of East West Corridor therefore form considerable discursive nodes alongside other key Trinidadian sites such as Woodford Square colonial houses and the urban yards of Port of Spain This study places works by well known authors such as V S Naipaul and Samuel Selvon alongside writing by Michel Maxwell Philip Marcella Fanny Wilkins E L Joseph Earl Lovelace Ismith Khan Monique Roffey Arthur Calder Marshall and the largely neglected novelist Yseult Bridges who is almost entirely forgotten today Using fiction calypso history memoir legal accounts poetry essays and journalism this study opens with an analysis of Trinidad's nineteenth century literature and offers twentieth century and more contemporary readings of the island in successive chapters Chapters are roughly arranged in chronological order around particular sites and topoi while literature from a variety of authors of British Caribbean Irish and Jewish descent is represented **The Questing Heart** Elizabeth Ashton, 1991 *Book of Dreams* Davis Bunn, 2011-10-04

Holy Desperation Heather King, 2017-04-01 2019 International Book Awards Finalist Christianity 2018 Catholic Press Association Book Awards Third Place Prayer Books about Prayer 2018 Association of Catholic Publishers Excellence in Publishing Awards First Place Inspiration 2018 Association of Catholic Publishers Excellence in Publishing Awards BOOK OF THE YEAR When life has driven you to your knees the only thing that works is prayer Desperation has many faces the addict

who has hit bottom the laid off worker struggling to make the next house payment the person who seems to have it all together but is wracked with fear guilt anger or shame We know we need help but we are afraid to let anyone especially God see how broken we truly are In *Holy Desperation* Heather King demonstrates that when we re desperate it s precisely the right time to cry out to God King a survivor of addiction and other forms of desperation begins with the basics of how to pray when you re uncertain that God exists or when you feel that you re beyond God s reach She challenges the assumptions that only the saintly can pray and that prayer ought to be tidy and nice She reveals how prayer leads us beyond ourselves and into a life of purpose lived for the good of others Ultimately *Holy Desperation* is an invitation to engage in bold come exactly as you are prayer offering a way forward upward and outward for anyone desperate enough to cry out for God s help and presence You are not alone *Nextstep, Volume 2* The Evangelical Catholic,2020-02-20 In *Nexstep Volume 2* you are invited to continue your journey of growing in discipleship delving more deeply into the freedom and victory that Jesus provides over every burden and sin that clings to us Hebrews 12 1 You will also discover how the seven sacraments immerse us in the life of Christ and little by little transform us into His likeness **The Standard** ,1916 *The Imperial Quest and Modern Memory from Conrad to Greene* Julia Rawa,2013-11-05 *The Imperial Quest and Modern Memory* explores relationships between narrative and imperium in the context of Western Modernism by examining the Quest as a vexed trope in *Heart of Darkness* *Passage to India* *The Sheltering Sky* and *The Quiet American* The book takes stock of twentieth century theory regarding the Quest as archetype trope and construct considers the dominant expression and the imperial organization of this trope in Western culture and iconography from the Dark Ages to the Age of Empire explores the ways in which this trope both lingers and changes in the context of Western Modernism and finally gauges its permutations in Modern discourse *The Imperial Quest and Modern Memory* s central claim is that the Modern novel simultaneously reinscribes and subverts Western and imperial manifestations of the Quest *Heart of Darkness* *Passage to India* *The Sheltering Sky* and *The Quiet American* are remarkably Modern and subversive narratives They participate in the revolutionary projects of early and high Modernism and are often in marked opposition to imperial praxis Yet they are also profoundly influenced by the deep ideological and metaphoric structures of Western culture Thus the Quest trope specifically in its Western and imperial manifestations lingers in *Modern Memory* and certainly in the Modern novel This expansive study emphasizes intriguing intersections between past and present culture and archetype norm and narrative memory and contemporaneity *What the Hell Are the Neurons up To?* Graham Collier,2011-01-19 Know Thyself Such was the advice constantly offered over 2 000 years ago by the famed Greek Oracle of Apollo at Delphi It was given in response to those who sought her counsel regarding the course their destiny was likely to take It is still sound advice for most of us in the modern world To come to really know oneselfdiscover ones distinctive temperament and characterrequires frequent self scrutiny It is well nigh impossible to know what makes one tick without recognizing the nature of ones attitudes and responses to life in the outside world while also

acknowledging the highly personal inner psychological drives of feeling thought and imagination The consciousness that impels us is psychologically deep and wide ranging The search for the essential Self requires a Sherlock Holmes mentality and discipline its a hell of a job to unify outer and inner consciousnesses This book should help Every chapter can be seen and read as its own story describing an especially significant aspect of consciousness Cumulatively they are meant to help readers attain a sense of their own body mind spirit complexes and who they are as entities unto themselves And then to ask the question as to where reality is to be found in the mental life of thoughts and feelings or in physical encounters with the material world of time and space

The Idle Brain: A Theological Odyssey Terrence Bertin, 2021-07-16 Faithless clergyman Simeon Cole is spirited into the psyche of a comatose dying criminal His task is to awaken the criminal and combat the legions of demonic forces holding sway in the Inner World Simeon must pass through many challenges and tribulations with all the Powers of the Inner World bent on his destruction Accompanied by several companions fragments of the criminal s own mind Simeon journeys through the bizarre science fiction and fantasy world made and controlled by the demonic Powers If he succeeds he can escape the Inner World failure means his own life But success also means losing the only real and meaningful friendships he has ever known It is a fearsome task for a clergyman with no faith and no stomach for adventures In any case Simeon must conquer his own flaws and come to terms with his God to emerge as something more

Argenterra Donna Maree Hanson, 101-01-01 For lovers of epic fantasy In a land where oaths can t be broken be careful what promises you make To break the binding oath is to risk the very magic of Argenterra Best friends Sophy and Aria are on a family trip in Scotland when they find themselves swept away to another world The lush land of Argenterra is imbued heavily with a magic known as the GIVEN but while Aria adapts quickly able to use and recognize the magic as naturally as if she d been born in this world Sophy struggles to find her place Far from discovering her own magical gifts Sophy is unable to feel the GIVEN at all Something about the magic has warped and changed her appearance and she s lost her vibrancy becoming a mere shadow of her former self Previously the attractive outgoing one now she is ugly and unable to fit in whereas Aria has grown in confidence As Aria thrives quickly falling in love with a dashing prince Sophy fights to survive in an increasingly hostile and deadly realm She pairs up with Oakheart ambassador to the king on a quest to discover her true purpose in the kingdom but soon the darker side of Argenterra and its people becomes apparent to both women The GIVEN is not without cost the laws of this magic dictate that oaths are bound with the GIVEN and the inhabitants of Argenterra bear the mark of the original ancestral oath to the land Every promise must be kept or the land s magic will compel its completion Only murder can sunder a binding oath and then magic will wane and Argenterra will become the Ungiven Land but no native Argenterran has that power Now trapped by binding promises of their own Sophy and Aria s friendship will test oaths and Sophy s very presence will pose a true threat to Argenterra
