exposing absurdities along the way Ranging from how to test for Britishness to how to tackle EU free movement Becoming British explores how UK immigration really works and sparks a long overdue debate about how it should work Combining expert analysis with a blistering critique of the failings of successive governments this is the definitive guide to one of the most hotly disputed issues in the UK today Wherever you stand on the immigration debate Brooks s wryly observed account is the essential road map Report by His Majesty's Government in the United Kingdom of Great Britain and Northern
