

What is an Ethical Question?

- Not all questions with the word “should” are ethical questions. For example, “*Should I bring my umbrella today?*” does not meet the other criteria.
- There are different types of questions, each having different characteristics. In addition to ethical questions defined above, there are questions pertaining to law, to science, to personal preference, to one’s culture or religion.

Questions Of Ethics To The United States Of America For 1992 And Beyond

Questions Of Ethics To The United States Of America For 1992 And Beyond:

Questions of Ethics I. M. James, 1992-07-01 **Ethics Beyond War's End** Eric Patterson, 2012-03-02 Rev essays from a conference held in Apr 2010 at Georgetown University **Beyond Regulations** Nancy M. P. King, Gail E. Henderson, Jane Stein, 2005-10-12 Across a broad range of disciplines in medicine social science and the humanities researchers scholars teachers and administrators increasingly are looking for new ways to approach ethical issues in research with human subjects Questions about how relationships between funders and researchers should affect research design for example or whether the potential benefits of research can outweigh the importance of its subjects interests are inadequately addressed by the prevailing regulation based research ethics paradigm This book constitutes a reexamination of research ethics It combines case studies and commentaries by a multidisciplinary group of scholars and researchers to explore such topics as informed consent conflict of interest confidentiality and research on illegal behavior All human subjects research takes place within complex social cultural and political contexts the contributors argue Increased consideration of the relationships between researchers and their subjects funders and institutions within these contexts will facilitate research that is sensitive and responsible as well as scientifically fruitful Beyond Regulations features a keynote essay by Ruth Macklin Other contributors are Marcela Aracena Alvarez Jorge Balan B Susan Bauer Alan F Benjamin Lynn Blanchard Allan M Brandt J Pat Browder Barbara Entwisle Sue E Estroff Renee C Fox Lara Freidenfelds Gail E Henderson Nancy M P King Loretta M Kopelman Ernest N Kraybill Barry M Popkin Silvina Ramos Desmond K Runyan Jane Stein Ronald P Strauss Keith A Wailoo and Cynthia Waszak Across a broad range of disciplines in biomedicine the social sciences and the humanities researchers scholars administrators and teachers increasingly struggle with questions of ethics in research with human subjects All research takes place in complex social cultural political and economic contexts yet the prevailing principle based research ethics paradigm does not adequately account for them This book reexamines research ethics using a new relationships paradigm Through in depth cases commentaries and essays a multidisciplinary group of scholars and researchers addresses informed consent conflict of interest confidentiality and other issues considering questions like What relationships should researchers have with their subjects communities When researchers and subjects have different views about research who should have control How should relationships between funders and researchers affect research design Can research be so potentially beneficial that its importance outweighs the interests of subjects Examining the relationships between researchers and subjects communities funders and institutions including considerations of authority and voice can facilitate human subjects research that is morally sensitive and responsible as well as scientifically fruitful **Resources in Education** , 1998 **Boundary Objects and Beyond** Geoffrey C. Bowker, Stefan Timmermans, Adele E. Clarke, Ellen Balka, 2016-02-26 The multifaceted work of the late Susan Leigh Star is explored through a selection of her writings and essays by friends and colleagues Susan Leigh Star 1954 2010 was one of the most influential science studies scholars of the

last several decades In her work Star highlighted the messy practices of discovering science asking hard questions about the marginalizing as well as the liberating powers of science and technology In the landmark work *Sorting Things Out* Star and Geoffrey Bowker revealed the social and ethical histories that are deeply embedded in classification systems Star s most celebrated concept was the notion of boundary objects representational forms things or theories that can be shared between different communities with each holding its own understanding of the representation Unfortunately Leigh was unable to complete a work on the poetics of infrastructure that further developed the full range of her work This volume collects articles by Star that set out some of her thinking on boundary objects marginality and infrastructure together with essays by friends and colleagues from a range of disciplines from philosophy of science to organization science that testify to the wide ranging influence of Star s work Contributors Ellen Balka Eevi E Beck Dick Boland Geoffrey C Bowker Janet Ceja Alcal Adele E Clarke Les Gasser James R Griesemer Gail Hornstein John Leslie King Cheris Kramarae Maria Puig de la Bellacasa Karen Ruhleder Kjeld Schmidt Brian Cantwell Smith Susan Leigh Star Anselm L Strauss Jane Summerton Stefan Timmermans Helen Verran Nina Wakeford Jutta Weber

The Debate over Corporate Social Responsibility Steven K. May,George Cheney,Juliet Roper,2007-04-19

Should business strive to be socially responsible and if so how The Debate over Corporate Social Responsibility updates and broadens the discussion of these questions by bringing together in one volume a variety of practical and theoretical perspectives on corporate social responsibility It is perhaps the single most comprehensive volume available on the question of just how social business ought to be The volume includes contributions from the fields of communication business law sociology political science economics accounting and environmental studies Moreover it draws from experiences and examples from around the world including but not limited to recent corporate scandals and controversies in the U S and Europe A number of the chapters examine closely the basic assumptions underlying the

philosophy of socially responsible business Other chapters speak to the practical challenges and possibilities for corporate social responsibility in the twenty first century One of the most distinctive features of the book is its coverage of the very ways that the issue of corporate social responsibility has been defined shaped and discussed in the past four decades That is the editors and many of the authors are attuned to the persuasive strategies and formulations used to talk about socially responsible business and demonstrate why the talk matters For example the book offers a careful analysis of how certain values have become associated with the business enterprise and how particular economic and political positions have been established by and for business This book will be of great interest to scholars business leaders graduate students and others interested in the contours of the debate over what role large scale corporate commerce should take in the future of the industrialized world

Feminism & Bioethics : Beyond Reproduction Susan M. Wolf Faculty Associate at the Center for Biomedical Ethics and Associate Professor of Law and Medicine University of Minnesota Law School,1996-03-21 Bioethics has paid surprisingly little attention to the special problems faced by women and to feminist analyses of current health care issues other than reproduction *Feminism Bioethics Beyond Reproduction* aims to counterbalance this one sided approach A breakthrough volume of original essays authored by leading figures in bioethics and feminist theory it moves beyond reproduction and nursing taking bioethics into new territory The book starts with an investigation of the relationship between feminism and bioethics and introduces different approaches to the problem Chapters stress the importance of liberal feminism which prefers feminist over feminine analysis integrate the experience of women of color draw from the women s self help movement and apply feminist standpoint theory In the second part of the book contributors view various bioethical problems from a feminist perspective euthanasia AIDS the definition of health doctor patient communication the Human Genome Project the conduct of biomedical research and health care reform They examine the pros and cons of the application of gender and feminism to bioethics This provocative volume is bound to change and broaden the way bioethicists students patients and the public consider bioethical issues

International Relations Theories Timothy Dunne,Milja Kurki,Steve Smith,2013-01-03 Drawing on a wealth of expertise from an international team of contributors the second edition of *International Relations Theories* presents a diverse selection of theoretical positions Arguing that theory is central to explaining the dynamics of world politics editors Tim Dunne Milja Kurki and Steve Smith cover a wide variety of theoretical positions from the historically dominant traditions to powerful critical voices since the 1980s The editors have brought together a team of international contributors each specializing in a different theory The contributors explain the theoretical background to their positions before showing how and why their theories matter The book opens up space for analysis and debate allowing students to decide which theories they find most useful in explaining and understanding international relations

Beyond Comfort Zones in Multiculturalism Sandra Jackson,Jose Solis,1995-10-24 For peoples whose legal agreements treaties and other accords and conventions with the United States have been violated multiculturalism as a

pedagogical tool often becomes suspect of reinforcing the continued reification and abstraction of their cultures and nations with little if any real meaning for educational and social transformation The continued oppression and repression of the exercise of self determination for African Americans the persistence of policies aimed at the destruction of indigenous populations and land the insidious continuation of classical colonialism in the case of Puerto Rico are all vivid reminders to these peoples of the racist classist sexist and homophobic patriarchy that characterizes their status In order to restore people's rights to fully determine their own histories Jackson and Solis point out that it is imperative to destroy the material foundations that breed and recycle the ideology discourse and cultural practices of domination It is not enough to celebrate diversity and difference there must be grand scale social political economic and educational transformation T&T Clark Handbook of Christian Ethics Tobias Winright,2020-12-10 The T T Clark Handbook of Christian Ethics provides an ecumenical introduction to Christian ethics its sources methods and applications With contributions by theological ethicists known for their excellence in scholarship and teaching the essays in this volume offer fresh purchase on and an agenda for the discipline of Christian ethics in the 21st century The essays are organized in three sections following an introduction that presents the four font approach and elucidates why it is critically employed through these subsequent sections The first section explores the sources of Christian ethics including each of the four fonts scripture tradition experience and reason The second section examines fundamental or basic elements of Christian ethics and covers different methods approaches and voices in doing Christian ethics such as natural law virtue ethics conscience responsibility narrative worship and engagement with other religions The third section addresses current moral issues in politics medicine economics ecology criminal justice and other related spheres from the perspective of Christian ethics including war genetics neuroethics end of life decisions marriage family work sexuality nonhuman animals migration aging policing incarceration capital punishment and more

Ethical Issues in the Communication Process J. Vernon Jensen,2013-11-05 A rapid and widespread growth of interest in applied ethics is occurring today not only in the United States but around the world as well Academia both reflects this and is a leader in the movement The field of speech communication shares in this increased sensitivity to ethical concerns Students and the general public are looking for thoughtful analyses and guidance in all areas of communication Ethical concerns relative to mass communication have been the subject of a number of books but only a very few cover the entire scope of communication to include interpersonal intercultural organizational small groups and public speaking This book tries to fill that need by discussing ethical concerns as they emerge in the areas of the communication process the communicator the message the media the audience and the situation The speech communication field now has a need to digest and synthesize the existing research findings and the general literature in the field and in related humanities and social science works into a coherent and nontechnical discussion This volume explores the most up to date materials to provide just such a synthesis An extensive bibliography at the end of the book gives readers the sources on which the book is

based and offers ample avenues for further personal exploration The book should provide meaningful food for thought as readers grapple conscientiously with the many everyday decisions made in communication transactions and in evaluating the communication of others **Cumulated Index Medicus** ,1989 *Monthly Catalog of United States Government Publications* ,1992 [Ethical Issues in Counselling and Psychotherapy Practice](#) Poornima Bhola,Ahalya Raguram,2016-10-20 This edited volume comprehensively examines the critical ethical challenges that arise in the practice of counselling and psychotherapy It translates philosophical positions and professional ethical guidelines in a way that can be applied to practice The various chapters focus on specific ethical issues that emerge in working with a range of different client groups for example children couples and families While some ethical imperatives are common across the board others could be more closely associated with certain client groups Practitioners might experience uncertainty in working with vulnerable client groups for example lesbian gay transgender intersex LGBT clients or persons who report intimate partner violence Several chapters raise questions provide information and additional resources to enhance ethically informed practice Chapter contributions also highlight the ethical dilemmas that might be unique to certain contexts for example private practice schools and consultation liaison settings This volume also addresses contemporary and relatively less understood playing fields like digital ethics related to therapist client interface in the internet space and the navigation of ethical dilemmas in the newly emerging field of employee assistance programmes which address mental health needs in the corporate sector Written by experienced practitioners of psychotherapy and culturally contextualized this is a valuable resource for academics and practitioners interested in psychotherapy and counselling *The Question of Intervention* Michael W. Doyle,2015-01-28 The question of when or if a nation should intervene in another country s affairs is one of the most important concerns in today s volatile world Taking John Stuart Mill s famous 1859 essay A Few Words on Non Intervention as his starting point international relations scholar Michael W Doyle addresses the thorny issue of when a state s sovereignty should be respected and when it should be overridden or disregarded by other states in the name of humanitarian protection national self determination or national security In this time of complex social and political interplay and increasingly sophisticated and deadly weaponry Doyle reinvigorates Mill s principles for a new era while assessing the new United Nations doctrine of responsibility to protect In the twenty first century intervention can take many forms military and economic unilateral and multilateral Doyle s thought provoking argument examines essential moral and legal questions underlying significant American foreign policy dilemmas of recent years including Libya Iraq and Afghanistan *The Oxford Handbook of Undergraduate Psychology Education* Dana Dunn,2015 The Oxford Handbook of Undergraduate Psychology Education provides psychology educators administrators and researchers with up to date advice on best teaching practices course content teaching methods and classroom management strategies student advising and professional and administrative issues **Mental Health Care Issues in America** Michael Shally-Jensen,2013-01-07 This two volume encyclopedia examines the

social cultural and political dimensions of mental illness in America Americans are becoming more cognizant of the importance of mental wellness as incidents of bullying random shootings and eating disorders pervade our society This comprehensive resource provides an expansive overview of mental health and illness in the United States analyzing the current state of the health care system and objectively examining the therapies and treatment options traditionally recommended by the medical community Mental Health Care Issues in America An Encyclopedia covers major mental disorders theories and treatments delves into major advances and ongoing controversies in the field and shares the most current research on the subject in varied disciplines including ethnic studies criminal justice education and social work Each entry features a clear definition of the issue along with a brief review of its history Additionally the author situates the material within the mental health field as well as within society in general Organized alphabetically topics include advocacy legal issues media portrayals of psychological disorders and homelessness and mental illness *Beyond Sputnik* Homer Alfred Neal,Tobin Smith,Jennifer McCormick,2010-09-22 Science and technology are responsible for almost every advance in our modern quality of life Yet science isn't just about laboratories telescopes and particle accelerators Public policy exerts a huge impact on how the scientific community conducts its work *Beyond Sputnik* is a comprehensive survey of the field for use as an introductory textbook in courses and a reference guide for legislators scientists journalists and advocates seeking to understand the science policy making process Detailed case studies on topics from cloning and stem cell research to homeland security and science education offer readers the opportunity to study real instances of policymaking at work Authors and experts Homer A Neal Tobin L Smith and Jennifer B McCormick propose practical ways to implement sound public policy in science and technology and highlight how these policies will guide the results of scientific discovery for years to come Homer A Neal is the Samuel A Goudsmit Distinguished University Professor of Physics Interim President Emeritus and Vice President for Research Emeritus at the University of Michigan and is a former member of the U S National Science Board Tobin L Smith is Associate Vice President for Federal Relations at the Association of American Universities He was formerly Assistant Director of the University of Michigan and MIT Washington DC offices Jennifer B McCormick is an Assistant Professor of Biomedical Ethics in the Division of General Internal Medicine at the Mayo College of Medicine in Rochester Minnesota and is the Associate Director of the Research Ethics Resource part of the Mayo Clinic's NIH Clinical Translational Science Award research programs GO BEYOND SPUTNIK ONLINE Visit www.sciencepolicy.net for the latest news teaching resources learning guides and internship opportunities in the 21st Century field of science policy *Elusive Citizenship* John S. W. Park,2004-06-01 Since the late nineteenth century federal and state rules governing immigration and naturalization have placed persons of Asian ancestry outside the boundaries of formal membership A review of leading cases in American constitutional law regarding Asians would suggest that initially Asian immigrants tended to evade exclusionary laws through deliberate misrepresentations of their identities or through extralegal means Eventually many of these

immigrants and their descendants came to accept prevailing legal norms governing their citizenship in the United States. In many cases this involved embracing notions of white supremacy. John S. W. Park argues that American rules governing citizenship and belonging remain fundamentally unjust even though they suggest the triumph of a civil rights vision where all citizens share the same basic rights. By continuing to privilege members over non-members in ways that are politically popular, these rules mask injustices that violate principles of fairness. Importantly, *Elusive Citizenship* also suggests that politically and socially full membership in American society remains closely linked with participation in exclusionary practices that isolate racial minorities in America.

Adopting the Song of Phrase: An Psychological Symphony within **Questions Of Ethics To The United States Of America For 1992 And Beyond**

In a world used by displays and the ceaseless chatter of immediate connection, the melodic elegance and mental symphony created by the written word frequently disappear into the background, eclipsed by the persistent sound and distractions that permeate our lives. But, set within the pages of **Questions Of Ethics To The United States Of America For 1992 And Beyond** an enchanting fictional prize full of organic feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, this interesting masterpiece conducts readers on an emotional journey, well unraveling the hidden melodies and profound affect resonating within each cautiously crafted phrase. Within the depths with this emotional analysis, we can examine the book is key harmonies, analyze its enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
