Brown,2011-10-01 An invaluable guide from a trusted expert Lee Strobel

Written in a compelling accessible style this book answers the most common questions about Jewish people and culture drawn from the steady stream of queries Michael L Brown s ministry receives every month As a Messianic believer Brown provides clear answers to questions like Are there Jewish denominations and Do the Jewish people expect a literal Messiah The book also addresses Christians questions about their own relationship to the Old Testament law such as Should Christians observe the Sabbath on Saturday and Are Gentile Christians spiritual Jews Quick Answers to Tough Questions Bryan Osborne,Bodie Hodge,2017-06-23 Today the faith of Christians is being undermined daily A relentless stream of secular attacks from supposedly solid science has put many Christians on the defensive Whether the argument is about evolution history or theology every believer must be able to provide an answer for the hope that is within them But you don t have to be an expert to respond effectively when confronted about your faith Quick Answers to Tough Questions gives you quick and concise answers to the tough questions that are often posed to believers regarding Creation and evolutionAge of the earth and Noah s ArkDeath and sufferingOrigin of life and missing links Biblical history and a biblical worldview help us to understand the past present and future Too many believers have fallen victim to those who say that the Bible s history is false or that science has disproved it Equip yourself to address the skeptical questions and comments of believers and unbelievers alike and successfully stand strong in your defense of the inerrancy and truth of God s Word Answering the Hard Questions Robert R. Hill,2018-05-17 No question should be off limits if it is asked with the intent of seeking truth But many Christians do not know how to answer some of the hard questions about the Bible and the Christian faith Could you answer these questions What would you do if you were asked one of these questions from an unsaved friend What would you do if your children asked you one of these questions 1 If God is real then why doesn t he show himself 2 If God is real then why does he allow suffering and evil to continue 3 How can God be real when secular science shows that everything has an explanation without God 4 If God is a merciful kind and forgiving God then why did he order the slaughter of whole people groups including men women children and their animals too 5 Why would a loving God send anyone to an eternal hell 6 How can God be real since the Bible says God is love but commands the barbaric death of innocent animals in the Old Testament and Jesus says to eat his body and drink his blood And there are other weird things in the Bible too 7 How can God be real since we don t see a difference between people who call themselves Christians and the rest of the world This series is designed to equip Christians to answer these types of hard questions in defending the Bible and the Christian faith We must be able to respond to these types of questions or else we will not be confident in our faith and therefore we will be weak in witnessing I want you to be able to answer these questions quickly and confidently to be an effective and passionate ambassador for Christ *How can I be sure?* John Stevens,2014-07-08 A short readable book that explains clearly and simply what the Bible says about doubt and assurance Many Christians experience times of doubt and uncertainty At various times we can ask Does God love me Am I really a Christian and even Is there a God at all This short readable book unpacks

the difference between good and bad doubt shows us where it comes from and how to deal with it in ourselves and others It explains clearly and simply the liberating reality of what the Bible tells us about doubt assurance and the Christian life

Questions Christians Ask Charles R. Swindoll, 1989 Our steps to salvation and our journey along the path of faith are often punctuated by experiences and discoveries that cause us to question the direction we are heading These questions are some of life's most crucial because they relate to the very foundation of our relationship with God Here's a study that examines a dozen of these crucial questions By turning to the Scriptures we will find answers that strengthen our walk with God In the process we will also find ourselves being drawn closer to Him Back cover
