Kalinowski v. Odlewany, 289 MICH 684 (1939), 1939 7 *Free Thought Magazine*, 1886 *Self Torture and Strenuous Exercise* Harry Kondoleon, 1991 Harry Kondoleon has said his plays are sad, scary, funny. Though his work has been compared to that of Joe Orton and Oscar Wilde, John Guare and Christopher Durang, his acute and elegant voice has from the first been distinctively his own. Kondoleon's tragicomedies are peopled by extremists; their behavior bizarre. And yet these curious characters are driven by the most familiar of passions. Abandonment and betrayal define their pasts; shadow their present. They are needy and lonely and full of desire. They seek transcendence and this impossible, fundamental longing takes forms both common and strange. These plays are not only jet black comedies. They are fairy tales, fables, passion plays, masquerades. Kondoleon's intensely theatrical sensibility is finally romantic. He sees the contemporary world clearly; he also sees other worlds prior within, beyond. This volume also includes *Christmas on Mars*, *The Vampires*, *Slacks and Tops*, and *Anteroom*. *The Patriarch* Alan Refkin, 2020-04-08 Milan's chief prosecutor is killed when his car is pushed off a narrow mountain road; the city's mayor is shot by an assassin on the steps of his office building; and an abbot and his librarian are killed in a monastery. This occurs days before Chief Inspector Mauro Bruno, whose father is one of the victims, comes to Milan to arrange for the funeral. Suspicious by nature and generally acknowledged within the *Polizia di Stato* as being the best detective in Italy, Bruno uncovers clues that lead him to believe that a man known throughout Italy as the patriarch, the head of the wealthiest and most powerful family in the country, is behind these murders. But he needs proof. He soon discovers that the reason for these killings resides within centuries-old papers stored within the Vatican's secret archives, to which only the pope has access. Hunted by the patriarch's men, Bruno attempts to stay alive long enough to find out what the patriarch and the Vatican have been hiding for seven centuries and why a multibillionaire is willing to risk everything to protect that
